DR. JOHNSTON HAS DISCOVERED THE most Certain, Speedy and only Effectual Remedy in the World for all Private Diseases, Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Langnor, Low Spirits, Confusion, of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Diseases of the Head, Throat, Nose or Skin; Affections of the Liver, Lungs, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of Youth—those SECRET and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually swoops to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates, with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

Immediately Cured and Full Vigor Restored.

This Distressing Affection—which renders Life and Marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understand the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the pruden? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, a wasting of the Frame, Cough, Consumption, Decay and Death.

Office, No. 7 South Frederick Street.

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

Letters must be paid and contain a stamp. The Doctor's Diploma hangs in his office.

A CURE WARRANTED IN TWO DAYS.

No Mercury or Nauseous Drugs.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometime with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

Mentally.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depressions of Spirits, Evil Forbodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

THOUSANDS of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a regular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil associates, or at school, the effects of which are nightly felt even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all the prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a secret habit. Such persons MUST, before contemplating

MARRIAGE,

Be a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind is shadowed with despair and filled with the horrid reflection that the happiness of another becomes blighted with our own.

DREADFUL EFFECTS OF IMPRUDENCE.

Many a misguided and imprudent votary of pleasure finds to his sorrow too late, that in his first indiscretion he has imbibed the seeds of this painful disease, destroying at once that amiable trait in the human character, a delicate sense of shame, or the fear of which often deters him from applying to those who, by education and respectability, can alone befriend him, dreading the consequences of the exposure of his unfortunate condition. Have you any of the following symptoms of this horrid disease? If you have a frequent discharge from the urethra, or any private parts, a sediment in the urine after making water, or a morbid appearance of the same, a weakness of the loins, pain in the back, dimness of sight, nocturnal pains in the head and limbs, weakness of the nerves, trembling of the hands, a wandering of the mind, weakness of memory, loss of sight, deafness, noises in the head, pimples on the face, blotches on the body and limbs, ulcerated sore throat, sore mouth, foul breath, nocturnal pains in the head and bones, affections of the throat, nose, skin on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, he becomes a horrid object of commiseration, he becomes a horrid object of commiseration, he
