THE RIVAL CANDIDATES .- The same correspondent sends the following, which is very good -none the worse that it has appeared before in substance in the magazines. That time the scene was laid in Lower Mississippi. Very likely it happene i in several places. Politicians are very much slike. Another candidate came upon "a poor white

man," who had a vote to give, if he did have to de his own milking. The candidate, Jones, asked him if he should hold the cow, which seemed to be uneasy, and the old man consenting readily, he took her by the horns and hold fast till the operation was done. "Have you had Robison (his rival) around

here lately?" he asked. "Oh yes! He's behind the barn, holding the

Way Don't Tury Go ?-- We hear some men talk a great deal about "fighting if out," &c. &c., but they stay at home thems: ives. Why is this? If it is so laudable to serve your coun try in this way, why not take a hand in it yourselves, gentlemen? You remind us very much of Johnny Bluff giving advice to his friend Patrick Doyle, when about to enter the ring : # Now Pat," said he, "you do the fighting and I'll do the cheering, honey; and so between us we'll lick him like blazes!"

A VIOLENT REPUBLICAN met a Democratic coal-dealer on the street, and asked the price. "I suppose your coal is loyal?" queried the radical. "Well, it's black enough—if that's what you mean," rejoined the other.

THE ERIE OBSERVER, & Democratic De per, says: "Our Democratic exchanges promised their readers that the 'Curtin would fall' on the second Tuesday of October. It has fallen, but unfortunately it has left us on the outside."

SATS PRENTICE: Some of the Abolition editors think that they cannot be loyal unless they render slavish obedience to the Adminis tration. They should have been born niggers

SALE OF LAND. 1,200,000 ACRES FARM LAND OF THE ILLINOIS CENTRAL BAILROAD COMPANY.

TIS WELL KNOWN THAT THIS COMpany, in the few years since the construction of the Entirond, has soid a large number of Farms to settlers, who, mostly in a short time, enjoyed a degree of prosperity, which is sufficient evidence of the quality of the soil, and the facilities for disposing of its produce. The numerous villages which have, spring up in this short time shot indicates the abundant recourse of the country. The land is rich PRAIRIE SUL. Often thickly wooded, Woodland can generally be purchased at short distances and low prices—sometimes of the Company. The various kinds of grain are successfully entironed. Fruit, Grapes. &c. grow rapidly, and yield abundantly and of superior quality. The fruit market is probably the best in the West. For the raising of Cattle there is no botter construy to be found. Considering the infancy of the settlements, much has already bean done for schools.

The Company offers to estitiers great advantages. The land is soid—Wood or Frairie,—at from \$5 to \$12 per acre, according to its distance from the Kailroad. At the time of purchase, only the interest of the purchase money is required. For the 3 first years, like size only the interest at the end of the fourth year and the three following, each according to first six years, the size only the interest at the end of the fourth year and the three following, cach according to the distance from the safer the expiration of seven years, the whole amount is paid. On cash payments a liberal discount is allowed. Purchasers are exempt from taxes on the land for seven years.
