BALTIMORE LOCK HOSPITAL

☞ ESTABLISHED AS A REFUGE FROM QUACKERY.

The Only Place Where a Cure Can be Obtained.

DR. JOHNSTON HAS DISCOVERED THE most Certain, Speedy and only Effectual Remedy in the World for all Private Diseases, Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates, with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

Immediately Cured, and Full Vigor Restored.

This Distressing Affection—which renders Life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death.

Office, No. 7 South Frederick Street,

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

A CURE WARRANTED IN TWO DAYS.

No Mercury or Nauseous Drugs.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sound, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

Mentally.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, loosing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin-bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns."

It is a *melancholy fact* that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that *Deadly Poison, Mercury*, ruin the constitution and make the residue of life miserable.

STRANGERS

Trust not your lives, or health, to the care of many Unlearned and worthless Pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's advertisements, or style themselves, in the newspapers, regularly Educated Physicians, incapable of Curing, they keep you trifling month after month taking their filthy and poisonous compounds, or as long as the smallest fee can be obtained, and in despair, leave you with ruined health to sigh over your own galling disappointment.

Dr. Johnston is the only Physician advertising.

His credentials or diplomas always hang in his office.

His remedies or treatment are unknown to all others, prepared from a life spent in the great hospitals of Europe, the first in the country and a more extensive *Private Practice* than any other Physician in the world.

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," "Clipper," and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

Skin Diseases Speedily Cured.

☞ No letters received unless post-paid and containing a stamp to be used on the reply. Persons writing should state age, and send portion of advertisement describing symptoms.

CONSTITUTION WATER.

THE GREAT REMEDY

FOR THE

CONSTITUTION

AND THE

ONLY KNOWN REMEDY

FOR

DIABETES

AND DISEASES OF THE

KIDNEYS AND BLADDER.

These Dangerous and Troublesome Diseases, which have thus far Resisted the best directed Treatment, can be Completely Controlled by the REMEDY now before us!

THE CURATIVE

properties of the medicine direct themselves to the organs of secretion, and by so altering the condition of the stomach and liver that the starchy principle of the food is not converted into sugar so long as the system is under the influence of the

CONSTITUTION WATER,

which gives those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Diabetes in which it has been given.

STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSITS, AND MUCOUS OR MILKY DISCHARGES AFTER URINATING.

Disease occurring from one and the same cause will be uniformly cured by the Constitution Water, if taken for any length of time. The dose should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed.

DYSMENORRHŒA, OR PAINFUL MENSTRUATION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the menstrual fluid—in the one case being too little, and accompanied by severe pain; and the other a too profuse secretion, which will be speedily cured by the Constitution Water.

The disease known as FALLING OF THE WOMB, which is the relaxation of the ligaments of that organ, and is known by a sense of bearing-e and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which we will here point out, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION,

Which in the unmarried female is a constant recurring disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an *effort being made to assist nature*, the suppression becomes chronic, the patient gradually looses her appetite, the bowels are constipated, night sweats come on, and *consumption* finally ends her career.

LEUCORRHŒA, OR WHITES.

This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water morning and evening.

IRRITATION OF THE NECK OF THE BLADDER, INFLAMMATION OF THE KIDNEYS, AND CATARRH OF THE BLADDER, STRANGURY AND BURNING OR PAINFUL URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of Constitution Water will relieve you like magic.

FOR DYSPEPSIA,

It has no equal in relieving the most distressing symptoms. Also, Headache, Heartburn, Acid Stomach, Vomiting Food, &c. Take a teaspoonful after dinner. The dose in all cases may be increased if desired, but should be done gradually.

PHYSICIANS

Have long since given up the use of buchu, cubebs and juniper in the treatment of these diseases, and only use them for want of a better remedy.

CONSTITUTION WATER

Has proved itself equal to the task that has devolved upon it.

DIURETICS

Irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

READ. READ. READ.

DANVILLE, Pa., June 2, 1862.

Dr. Wm. H. Gregg—*Dear Sir:* In February, 1861, I was afflicted with the sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly,

J. V. L. DE WITT.

Boston Corners, N. Y., Dec. 27, 1861.

Wm. H Gregg & Co.:

Gents:—I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with *Palpitation* of the *Heart*, attended with *Falling of the Womb, Dysmenorrhœa*, and *Irritation* of the *Bladder*. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her for about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said: "*her case was incurable.*" For, said he, "*she has such a combination of complaints, that medicine given for one operates against some other of her difficulties.*" About this time, she commenced the use of Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say it has produced a permanent cure.

WM M. VAN BENSCHOTEN.

Milford, Conn., Nov. 19, 1861.

Dr. Wm. H. Gregg:

Dear Sir:—I have for several years, been afflicted with that troublesome and dangerous disease—*Gravel*—which resisted all remedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has *entirely cured* me, and you may make any use of my name you may see fit in regard to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG.

THESE ARE FACTS ENOUGH.

There is no class of diseases that produce such exhausting effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passages, and through false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

CONSTITUTION WATER

To the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.

TRUSSES.

RUPTURE CAN BE CURED BY A TRUSS OF THE RIGHT KIND, IF PROPERLY FITTED AND DULY ATTENDED TO. This has been abundantly demonstrated in innumerable instances by the use of the MULTIPEDAL TRUSS of DR. RIGGS, during the last few years. This truss, being covered with Hard Rubber, is perfectly waterproof, may be used in bathing, and is always cleanly as well as indestructible by ordinary usage. If not satisfactory after a fair trial of sixty days, it may be returned. It challenges comparison with any truss known.

Poetry.

The Dead Drummer Boy.

'Midst tangled roots that lined the wild ravine,
Where the fierce fight raged hottest through the day,
And where the dead in scattered heaps were seen,
Amid the darkling forests' shade and sheen,
Speechless in death he lay.

The setting sun, which glanced athwart the place
In slanting lines, like amber-tinted rain,
Fell sidewise on the drummer's upturned face,
Where Death had left his gory finger's trace
In one bright crimson stain.

The silken fringes of his once bright eye
Lay like a shadow on his cheek so fair;
His lips were parted by a long-drawn sigh,
That with his soul had mounted to the sky
On some wild martial air.

Nor more his hand the fierce tattoo shall beat,
The shrill revellie, or the long roll's call,
Or sound the charge, when in the smoke and heat
Of fiery onset foe with foe shall meet,
And gallant men shall fall.

Yet maybe in some happy home, that one,
A mother, reading from the list of dead,
Shall chance to view the name of her dear son,
And move her lips to say, "God's will be done!"
And bow in grief her head.

But more than this—what tongue shall tell his story?
Perhaps his boyish longings were for fame?
He lived, he died; and so, *memento mori*—
Enough if on the page of War and Glory
Some hand has writ his name.

THE WANDERER.

Bleak in the Norland
The winter wind blows,
O'er the wild upland
Whitened with snows:
Through darkness and danger,
In tempest and cold,
Where wander thy footsteps,
Lost lamb of the fold?

Thy flock was the fairest
Within the broad land,
Thy guide was the shepherd,
With staff in his hand;
What guide shall befriend thee,
With bleeding feet torn,
In the path of the Brocken,
Forsaken, forlorn!

In my dream of last even'
I heard the wild flow
Of the river's rude rush
To the chasm below:
On its brink I espied thee,
No arm to withold;
Affrighted, and trembling,
Lost lamb of the fold.

From the places which knew thee
The sunshine has fled;
Thy mates of the valley
Bewail thee as dead;
Would to God, thou wert shielded
From dangers untold;
In the arms of the shepherd,
Lost lamb of the fold!

TREASONABLE OFFENCES.

Debate in the Senate of Pennsylvania,

ON MR. LOWRY'S RESOLUTION,

Tuesday, February 17, 1863.

Bill entitled "*A joint resolution instructing our Senators and requesting our Representatives in Congress to procure the immediate passage of laws defining and punishing offences of a treasonable character,*" came before the Senate in regular order on its final passage.

Mr. Lowry asked for the reading of the bill. The Clerk read as follows:

Whereas, It appears that the existing legislation of Congress is deficient in the present crisis; therefore

Be it Resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania, in General Assembly met, That the Senators from this State be instructed and the members of Congress requested to procure the immediate passage of laws defining and punishing offences of a treasonable character not amounting to high treason, and providing for the fair and speedy trial by an impartial jury of persons charged with such offences in the loyal and undisturbed States, so that the guilty may justly suffer and the innocent be relieved.

Mr. Clymer. Mr. Speaker, I move that the Senate go into committee of the whole for special amendment of the bill, as follows:

First. To insert after the word "passage of laws" the words "in accordance with the Constitution of the United States and of the State of Pennsylvania."

Second. To insert after the words "speedy trial" the words "in the district where the alleged crimes have been committed."

Mr. Nichols. If it is in order, I desire to submit an amendment to the amendment of the Senator from Berks, providing that the bill shall not apply to cases of crimes in States now in rebellion against the General Government.

Mr. Clymer. I certainly have no objection to that.

Mr. Lowry. I am not going to debate these amendments on the question before the Senate at this time. I would remind the Senator that on the fourth of March the Congress of the United States will adjourn, and I call upon Republican Senators upon this floor to stand up to these resolutions as reported and vote them through. The time has come—

The Speaker. The Senator must confine himself to a brief statement of his reasons.

Mr. Lowry. My reasons are that upon the fourth of March the Congress of the United States adjourns, and if these resolutions are to be in any manner effective, their passage must be secured now. Another reason why I shall vote against this amendment is that because if treason is committed it is not committed against one district alone, but against the Government and against the whole country. The resolutions as reported by myself intend that traitors shall be tried not in our local courts but in our United States courts. I will not debate the question now. I promised the Senate I would not, and it would not be in order. We want the resolutions passed, and passed immediately.

Mr. Clymer. I know well, sir, that in this stage of the proceedings it is not in order to debate these resolutions, and I know that if I attempted to wander into the general subject I would soon be compelled by the chair to confine my remarks to a very brief statement of why I desire the insertion of the amendments I have proposed.

In them I have merely set forth what I think every Senator upon this floor, every member of the House of Representatives, and every right-thinking person in the State of Pennsylvania would desire, and that is that there should not be any laws passed by Congress or by these bodies which are not in accordance with the Constitution of the United States, and which, in their application to us, are not in accordance with the Constitution of the State of Pennsylvania. That is my simple request. In the first of the amendments that desire it so fairly and so simply indicated, that I am surprised the Senator from Erie should for one moment object to its being embraced within his resolution. My second amendment provides that after Congress has laid down law for the punishment of offences not amounting to high treason, provision shall be made for a trial of those offences or crimes in the districts where the alleged offences or crimes have been committed.
