RECEPTION OF GOV. SEYMOUR.

The following are the arrangements made for the reception of Governor Seymour: The Committee of Reception and Escort, consisting of Hon. William H. Gernand, Hon. Hiester Clymer, Hon. J. Lawrence Getz, Hon. S. E. Ancona, Col. J. D. Davis, Edwin Shalter, Esq., F. B. Laucks, Esq., Jeremiah Hagenman, Esq., William Rosenthal, Esq., Dr. H. M. Nagle, Jesse G. Hawley, Esq., Frederick Lauer, Esq., John Keppleman, Esq., Dr. W. Murray Weidman, Maj. O. P. Muhlenberg, B. L. Jones, Esq., Evan Mishler, Esq., and Alfred Sanderson, Esq., are requested, without further notice, to meet the Chairman of the Democratic Standing Committee at the Upper Depot, in time for the 1.30 P. M. train for Harrisburg to-day, for the purpose of meeting Gov. SEYMOUR and suite, and escorting them to Reading. The train will leave Harrisburg at 4.45, and arrive at Reading at 6.30 P. M.

Every Democrat is expected to turn out and welcome our distinguished guest at the Upper Depot. Let no one stay back. Come with your torches and lanterns. A procession, in which every Democrat will be expected to join without further notice, will be formed, headed by music, to escort Gov. SEYMOUR to the Keystone House. Col. C. B. Rhoads will act as Chief Marshal.

At 7½ o'clock Gov. SEYMOUR will address our citizens from the balcony of the hotel. He will be followed by Hon. Sanford E. Church and others.

At 9 o'clock the dining room of the Keystone House will be thrown open for the purpose of enabling Gov. SEYMOUR to receive the citizens generally of Reading and vicinity. The persons attending the reception will enter the hotel on Sixth street, immediately adjoining the Keystone Opera House, and pass through the main entrance of the hotel on Sixth street, near Penn. Both passages will be kept well cleared for the accommodation of all. The ladies are all cordially invited to be present. Ample preparations have been made for the preservation of order and the enforcement of the above programme.

Should the weather prove too unfavorable for out-door speaking, the Court House will be thrown open, in which event the Bar and seats and space to the right and left of the Judges' Bench will be reserved exclusively for the ladies.

By order of the Standing Committee.

DANIEL ERMENTROUT,
Chairman.

THE Radicals concede a Democratic victory in New York on the 3d of November. Democrats, get out the same vote you polled on the 13th of October, and *you can carry Pennsylvania and Indiana, and elect Seymour and Blair!* The Radicals cannot colonize so extensively this time, and the thousands of disfranchised naturalized citizens will vote in November. One effort more, and victory is ours!

IN case of the election of Gen. Grant, the Radicals intend to disfranchise every foreign born citizen who has not been a resident of this country twenty-one years. Some of their leading newspapers openly acknowledge that such a course is necessary to check the progress of the Democratic party. Adopted citizens, vote accordingly.

GEN. HOWARD, in his report on the Freedmen's Bureau, says he thinks it ought not to be abandoned on January 1, as decided by Congress.—*Philadelphia Ledger.*

Perhaps the fact that Howard is receiving a major general's pay as Chief of the Bureau, has something to do with his anxiety to keep it in operation.

THE Phila. Morning Post, Radical, threatens the removal of President Johnson in case of the election of Gen. Grant. The Radicals preach peace while plotting revolution.

IF you want the good old Democratic times and Democratic gold and silver currency, you must elect the Democratic candidates next Tuesday.

IN Bellefonte, Pa., last week, a Radical procession groaned the Catholic church. Bah for Colfax, the Know Nothing.

TAKE your choice between Seymour and Grant—between the farmer and the soldier—between the plow and the sword.

TO WORKINGMEN.

Messrs. Phelps and Wallace, of the Labor Reform Movement, will address the workingmen of Reading and vicinity on Friday evening, Oct. 30th.

CORRECTION.—We are informed that the address of Hon. Hiester Clymer was delivered at Peekskill, New York, on Tuesday afternoon, and not in New York City, as erroneously stated in the EAGLE yesterday. The train did not arrive in the latter place until 11 p. m., too late for Mr. Clymer to deliver an address there.

THE NEW DEMOCRATIC ORGAN.

BRICK POMEROY'S new morning paper, *The Democrat*, has appeared. It is a large double sheet, conducted in the most able manner, and containing more reading matter, and of a better quality, than any paper in the country. It is, in fact, the organ of the live Democracy of the United States, and we are much mistaken if the corrupt New York *World* does not go down before it like a decayed building before a Western hurricane. The Democracy want an organ that *means* what it *says*, and they have at last had their wish gratified by the publication of *The Democrat*. Success to the fearless Pomeroy and his excellent daily.

WHERE IS THE RADICAL VICTORY?

In 1860 the Radical majorities in Pennsylvania, Ohio and Indiana were as follows:

Pennsylvania,	60,000
Ohio,	44,000
Indiana,	24,000

In 1864 the Radical majorities were:

Pennsylvania,	20,000
Ohio,	60,000
Indiana,	20,000

In 1866 the Radical majorities were:

Pennsylvania,	17,000
Ohio,	45,000
Indiana,	15,000

In 1868 the Radical majorities are:

Pennsylvania, less than	10,000
Ohio, less than	18,000
Indiana, less than	1,000

Where is the Radical victory of 1868?

THE WORKING PEOPLE.—The Waiters' Protective and Benevolent Society of New York numbers over six hundred members, has a fund of $6000 in bank, and during the past five years has expended nearly $12,000 for benevolent purposes. A meeting of the Cigar Manufacturers' Association, in New York city, numbering 80 members, and employing 1200 journeymen, was held recently, and a committee was appointed to meet a committee of the Cigar Makers' Union, to perfect the proposed plan of the formation of a joint committee of both societies, whose decisions shall be binding. In compliance with a suggestion of the Cigar Makers' Union, the Constitution of the Manufacturers' Association has been so amended, that hereafter the Manufacturers' Association shall not reduce the price of labor without previously notifying the Union, while on the other hand the cigar makers agree not to demand a higher rate except through the joint committee. This organization of manufacturers has been brought about by the strike lately made by the employees of two firms, who demanded $2 to $3 per thousand additional for their work. In the conference of a previous joint committee, the committee of the workmen refused to agree to interfere with those strikers named. The manufacturers were desirous that the returning to their work on the part of the employees of the firms alluded to should be a condition of the amicable adjustment of the difficulties. This point, however, was waived until after the consultation of the two committees. It is believed that the existing strikes can be settled amicably, and that all future difficulties can be obviated. In New York, on Monday evening, a joint meeting of the Women's Typographical Union and the Sewing Machine Operators' Union was held, and the two societies were consolidated, under the name of the Working Women's Association, with Susan B. Anthony as President. The monthly dues were fixed at ten cents.

HOUSEHOLD WORDS,

It is well-known that we make up nothing but what is good, that our large business has been built up by always having the handsomest styles and the best fitting garments; and this, coupled with moderate prices, has been, and is still, the secret why so many people buy at our establishment. We sell only what we can recommend and each customer, therefore, has the satisfaction of knowing he can depend on the article he buys.

We are enabled to buy cheap, and therefore, sell cheap. Call and see
