A few days ago, Mr. Johnson, has come to the attention of the world as one of the most successful men in the building business in the country. He will build a house, or a mill, or a factory, or anything else, with a house, or a mill, or a factory, or anything else, when it is completed, to furnish it with necessary provisions, and to supply the wants of the water.

He is a man of great ability.

On Tuesday morning Mr. Hawklock,

of the Western Maryland Railroad, at New Windsor, was awakened by a person who told him he wanted a house for Belvoir.

Mr. H. opened the door, and while striking a

light, was struck on the head by a billy in the hands of a negro, and rendered insensible, and his pocket book rifled of about \$30.

Velocipedes are gathering in favor daily in France. The latest generation was a series of wags at Bordeaux. Five girls contended for the prize. Two of them were clothed as pages, one in the fancy dress of a musquetaire, and a fourth in a red costume, very inconvenient for this kind of exercise, but she bore away the prizes.

Mrs. Shattuck brought suit against the town of Clinton, Wisconsin, for the loss of her leg by a bad highway. She got \$4,000 for the member, and the suit was appealed. Now it has been tried again, and the spectre drama, having raised the price of the female lower limb in the meantime, she has recovered \$6,000.

On Tuesday afternoon as Mr. Shumway, agent of the American & Merchant's Union Express Co., in the town of Chicopee, Mass., was proceeding with his bag to meet the train, he saw two men who threw red pepper in his eyes, pulled the bag and escaped—the amount of today's losses was about \$400.

In Cheaha county, Tenn., last week, a young man shot the dead body of a lady, whom he was supposed to be married, from its coffin and carried it on horse-back four miles into the woods, where he hid it in a cave. He was laboring under a temporary aberration of mind.

A Spanish lady named Rosa A. Scouf was the victim of a bold robbery on the 10th of November. A mulatto by the name of Jose, (the only name he is known by) is the alleged thief. The robbery occurred in Havana, and about \$1000 was taken.

The battle-ground of Spotsylvania is now overgrown with rough underbrush and scrub pine, which is fast covering the marks of war. The long succession of earthworks from which Grant's army forced Gen. Lee, hardly 300 feet apart, are nearly obliterated.

In an alteration on Friday, in Greenville, Pitt County, N. C., between two rival candidates for constabulary, named Denis and Hoot, the latter drew his knife, when the former pulled out a pistol, and fired, instantly killing Hoot.

One farmer in Michigan, finding that his sheep were disappearing mysteriously recently, placed a wolf trap in the field. A few days afterward he found it sprung, and now one of his sheep is lame up with a sprained ankle.

The wife of a poor cab driver in London has given birth to three children under the following circumstances: One was born on the 6th, another on the 8th, and a third on the 8th. The woman is progressing favorably.

—There is a town in Ohio where the people have lived so long off pork that they are beginning to contract some of its habits: When a passenger dies, they lay him out as they do a hog, with a corn-cob in his mouth.

On Christmas evening, at Monterey, Michigan, a white farmer named Leibenberg, poisoned his wife with strichnine. She was slowly dying at the time from a cancer in her breast. Her son, and has not been arrested.

An unknown man bought a new suit of clothes, a hat, high hat, and put on a pair of kid gloves, and a raw rope to hang himself in, to the rear of a barn nine miles east of St. Paul last Sunday.

A piece of cloth hanging in a window of a dry goods store in Meriden, Conn., was set on fire by the heat of the sun passing through a globe of colored water a day or two ago. Little damage was done.

Gas Holmes, a mulatto, was hung at Tabor, N. C., on New Year's day, for the murder of Matthew King. He confessed the crime, and a number of slaves of which he had been guilty.

A young married woman in Clarendon, South Carolina, recently married a cowhide upon a "blue young man," who had been boasting of certain tender feelings toward her by the lady.

A church tower near Cologne was recently blown down during service. Many persons were buried under the ruins, and 10 dead bodies have been taken out.

—Mrs. Kelly and Zaynor, of Indiana county, spent a week in the W. M. F. Club, and succeeded in killing the deer deer, a species of antelope.

Lewis Davis was sentenced at Cleveland, Ohio, last week, to be hanged on February 1st, for the murder of Dr. P. Skinner, of Independence, only yesterday after a trial of 10 hours and 45 minutes.

The reconstructed Legislature of South Carolina, it is stated, is costing the State eight or ten times more than the old Legislature.

—A church tower near Cologne was recently blown down during service. Many persons were buried under the ruins, and 10 dead bodies have been taken out.

Gen. Craig, who called Butler a scoundrel, has a dirty dog, stepson, in Washington, awaiting the promised trial from Dr. D.

Chicago married 600 couples the past year and divided \$41. Ten per cent is a very high rate.

Two young Kentuckians got into difficulty in Chicago, Mr. Christian and killed himself, but the others did not die. They were not in debt, but the others were.

A three million Catholic cathedral is being built in Canton, China, and another in Peiping, has cost more than \$3,000,000. It is to be completed in 1890, and is to be the largest in the world.

—Paul de Gassier, editor of the Paris *Press*, has bought more than 100 shares of stock in the Northern and Central Railroads. It was only 10 degrees below zero on Sunday last in the northern part of Maine.

A hunting dog disturbed Kennedy's dreams. He was awakened by the noise of a gun.

A two-tailed dog is Harrisburg's delight.

WISCONSIN
MACHINERY, TOOLS, ETC.

For doing a family's washing, a woman has invented a machine which will wash 100 pounds of laundry in 10 minutes.

—A man who has a large collection of books, and who is fond of reading, has invented a machine which will read 1000 books in 10 minutes.

—A man who has a large collection of books, and who is fond of reading, has invented a machine which will read 1000 books in 10 minutes.

—A man who has a large collection of books, and who is fond of reading, has invented a machine which will read 1000 books in 10 minutes.
