It is the most convenient and reliable Can in use, and gives entire salisfaction wherever introduced. It is seated in an instant, by hooking and spring, thus clamping a till upon a ring of cemented paper. The cement in the paper welfs by the heat of the fruit, and as the pressing continues the fruit cools, and the scaling is parfect. The cap is unfastened by unhooking the spring and running a thin knife around under the cremented paper. Flease call and examine this Can, at 1918-imit Philadelphia. VALUABLE FARMS AT PRI- SITUATE SALE.—Two very desirable Farms, situate near Millon, Northumberland county, Pa, are offered at private sale by a widow lady, who intends to move to the West. Farm No. I fles within a mile of the town, and contains 11 acres of the hest kind of river bottom land, bordering on the West Branch of the Susquehanna, and is in a high state of cultivation. The soll is very rich, and yields largely every variety of cereals and vegetables that can be raised in the State. The improvements comprise a large two-story brick manalon-house, a neat and commodious tenant-house, and a substantial bank barn, with suffable outhouses, all in good repair. The farm contains a fine orchard of the cholocety varieties of fruit trees, and a vineyard of young, thrifty, and well-selected grape-vines. A new wire ferry crosses the river at the farm; charter exclusive for four miles up and down, will be sold with it, the receipts of which amount to from \$100 to \$1.00 per week. Farm No. 2 adjoins the borough of Milton, and contains 122 acros, 8 acres of which are woodland, the remainder arable land, in a state of good cultivation. The surface of the farm is undulating, the soil rich, and the pasturage luxuriant, being well adapted and formerly used for dairy purposes. The improvements consist of an elegant brick mansion-house, having every modern convenience, supplied with gas from the town, and with excellent water from a cement-lined and differed effective, containing upwards of 50 hogsheads of water; a large bank barn and outhouses, and a stone tenant-house, in which there is a flowing artesian well. This house is located on a fot of ground lying between the West Branch Canal and the first red stern, containing apwards of 50 hogsheads of water; a large bank barn and outhouses, and a stone tenant-house, in which there is a flowing artesian well. This house is located on a fot of ground lying between the West Branch Canal and the first red. Parties wishing to purchase, can obtain any further information by addr	TURNITURE AT LOW PRICES.
