Nearly all our first business houses will be represented in its columns, it being universally considered one of the best opportunities to secure a desirable publicity that has been presented. The work, from its attractive sha- racter and intrinsic value, will be in the hands of every man, woman, and child in the country. [From the Boston Post] * * It deserves success. It will be a valu- able and convenient work of reference, and its great popularity and extensive circulation will make it as ex- cellent advertising medium. iol4-wite St	of sach private during his term of service-computed from OFFIIIAL REPORTS and other Document, by J.
