

HEADING, PA., NOVEMBER $19,1868$. ". "mpatitial mpprabab:" Nearly all the loading Radical journals aip coming out in farair of what they call
"impartial pufrager." Their rendition of the term, however, makes it really mean partial aufrage. They propose to disfran sulfrage to the white men of the Bouther siates; and it is now hinted'that the basis of naturalization of foreignors is to lo chang. ed, so that twenty one years' residenco will safrade:
The great question of female suffrage leading Radicalq: In fact, they seem to ig. nore it altogether. This will not do for tho present piping times of progress, The ques.
tion of female anffrage must toe met and dis. posed of.
No sensiblo, unprejudiced man will deny What the educated whito vomen of America frage than the ignopant negroes of the South. The whito women are certainly better judge tho, Southern negroes. They aro more likely Whow Hen is forthe good of the nalion. bo heard? Who would not iooner truit the dostinies of our republic in their bands thain in those of the mass of time-serving politicians of the present day
Let the dominant party, then,give the woman at least an equal chanice with the negro. forco negro equality upon us by Conigres sional enaotment, what is your opinion of female suffrage? Your party has the power to catablish it; will you do it?. Or are your designing leaders afraid to put the balance of power in the hands of the ${ }^{n}$ noble white
women of our country? $"$ Is or moro intelligent, than your own inothera wives, and aistora? Such aoepis to be your oplyion, from your actions. Whint is your very soon.
The U. S, Senntorshlp coutinues, to be e groat Wono of contention amongat Pounsy.
vania Radicall, and the tricke and devices made use of to circimyent ench other ore really amasing to outaldera. It is Bugpiected that Governor Geary is the fistorite of Hon Simon Cameron for tho position, and the protency of Bimon's greenbacks to nccom plish any important object ha may have in viow is well known. Hence, therro has boen arreat deal of noiso made hy those who yish'to get Geary, out of the way, in regare Curtin faction are especinlly yealous in ad vocating tho claims of tho porket-paridon Governor, and praise him loully for quati
ties whicl no no der an iden that the hope of ho peosegseded,un for Governor will keep him out of the was - Cenry whoso perception are no enator than they ought to be, may bo decoived by Winnelongo clief, Sinyon Camerou, will soon unshenth his senlying kuife, and woe to the small fry politician who attempts fo disput

The intmocracy would as soon defent Geary for doberuor ns any other. cmudidnte but until Sipmon Camerou las oxpressed his opinion in regard to tha choico of a United States Senator, it is useless for his numerous
enemies in his own party to namin any candi enemies in his, own party to namin any cand
dato for oither that position or iliat of Cov ernor of Poungylvania. Cameron intenda to culo, and the Caritin faction miny ns wel make up their mindst to anlomitit.
odi firic meifatipment. population can boast of a finer-looking a more eflicient-body of fremen than the city of lloading.--During tho parado on Satur. day, the completeness and excellent condi tolligent appearance of the manly and in Eolligest, was a a sububject of general remen them The citizens of Rediding have reason to prond of their fro dopariment, which should be aided and enicouramed in every possible way. In case of largo ira it would be in valuable.
Tur conteated oloction cates in philadel phia were called up on Saturday, when wo tions rere made to quash the pipitions aud fixed Friday next for the argainedint on these motions.
The Demiocthía ask only a fair and impar tiat trial, in which case they are confident on ALe positiona to which they wers elecited. Subsoning for tho ELant,
