## THE DEMOCRATIC PLATFORM.

*Payment of the Public Debt—Equal Taxation of Every Species of Property—Gold Currency for the Government, Bonds and People—The Laborer, Producer, Soldier, Pensioner, Soldier, Producer and the Bond-holder*

**WHITE SLAVES AND BLACK SLAVES.**

The Republicans contended that it was wrong for a man to labor for another without a corresponding remuneration, and therefore condemned negro slavery in the South. Yet, at the same time, they enact laws that the white man's labor in the North shall be taken to pay the interest on the rich bondholders' bonds, without remuneration or getting anything in return. Therefore, if the black man of the South was a slave to the Southern rich planter, because he labored for him without receiving an equivalent, the white laborer of the North must be a slave of the rich Northern bondholder, because he works and labors for him without receiving an equivalent. But the white slave (laborer) of the North is worse off than the negro slave of the South was, because the Southern slave's wants were all supplied by his master, while the Northern slave received nothing in return from his master, the rich bondholder.

How long will the laborers and working men of the North identify themselves with and cast their votes to sustain the policy of a party which in time will crush them to the earth, and whose whole object and design is to blind them to their true interests, so that they may appropriate the proceeds of one-half of their labor, collected from them by indirect taxation, for the purpose of paying the interest on their bonds, and eventually the principal in gold, as well as the interest?

Labor—the capital of the *poor* man, is taxed to pay the principal and interest in gold on the bonds held by the *rich* bondholder, whilst the capital, represented by the bonds of the rich man, is *not taxed* by this partial, unjust and unchristian policy, making the rich man richer and the poor man poorer.

No wonder the rich bondholder can give his $1,000 and $2,000 evening parties, ride in a $1,000 carriage, with a span of fast horses that cost him another $10,000—he never works or labors for it, it *all* comes out of the labor of the poor man.

How long will the poor white laborer aid by his influence and vote, a party who advocate such a policy? I say again—how long?

CONSERVATIVE REPUBLICAN, will you not aid us in redeeming our country from the evils of Radical rule? Go to the polls and vote, if you have not already done so. Never mind their cry of "copperhead," but do your duty!—*Eagle of Tuesday.*

They "aided" you. Didn't you hear the news that's going round about it.—*Dispatch.*

Yes; we heard that they had aided us to the extent of 23 Democratic majority in the city of Reading, in spite of Radical frauds in the Seventh and Ninth Wards. We also heard that there was a largely increased Democratic majority in Berks county. The news suits us very well, and we thank the Conservative Republicans for their manliness and independence in preferring *right* to *party*.

ALL reliable newspapers, of both parties, are complaining of the difficulty of procuring correct election returns. The Associated Press is not to be trusted, and the pernicious practice of betting on elections has become so prevalent that telegrams are sent for the express purpose of benefitting some sporting man who takes the elections a source of speculation.

Fortune always may bluster or lament, but we do not believe that at the present time any man living knows whether Pennsylvania and Indiana have gone Democratic or Republican. Under such circumstances we advise our readers to wait patiently for the correct returns, and to believe no "sensation" stories.

BRICK POMEROY's organ grinder continues to play "Dixie" in front of Brick's office in New York, to the extreme disgust of the Radicals. "Brick" pays the crippled soldier $2 a day for his services, and insists on his playing that one tune, because Mr. Lincoln liked it somewhat. The Radicals complained to the Police Captain Thorne replied on Friday that Organ Grinder had paid a ten dollar license, and Brick and the law on his side—at the soldier plays "Dixie" from one to four o'clock every afternoon, to the intense enjoyment of the Democrats. Brick is too much for the Radicals, in all respects.

THE Radicals continue their attempts to throw out the votes of repeated citizens in Philadelphia, but figures are still enough to elect the candidates of the Know Nothing party.

## The Conservative Republican.

Those well meaning, but credulous and enthusiastic persons, who are now exulting in what we believe to be the vain hope that Pennsylvania has given a large Republican majority, will do well to consider the result of the election of Gen. Grant to the Presidency, as described by the Lancaster Intelligencer:

This nation cannot stand four years more of Congressional despotism, such as we have had. Grant declares he will have no policy in opposition to the fanatics who control Congress. He is pledged to let them have their own way in every thing. He will be the mere tool of the most dangerous Radicals. Such an administration of the Government must bring unnumbered and unendurable ills upon the people.

The Union will be kept Divided.

The Negro Governments in the Southern States will be maintained by bayonets.

A gigantic Army will be kept up for that purpose, at the cost of the toiling masses of the North.

The Freedmen's Bureau will be continued.

The South will become less productive each year.

The people will be continually rendered less capable of paying their proper share of taxes.

The burthens of every taxpayer in the North will be thereby constantly increased.

The Radicals, being unrebuked, will continue to plunder the public Treasury at will.

Congress will appropriate money with greater recklessness.

The flood gates of fraud and corruption will be opened still more widely.

A vast horde of greedy and hungry partisans will be well fed, if the country should be bankrupted in the process.

Official stealing will have been sanctioned by the verdict of the people.

The millenium for political thieves will have been ushered in, and full advantage will be taken of it.

Even the present oppressive system of taxation will not furnish money enough to satisfy the cormorants.

The debt will continue to increase, as it has been doing for months past.

No attempt will be made to pay a dollar of the principal.

The Bondholders will get the interest for a while, but complete repudiation will certainly follow.

There is no hope of relief for the taxpayer, *no prospect* that the bonds will ever be paid, unless economy and reform are speedily inaugurated. Four years more of Radical rule will bankrupt this nation. It may not destroy our liberties, but it will be almost certain to lead to a war for their maintenance.

## IMPORTANT CORRESPONDENCE.

**Helmbold Ahead of Pierrepont—Subscription of $40,000 for the Seymour and Blair Campaign.**

The following correspondence is important, as it practically illustrates the views of thinking and enterprising merchants, and those who have not altogether lost their love of country or Constitution as handed down by our forefathers, or who have a respect for maintaining its honor and character:

594 BROADWAY, NEW YORK, Oct. 14.

*To George Washington Langley, Esq., firm of Langley, Sauterlee, Blackwell & Co., 379 Broadway, New York:*

DEAR SIR: When Horatio Seymour was by acclamation nominated for President of the United States by the Democratic party, it was conceded by all parties that he was a good statesman and sound defender of our Constitution, but since his nomination I have noticed many slanderous remarks in regard to his conduct during the war. Happily, Hon. A. G. Curtin, ex-Governor of Pennsylvania, has expressed himself in a most friendly manner, remarking that the least said against Seymour's conduct during the rebellion the best for the Republican party, as he would acquit him of such abuse.

Now as to F. P. Blair, I have observed in several Republican papers statements that he has no claim whatever upon the Democratic party, and to this end I would say why not? Was it because he fought in the army and for the restoration of the Union? He was nominated at Tammany Hall with shouts of applause, just after proclaiming that we must have a President untrammelled by an unconstitutional, oppressive and arbitrary Congress. Since the close of the rebellion I have carefully noticed the expression of Southern journals, politicians and merchants, and find that all are desirous of living in harmony, and expect that the election of Seymour and Blair will be the means of encouragement and the extension of the right hand of fellowship, thereby evidencing a complete vindication of the object of the war and of the Constitution, and restoring the rights of an impoverished and oppressed portion of the country.

Before concluding, I will address myself to the young and enterprising merchants and laboring classes. In the various city papers of recent date, I have noticed a correspondence between Judge E. Pierrepont and A. T. Stewart, the substance of which was that they both desired the election of U. S. Grant for President, Judge Pierrepont tendering a check for $20,000 for furthering his election. Now, to the sensible reader and to the young merchant, is not this in itself perfectly explanatory of their interests, and is it not opposed to their development? Do they expect to be benefitted? Is it not for purely mercenary motives? The contest presents a well-defined issue between the bondholders and the enterprising and laboring classes, and resolves itself into an oppression. Greenbacks for one and gold for the other. In this correspondence I would not wish to assert anything against the payment of the debt, but the interest is exorbitant—it cannot be paid, excepting in the same currency as purchased, and when this is once done capital seeks other investments of a more lucrative character, thereby producing a revenue, and gradually approaching a gold basis. In conclusion, permit me to tender my check for $40,000, to be used in such a manner as you may think most advisable for the furtherance of my views.

True to our friends and kind to the weak, is the Democratic doctrine advocated by

Truly yours,

H. T. HELMBOLD.

REPLY.

*H. T. Helmbold, Esq., 594 Broadway:*

Your letter of 14th inst. received, containing check for $40,000. This amount I shall use in the most appropriate manner. I perused the contents of your letter with the utmost gratification. The question is presented to the people whether they will aid in electing as chief magistrate a man who is trampling the Constitution under his feet, and electing upon its ruins a government controlled by a bondholding aristocracy, whose motto is gold for the rich and rags for the poor, with prostration in every branch of industry, and the business of the whole country, or from whose intelligent administration we can have one Union, one country, our destiny.

Sincerely yours,

GEORGE WASHINGTON LANGLEY.

THE Democratic meeting at Sinking Springs will take place on Saturday evening, October 24th, and not Friday evening, as we announced by mistake yesterday. We hope the Democracy of the adjoining townships will turn out in force, and give their gallant brethren of Sinking Spring every encouragement. Sinking Spring gives a Democratic gain of 23 this time.

JAY COOKE, the speculator in government bonds, who has made several millions of dollars by handling the money of the taxpayers, gave $1,000 to assist in getting up a single Republican meeting in Montgomery county! Another wealthy Radical, living near Jay Cooke (at Jenkintown, Montgomery county) also gave $1,000 for the same purpose. This money came from the pockets of the workingmen and plowholders. The Radical aristocrats can well afford to support Grant and Colfax, but the question is, can the people afford to support the aristocrats?

THE Radicals are making tremendous efforts to cheat Dr. Reading, of the Fifth District, out of his seat in Congress. The majority for his opponent, Taylor, in the Twenty-second Ward (which, with Bucks county, forms the Fifth District) was 500, and it was so announced by the Radicals themselves. As soon as they heard that *Bucks county* had given 800 Democratic majority, they declared that Taylor's majority in the Twenty-second Ward was 914! It is hardly likely that the Democracy of the Fifth District will submit to this outrageous fraud. They should resist every attempt to defraud them of their rightful representation in Congress.

There is said to be a great falling off in the vote of Schuylkill, on account of the stoppage of the mines last winter and spring, and the consequent emigration of the miners to other coal regions.

Benn and Anderson, who are imprisoned in Windsor, Canada, awaiting the result of a second trial for extradition, endeavored to break jail yesterday by getting through the floor, but were frustrated. A RADICAL colonizer was arrested in the Sixth Ward on Tuesday, who had voted at three places before his arrest. ### OHIO.

**How the Radicals Carried the State.**

CLEVELAND, Oct. 15.—Ohio has been carried by the Radicals through the most unblushing fraud. Eight thousand negroes voted, and Ashtabula and Lake counties were overrun with Western New Yorkers. Eggleston, Cooper, Gibson, and Ashley, all Radicals, are defeated.

### ANOTHER OUTRAGE.

**Covode Cheated Into Office.**

GREENSBURG, October 15th.—By careful manipulation of the returns John Covode's vote has been declared in this district (the Twenty-first) to show a majority of 20. The outrage causes intense indignation among the Democracy here. His opponent, Foster, is actually elected by 300 majority.

### FROM INDIANA.

**Probable Election of Hendricks—Gain in the Congressional Delegation.**

ST. LOUIS, Oct. 15.—Dispatches from J.J. Bingham, Secretary of the Indiana Democratic State Central Committee, have been received as follows: "The election is undoubtedly close, but we have little doubt that we have elected Hendricks. The Radicals claim the State, but are unable to name any majority. I have every reason to believe that the State is safe. Large Democratic gains in many counties are reported. Neblick, in the First District, Kerr, in the Second, Holman, in the Third, and Voorhees, in the Sixth, are positively elected. This is a gain of one over our last previous advices, and the figures insure the State by about 1,500 majority."

—A young man, pastor of a Baptist church in Kenosha, Wisconsin, could not find any one in town who dared to perform the necessary task of painting his church spire. Accordingly he raised a ladder to the top of the spire, tied a rope round it and round his body, then boldly swung off and painted the spire himself.

HOOFLAND'S GERMAN BITTERS,

AND

Hoofland's German Tonic,

*The Great Remedies for all Diseases of the Liver, Stomach, or Digestive Organs.*

Hoofland's German Bitters

Is composed of the purest vegetable (or as they are medicinally termed Extracts) of Roots, Herbs, and Barks, making a preparation highly concentrated and entirely free from alcoholic admixture of any kind.

HOOFLAND'S GERMAN TONIC

Is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant and agreeable tonics ever offered to the public.

Those preferring a Medicine free from Alcoholic admixtures will use

HOOFLAND'S GERMAN BITTERS.

Those who have no objection to the combination of the Bitters, as stated, will use

HOOFLAND'S GERMAN TONIC

They are both equally good, and contain the same medicinal virtues, the choice between them being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, as an sympathising organ, does the same. The Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

Consumption, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and Great Depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries, possesses true merit, is skillfully compounded, is free from injurious ingredients, and established for itself a reputation for the cure of diseases. In this connection we would submit those well-known remedies—

HOOFLAND'S GERMAN BITTERS

AND

HOOFLAND'S GERMAN TONIC

PREPARED BY DR. C. M. JACKSON, Philadelphia, Pa.

Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhœa, Disease of the Kidneys, and all Diseases arising from a Disordered Liver, Stomach or Intestines.

DEBILITY.

Resulting from any Cause whatever; Prostration of the System, Induced by Severe Labor, Hardships, Exposure, Fevers, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests properly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir that will instil new life into their veins, restore to a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.

It is a well established fact that fully one-half the female portion of our population are seldom in the enjoyment of good health, or to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK AND DELICATE CHILDREN

Are made strong by the use of either of the remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but recently, since the publication of but few, the most of which are observed, are kept secret, and of course the public can not be believed.

TESTIMONIALS.

Hon. George W. Woodward,

Chief Justice of the Supreme Court, writes

PHILADELPHIA, March 16, 1867.

"I find Hoofland's German Bitters is a good tonic useful in diseases of the digestive organs, and a great benefit in cases of debility, and want of nervous action in the system.

Yours, truly,

GEO. W. WOODWARD.

Hon. James Thompson,

Judge of the Supreme Court of Pennsylvania

PHILADELPHIA, April 29, 1868.

"I consider Hoofland's German Bitters a valuable medicine in case of attacks of indigestion or dyspepsia. I can certify this from my experience of it.

Yours, with respect,

JAMES THOMPSON."

From Rev. E. D. Yendall,

Assistant Editor Christian Chronicle, Philadelphia

I have derived decided benefit from the use of *Hoofland's German Bitters*, and feel it my privilege to recommend them as a most reliable tonic, to all who are suffering from general debility, or from diseases arising from derangement of the liver.

Yours, truly,

E. D. YENDALL.

From Rev. Joseph H. Kennard, D. D.

Pastor of the Tenth Baptist Church, Phila.

DR. JACKSON—DEAR SIR—I have been frequently requested, privately and publicly, with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the use of Dr. Hoofland's German Bitters, I depart from my usual course, to express my full conviction that *for general debility of the system, and especially for Liver Complaint, it is a safe and reliable preparation.* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,

J. H. KENNARD,
