A GENTS WANTED FOR

"THE SECRET SERVICE,
THE DUNGEON, AND THE ESCAPE."

By A. D. Richardson, New York Tribune Correspondent.

The most interesting and exciting book ever published, embracing Mr. Richardson's unparalleled experience for Bur years, travelling through the South in the secret service of the Tribune, at the outbreak of the war, with our armies and fleets, both East and West, during the first two years of the Reciellon; his turilling capture; his confinement for twenty months in seven different Robel prisons; his sesue, and almost miraculous journey, by night, of nearly four hundred miles. It will abound in stirring events, and contain more of the fact, incident, and romance of the war than any other work published.

Teachers, ladies, energetic young men, and especially returned and disabled officers and soldiers, in want of profitable employment, will find it pecularly adapted to their condition. We have agents clearing \$175 per month, which we will prove to any doubting applicant.
