

FAREWELL AND WELCOME. Go! Winter, go! Thy frozen locks and tresses white And looks that kindle not delight,

And breaths that chill the young heart's glow And frowns that make the lear-drop start, No bliss, no pleasure, can impari ; Go! Winter, go!

Come ! Summer, come ; . With genial skies and budding flowers, And balmy gales and fragrant showers. And smiles that clothe the earth in flowers. Come ! with thy bright and fairy band, And scatter gladness o'er the land ; Come ! Summer, come.

-Barry Cornwall Wilson.
