THE NATIONAL GAME-KEYSTONE AND THE NATIONAL GAME—REYSTONE AND CAMDEN.—The game between these two clubs was played yesterday afternoon, on the ground of the Olympic, near Jefferson street and Twenty-fifth. It lasted over three hours. There was a considerable number of spectators present, and towards the latter part of the game there was considerable excitement. On concluding the sixth inning there was a tip seed club leing scored twelve: On the on the carbon being scored twelve; on the seventh, the Camden led the Keystone six. The game was now pretty well contested, and

The route fixed by the convention is: Right to form on Callowhill street, below Broad; countermarch up Broad to Girard avenue, down Girard avenue to Shackamaxon, down Shackamaxon to Beach, nown Beach to Brown, up Brown to Fourth, down Fourth to Wharton, up Wharton to Ninth, up Ninth to Pine, up Pine to Twenty-first, up Twenty-first to Spring Garden, down Spring Garden to Twelfth, down Twelfth to Chestnut, and down Chestnut to Third, and

Yesterday afternoon the Committee or Route held a meeting at the Perseverance Hose house. Mr. John G. Butler, President, presided. John M. Melloy, Chief Engineer Lyle, Thomas M. McCullough, William D. Ken-drick, Geo. W. Heston, John L. McGinnis, Wm. A. Thorp, Chas. A. Major, and Chas. A. Porter constitute the committee. After a brief session, they procured the ambulances of the Vigilant, Philadelphia, and Weccacoe steam fire engine companies, and went over the northern portion of the route, accompanied by many of the most influential and prominent members of the Fire Department. They proceeded to Eleventh street and Girard avenue, where they negatived the avenue. The tane stretched just twenty-five feet. At Thirteenth and Jefferson the parallel street measured twenty-seven, and Jefferson will doubtless be substituted. It has the advantage of being a wider street, free from rail, and passing through a pleasanter portion of the city. Beach street will also probably be changed. From Laurel to Brown the street on either side is occupied by foundries and factories.

The route will doubtless be amended so as to line further up into the populated portion of Kensington. Second street is sug-The committee visited all the appointed localities north of Market street and all the

proposed alterations The matter will be definitely settled at the next meeting of the committee.

MEETING OF FIREMEN.-A meeting of dremen was held last evening at the Schuyl-kill Hose House, to take action in reference to attending the funeral of Mr. Fearon, formerly Chief of the Fire Department, two terms of which he served with great credit to himself. Joseph R. Lyndall, City Controller and mem-ber of the Weccacoe Steam Engine Company, was called to the chair. John G. Butler, chief verance Hose Company, was appointed secre

Navy is talked of, to come off in October next. The navy is now thoroughly reorganized, with S. Groome, Esq., as Commodore, and J. P. Wood as Vice Commodore. Some years have clapsed since the last regatta took place. It gave much satisfaction, and drew a large concourse of people. We have probably ore facilities for rowing matches than any other city in the country. We have a larger number of first-class barges of every descrip-tion than any other place, and it is to be hoped that the young men of the several clubs will improve those opportunities, and make a display creditable to themselves and

SUPERIOR STOCK OF MULES.—The mules that are to be sold by auction, at Champion's Bazaar, on Racc street, below Twefth, on each Wednesday and Saturday, by order of Captain Albert S. Farmers and others who wish good tock should not fail to attend these sales.

New Counterfeit.-Yesterday, a new fifty-dollar counterfeit greenback was pre-sented at the United States Mint. It appears be from a new plate. It is well executed and liable to deceive the unwary. THE POLICE. [Before Mr. Alderman Thomas.]

The game was now pretty well contested, and an extra bat, a clever rum, or an expert fiy. Catch induced considerable applause.

The weather was intensely hot, and its enervating effects were observable upon the players towards the close.

The following is the score, from which it will be seen that the Camden Club won a victory by cleven:

ASSAULT ON AN OFFICER. ANSAULT ON AN OFFICER.

Andrew Wear had a hearing, charged with having violently assaulted Officer Gibson at Chestnut Hill. It is alleged that as Mr. Gibson was standing at the corner of Green lane and Main street, in the discharge of his duty, the accused came up and violently took hold of him, tearing his, clothes. Officer Gibson told the fellow to go away, when he began to assail the officer with abusive language; whereupon he was arrested. In the Alderman's office he was very abusive, swearing at the Justice, and behaving very indecently. He was ordered to obtain bail in the sum of \$1,000 for his appearance at Court.

(Before Mr. Alderman Hutchinson.) Jacob Burns was committed, in default of 11,000 bail, to answer the charge of attempting to break into the Fairmount Park Hotel on bunday. He was intoxicated at the time.

[Before Mr. Alderman Patchell.] ALLEGED ACCESSORY TO A HOMICIGE. A man named James Hagan was arrested on Sinday on suspicion of being one of the par-ties engaged in the murder of Haggerty, in Schuylkill county, some time ago. After a hearing he was committed to await the ac-tion of the authorites of Schuylkill county.

Wray and John McGinn, aged respectively eighteen and nine-teen years, were arrested on Saturday afternoon, charged with having robbed a house at Front and Vine streets, of one hundred and fifty-four dollars. [Before Mr. Alderman Beitler.] THE EFFECTS OF RUM.

Last evening, Mary Kelly made information against her husband, John Kelly, whom she charges with beating her at times, of being an habitual drunkard, and of carrying away the household furniture and clothing belonging to her to obtain money wherewith to gratify his appetite. He begged hard to be let off; but, being an old offender, the Alderman was not to be caught by such chaff, and he committed him to answer. The van was waiting at the door, and he was taken directly to Moyamensing. THE EFFECTS OF RUM.

[Before Mr. Alderman Gibson.]

STEALING PRACHES.

For some time past, it is alleged, persons residing near Belmont, at the Falls of Schuylkill, have been pilfering peaches from the trains that pass over the railroad in that locality. The boxes and racks have been broken open, and it is said that large quantities of the peaches have been stolen. The matter became too serious to admit of its being lightly passed over, and on Saturday the police of the Twenty-first ward made a descent upon the "guerilas," and captured nine, whose ages range from eleven to forty-five years. Jacob Swatts, Peter Miller, Thomas Taylor, and August Misammer were discharged, and John Smith, Lewis Roseman, John Green, Michael Rafferty, and James Rafferty were held to bail in \$400 each to answer the charge of larceny.

ALLEGED DEFALCATION. [Before Mr. Alderman Gibson.]

ALLEGED DEFALCATION. A man named F. E. Wadsworth has been arrested in Reading, and brought to this city by officer Crout, of the Reserve Corps. It is alteged that he was employed by Mr. F. T. (Before Mr. Alderman Fitch.) ALLEGED RIOT.

A man named Thomas Hawks was arrested on Sunday, on a charge of having been concerned in the riot at Johnson's tavern, on North Seventh street. It is alleged he had a stone in his hand when he was arrested. He was committed for a further hearing. [Before Mr. Alderman Jones.] A WOMAN TURAL MOTHER.

A woman named Catharine Kilpatrick was arrested on Saturday, in the Farmers' Market, by Officer Reeder. It is alleged that she was stealing potatoes. When taken into custody she had with her her daughter, six years of age, and it is said that the mother was teaching the little one how to steal the potatoes. The mother was committed, and the child will receive proper care and attention, that it may grow up a useful member of society. AN UNNATURAL MOTHER.

THE COURTS. United States Bistrict Court-Before Judge Cadwalader. The August sessions of this court began yesterday. The Grand and petit furors summoned to serve were in attendance. John Thompson, Esq., of Pottsville, was appointed foremen of the Grand Jury. That body, having been briefly instructed by the court as to their duties, retired, and, there being no cases as yet ready for trial before a petit jury, the court adjourned till this morning.

ourt of Quarter Sessions—Hon. James

R. Ludlow, Associate Justice. In consequence of the non-attendance of witnesses the court was not fully occupied yesterday, and were compelled to adjourn at an early hour. George White pleaded guilty to the stealing of twenty dollars, the property of Ernestine Hockmyer, and was sentenced to one year in county prison.

I twenty dollars, the property of Ernestine in County prison.

Convicted of Larceny.

Catharine McGowen and Wm. Riley were tried upon the charge of having stolen a watch, worth \$125, and \$45 in money, from one John Duffield. He could testify to but little about the matter, except that while intoxicated his watch and money were stolen at a place where the woman, McGowen, lived, in water street. She was arrested by Officer Yoder, who testified that she had given the watch to her codefendant Riley for safe keeping. Riley was arrested, and at first denied any knowledge of the stolen property, but after being taken to the station house and locked up for awhile told the officer he had received the watch from the woman and had left it with a man at or near Bace and Front street for safe keeping. He accompanied the officer to the place and having obtained the watch handed it over. The defendants were sentenced each to one year in the county prison.

ASSAULT AND BATTERY. prison.

ASSAULT AND BATTERY.

John Burke was charged with assault and battery on Thomas Devinney, with intent to steal. The two men, it appeared, were discharged soldiers, and got into a quarrel and scuffle, in the progress of which the defendant caught and broke Devinney's watch chain. Hence the charge of intent to steal. The jury rendered a verdict of guilty of assault and battery. Sentenced to thirty days in the county prison. ounty prison.

ACQUITTED OF PETTY LARGENY.

William Armstrong, charged with the largeny of a quantity of clothing from the yard of Mary Ann Davis, (colored,) was acquitted. There was but one witness, a woman, who lives opposite the prosecutor, who testified that she saw the defendant at about three o'clock on the morning of July 5th, coming out of the gate of the prosecutor's premises with a bundle under his arm. When arrested he denied all knowledge of the theft, and none of the goods were found in his possession. The Jury acquitted. acquitted.
James Allman was acquitted of the charge of the larceny of two shirts, the property of Harmer Keefe. the house of Emma Sides, in Coates street, by
the detendant and others; but he denied any
intent to steal, saying that he had been told to
take the wagon to the stable. The jury were
willing to treat the thing as done by defendant
in a frolic, and acquitted him.

A convraband in Difficulty.

Sidney Kelly, a very dark contraband, was
charged with the larceny of \$14.55 from a fellow contraband, named Samuel Robinson.
They both slept together at Camp Cadwalader,
and upon getting up one morning, Robinson
discovered that during the night his money
had been stolen. Kelly was arrested, and,
having first denied, finally acknowledged the
larceny, and promised, if let up, to reastore the
money. The jury convicted, and Kelly was
sentenced to nine months in the county prison.

The Result of the Richmond Election

The Result of the Richmond Election
Received as a Warning.

(From the Augusta Chronicle and Sentinci, Aug. 21.)
We see it stated in some of the Richmond papers that any man who is known to be an honest supporter of the Union can get but few votes in that city. This is a lamentable state of affairs, especially in Richmond. For, if the residents of any part of the South more than another should be animated by a feeling of gratitude to the Government, it should be the citizens of that place. According to the wages of war, after a city has been defended as Richmond was, it is customary to allow the soldiers to plunder it when taken. But, instead of so doing, the United States troops passed some time after the occupation in chivatrously and magnanimously endeavoring to put out the flames kindled by retreating defenders. Since the occupation of Richmond, the United States Commissary has furnished food to thousands of its famishing families. Many of her prominent citizens of the excepted class of the Amnesty Proclamation have been pardoned. The people have been treated in the most generous and lenient manner. And what does the United States Government get in return for all the kindness shown? Why it is informed that no man who is loyal to it, and who believes in unequivocally supporting it, can be elected to office by the votes of the people. By some this may be considered a good way to show gratitude, but we do not approve of any such method of returning kindness.

This is the first election, we believe, held in a reorganized State. This, then, its the first time that the Government all Washington has had an opportunity of showing what it will do, in case affairs are not conducted in a satisfactory manner. Its course in this matter is a unequivocally plain that the Wardens and present the Linited States Government, shall hold any office under that Government, even if he manages to get elected." The Government has a perfect right to take that position, if it sees it to do so, and it has the power to maintain itself in
