THE CITY.

BOARD OF CONTROLLERS OF PUBLIC SCHOOLS. - A stated meeting of the Board of Con-trollers of Public Schools was held yesterday after-goon, President Sulpen in the chair. The following communications were received : One from the Fifth section, informing the Board that no non-residents of the dity attend schools in that district.

that district. Mir. Vaughan moved that the communication be laid upon the table until they all can be condensed and suomitted to Councils. Agreed to. One from the Sixten section, informing Councils that twenty six children, residents of Camden, attend the public schools in that section. One from the Tenth section, that five pupils attend the schools of that section who are non-residents of the city. One lives in Reasing, one in Delaware county, one in Onester county, one in White Hall, and one in Maryland. One from the Tenth section. stating the courch property on Race streat, below Fourth, is for sale, and recommending its purchase for the erection of a new school house, and the sale of the Northwest Gremmar School property. Referred to Committee on Property.

Grømmar School property. Referred to Committee on Property. Another from the same section recommending the purchase of the property belonging to the University of Pennsylvania, No. 60 North Fourth street, for the purpose of openisk a new primary school. One from the Fliteenth section, stating that in henor of the memory of the late President, that sec-tional board had changed the name of the Fliteenth ward grammar school to the Lincoln School. The Change of name was approved. One from the Nineteenth section, stating that all the children attending the schools of the district re-sided in the district. Une from the Twentieth section, announced that the non-residents attended schools in that section. One frees in Ohio, one in Distware, one in Morcor county, and seven in Treaton. Une from the Curk of Councils, informing all the corporate boards of the elig that nu deficiencies in the annual estimate of expenses would be allowed by Councils.

by Councils. One from Jno. C. Redheiffer, complaining of the filthy condition of a lot at Sixth and Coates streets, owned by the Board. Referred to Committee on

Wroherty. One from C. J. Stille, Secretary of the Lincoln Monument Association, asking that the Buard re-commend the schools of the city to units in the pro-posed tribute to our late President. On motion of Mr. Freeboru, the matter W23 re-ferred to the various sections, with a favorable recommendation.

ferred to the various sections, with a invorable recommendation. One from Airs, M. O. Miller, late a bacher in the Harrison Girls' Grammar; Subici, a suthy that she had been a good and faithful teacuer in said source for four years. A few months ago she was maried to a soliter, and for that reasco she had been notified that her services were no larger required. Sie though? twas yery inconsistent to speud money in the reception of returning soldiers, and turning out a tracher because she had maried one. She asked to de reinstated until her hasbend's return, which would not occur until net fail. The Board referred the matter back to the Sectional Board, with the statement that the Buard had no control over the matter.

ins matter that the Buard had no control over the matter. One from the directors of the Orphans' Home for Seldiers and Sallors, reque sing the co-operation of the different sections in the proposed far to raise funds for the erection of a home, as proposed to be held on the 2d of October next. Referred to Yom-mittee on Grammar, Secondary, and Primary Schools. The committee on accounts reported that the bills for the quarter ending July 3, next, amounted to \$172.055.90.

A FINGULAR CATTLE DISEASE. - Cattle seem to be particularly shift tot is asson with a very peeceliar disease, in the shape of worms, some of them haif an inch long. These worms get on the back of the catles and eat their way into the flash. The arbinals are prearly troubled with the inflash. The prime arbinals are prearly troubled with the inflash.
