Dr. G. H. Markley—Dear Sir: For many years I was Dr. G. H. MARKLEY—Dear Sir: For many years I was
the victim of Dyspepsis in its most aggravated form; my
system having become so much deranged and debilitated,
that I was unable to perform any kind of labor. I had resorted to the best doctors within reach, without relief. I
used some of the most popular remedies of the day, but
use of them did me any good. My sufferings cannot be
described in words. I was then living at Hopewell, Chaster county, and in 1857, as a last resort, I commenced the
use of your medicines. They soon afforded me relief from
the most painful symptoms which I had scarcely hoped to
obtain; and it a surprisingly short time I was completely
restored to health, and I have enjoyed the best of health
ever since—not a symptom of my old complaint remaining. Since them, I have always kept your medicines in
my family, and would not be without them upon any consideration, as they have never failed to do what you claim
for them.

Respectfully yours,
