son. Adjourned. Soldiers' Families. To the Editor of The Press: Sin: By way of appeal, please insort the fol-lowing letter in your columns: Cirr PASTOR-Dear Sir: Some time last year I became acquainted with the bearer, Mrs. M. I understood then that she was the widow of a Union soldier killed at Gettysburg, and I have always believed such to be the case. After getting through with the amount paid her by the Government-which was due her husband at the time he was killed-in supporting her-self and her child, which is, and has for a long, long time, been sick. She managed, by sew-ing, to work along till winter came on. Since then she has been endebvoring to get along without help, and has done so till a short time ago, when the child became so low that she was compelled to devote her whole time to 1t, or let it perish at once through neglect. Obliged to remain idle, without money, her case is a sad and touching one. I have learned, also, as might have been expected, from the party from whom she rents a room, that she is two months behind with her rent. Her landlady remarked at the same time, that while she pitied her, yet she could not afford to lay out of the rent. Noticing for a few weeks past that she looked sadder and more de-pressed than usual, on inquiry, I learned the above, and other facts. Unable, in justice to myself, to give her such ad as she impera-tively needs, I thought of sending her to you. I have feit some deleacy in doing so for one reason, viz., I have never been a Subscriber to "City Pastor" fund. I can truly say, however, that it has not been for lack of interest in your good work, or for want of the disposition to subscribe, that I have not been such; but sin-ply because the terrible was just past--and which, praisedbe God, has ended so golorionly for the cause of truth and of right-caused us to be here for nearly two years now, with very little means. Mrs. M. expects to call on you to morrow morning, and I trust you will be able to extend FIRE .- The alarm of fire about half-past eleven o'clock yesterday morning, was caused by the partial burning of the stable belonging to the estate of Robert Gilfillan, on Carpenter to the estate of Robert Ginnian, on Carpenter street, between Seventeenth and Eighteenth streets. There was a quantity of boards and straw burned. Loss five hundred dollars. No insprance. Two cottage buildings adjoininginsurance. Two collage outlains adjoining-one owned and occupied by John McAllister, the other owned by John Miller, and occupied by James Patton-also took fire. The fronts were of frame, and the remaining portions were brick. They were damaged to the amount of one hundred and fifty dollars each. No in-curance A frame claraction house balancies surance. A frame slaughter-house, belonging to Hugh Forsyth, also took fire. There were a to Hugh Forsyth, also took hre. There were a number of cattle in the slaughter-house at the time, but were all got out in safety. The roof of this building was slightly damaged. The total loss by the fire will be about one thousand dollars, upon which there is no insurance.

HEAVY ROBBERY OF CLOTHS .- At an early hour yesterday morning, the store of Messrs. Milligan & Carnahan, at the southwest corner of Eleventh and Chestnut streets, was entered and robbed of slotha and other of the estimated value of \$3,000. Entry was made into the cellar by means of the front grating, which had been left unfastened. A hole was then cut through the floor, and the thieves made their exit, with their pluider, through a window on Eleventh street. The fastening of the front door had been removed, but it is probable the thieves feared detection should they make their exit from the front

The author of the above letter is one of our most reliable citizens, is a gentleman, and a lovely Christian, who, with his family, had to fly from the South for their Union sentiments. Will not Christian benevolence be directed to the relief of those families whose husbands and fathers have fought our battles and fallen on every bloody battle-field to gain us peace and establish our nation? Let the daughters of America do for the soldier's family at home what they did for the soldier abroad, and we will soon cease to hear of tales of woe and the cries of starving children.
