HOOFLAND'S GERMAN BITTERS, AND Hoofland's German Tonic.

The Great Remedies for all Diseases of the Liver, Stomach, or Digestive Organs.

Hoofland's German Bitters. Is composed of the purest juices (or as they are medically termed Extracts) of Roots, Herbs, and Barks, making a preparation of a most highly concentrated and entirely free from alcoholic admixture of any kind.

HOOFLAND'S GERMAN TONIC. A combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Iron, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

Those who have no objection to the combination of the Bitters, as stated, will use HOOFLAND'S GERMAN BITTERS.

Those who are equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, &c., is very apt to have its functions deranged. The Arteries, sympathizing as closely as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

Consumption, Flatulency, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for food, Fullness or Weight in the Stomach, Sour Eructations, Sick Headache, &c.

HOOFLAND'S GERMAN BITTERS. The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he has assured from his investigations and inquiries to be a true merit, is skillfully compounded, free from injurious ingredients, and established for itself a reputation for its efficacy in this connection we would submit those well known remedies—

HOOFLAND'S GERMAN BITTERS AND HOOFLAND'S GERMAN TONIC.

PREPARED BY DR. C. M. JACKSON, Philadelphia, Pa. Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity by a greater extent than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Headache, Chronic Diarrhea, Dropsy, Disease of the Kidneys, and all Diseases arising from a Disordered Liver, Stomach or Intestines.

Resulting from any Cause whatever; Prostration of the System, Induced by severe Labor, Hardships, Exposure, Fevers, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests properly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE. And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find it hard to use the BITTERS, or any other medicine that will instill new life into their veins, restore to them the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE. It is a well established fact that fully one-half of the female portion of our population are without the enjoyment of good health, or, to use their own expression, never "feel well." They are loaded, devoid of all energy, extremely nervous and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK AND DELICATE CHILDREN. Are made strong by the use of either of these remedies. They will cure every case of MARASMS, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but few. Those, it will be observed, are men of note, and of such standing that they must be believed.

TESTIMONIALS. Hon. George W. Woodward, Chief Justice of the Supreme Court, writes:

"I find Hoofland's German Bitters a good tonic; useful in cases of debility, nervousness, or of general prostration of the system, and of nervous action in the system."

Hon. James Thompson, Judge of the Supreme Court of Pennsylvania, writes:

"Consider Hoofland's German Bitters a valuable medicine in cases of indigestion or dyspepsia. I can certify that from my experience of it I am, yours, truly, JAMES THOMPSON."

From Rev. E. D. Fendall, Assistant Editor Christian Chronicle, Philadelphia. I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility, or from diseases arising from derangement of the Liver.

From Rev. Joseph H. Konrad, D. D., Pastor of the Tenth Baptist Church, Phila. Dr. Jackson—Dear Sir:—I have frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the use of Dr. Hoofland's German Bitters, I don't regret to do so, as my usual course, to express my full conviction that a general debility of the system, and especially for Liver Complaint, is a safe and valuable preparation. In some cases it may fail; but usually, I don't doubt, it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully, J. H. KENNARD, Eighth, below Coates St.
