

CITY AND COUNTY.

NOTICE TO ADVERTISERS.  
Advertisements intended for insertion in the WEEKLY GAZETTE AND DEMOCRAT must be handed in before 12 o'clock on Friday, otherwise they will be too late for insertion. This rule will be strictly adhered to.

Mr. Gross, of Lehigh county, is now engaged in canvassing this county in the interest of the Lehigh County Bible Society.

A CHIEF was picked up in front of Miller's hotel on Saturday night. The owner got it by making application at the hat of said hotel.

FLAN DUFFO, Esq., of Amity township, has received an order of \$1700 for a cold stored "old Irish" — a stallion formerly in his possession.

OLE-BUIGER, the famous violinist, was among the passengers on the American, recently destroyed by fire on the coast. He was only saved by his violin and the clothes on his back.

PREPARING TO RECEIVE THEM.—The Board of Fire Commissioners of Washington, D. C., met recently, and a resolution was passed that the Chief Engineer of the Department to prepare quarters for the firemen of other cities who propose to visit that city on the 4th of March next. The Washington loss of that city, intends to participate in the inauguration.

ROBBERY.—On Saturday night or early on Sunday morning, thieves entered the tobacco store of N. Wanner, 1255 Penn street, and stole tobacco, cigars, pipes, and other articles amounting to about \$100. The thieves entered by peering over the shutters in the back part of the building. They would have no doubt carried a greater number of goods away, had it not been that they were detected.

SESSION TO FRANKLIN.—On Sunday morning Dr. Pattison delivered a sermon to the Liberty Fire Company, No. 5, 15th St. Peter's M. E. Church, South Fifth street, from the text "Be ye also ready." 24th chapter of Matthew's Gospel, part of the 14th verse. It was an excellent sermon, and was well received, and was attentively listened to by a large congregation. Dr. Pattison is one of our most gifted pulpits orators, and is rapidly becoming a favorite with our citizens generally.

JURISDICTION.—On Saturday night, Messrs. Metowan & Millhouse's hardware store, No. 412 Penn street, was broken into. The burglars effected an entrance by breaking the hinges of the outer door and entering by the back door. They stole various articles, including tools, and other goods, and fled with the same to the city of Philadelphia.

RAILROAD FROM SCHUYLKILL RIVER.—Railroad Meeting.—There is a meeting called to be held at Chester Springs on Saturday, December 12, to consider and talk about a railroad, via Lehigh, to Schuylkill County, Pa., and to determine whether it shall be built by the present corporation of the road.

A BAD PRACTICE.—In walking along our back streets we are frequently annoyed by boys, who, for the sake of a few cents, throw water on our pavements during cold weather. This is not only a nuisance, but is dangerous to pedestrians. We hope hereafter, persons will pour no water on our streets.

THE CITY COUNCIL AND THE POOR OF READING.—The poor will thank Mr. Matzberger for the resolution he offered appropriating \$500 each to the poor of Lehigh and Berks counties. It is believed that the sum has been approved, and that the City Council will pass a law to that effect.

ACTRESS.—On Thursday night Miss Mrs. Jackson, who is in the employ of Mr. James Davinger, restaurant keeper, North Fifth street, entered the head of the cellar, and she slipped and fell down the stairs. She had a bottle in her hand at the time, which struck her in the head, cutting her over the temple and severing one of her arteries. She was taken up in an ambulance and her wounds were dressed by a skillful physician, and she is now doing as well as could be expected.

REV. J. V. ARMBURGH, District Secretary of the American Missionary Union, occupied the pulpit of the Baptist Church yesterday morning and evening. He delivered a very interesting and impressive sermon in behalf of Missions, and gave a very interesting account of the progress of the work in India, China, and China accompanied with explanations of a Missionary Map, giving the names of the stations accomplished by them from the beginning of their labors up to the present time.

YOUNG MEN'S READING ROOM.—The general committee on the Young Men's Reading, will meet this evening at 7 o'clock, in the Library Hall. Special notice has been sent to the members of the committee, and they are requested to attend the meeting for the purpose of attending to the business of the committee, and to attend to the business of the committee.

THE HEAT of everything in the eating and drinking line, at DAVENPORTS, No. 1015 North street. Meals furnished at all hours.

EDITOR OF THE EAGLE:—Sir, In common with many of my fellow-citizens who deplore the frequent robberies which take place in our city, permit me to suggest in your valuable columns, the story of Mr. Samuel Warner, Tobaccoist, was entered from the rear of his premises, and I venture to assert, that the results of this robbery, by so many of our citizens, who are prompt in their denunciations, would be a more salutary lesson, than any other of the kind. I have seen the same man, in a more or less of a disreputable condition, in the same city, and I have seen the same man, in a more or less of a disreputable condition, in the same city, and I have seen the same man, in a more or less of a disreputable condition, in the same city.

A LOOKER ON.  
Rev. J. F. Ely treated his large congregation to an excellent sermon last night. It was one of his best, and it was well received. He spoke of the duties of the church, and of the duties of the members of the church. He spoke of the duties of the church, and of the duties of the members of the church. He spoke of the duties of the church, and of the duties of the members of the church.

CHANDLER'S OFFICE.—On account of numerous complaints which have reached us in relation to the small type in which our "local items" appear, we have had the printer of our paper enlarged and re-plated in that department, and we hope the change will give general satisfaction.

SKATING.—This sport has begun and the whole juvenile world is in a flutter. There was good skating yesterday on the Union canal and some parts of the Schuylkill, and the ice was thronged. On Saturday afternoon the ice of the city turned out almost everywhere, and the people were out in great numbers, enjoying the pleasure of skating.

PORTWORTH.—We paid a flying visit to this place on Saturday last. We called at the office of the Berks and Montgomery Telegraph, and found Mr. Davis, one of the editors and proprietors of the paper. We were very much interested in the paper, and we were very much interested in the paper.
