REMOVAL.

The office of the DAILY EAGLE was removed to-day to No. 542 Penn street, Schmucker House Building, opposite the Keystone House. Our readers will excuse us for the small amount of reading matter in our columns to-day, on account of the trouble and work of removing.

NATIONAL BANKS.

On account of the removal of the EAGLE office to-day, our article on National Banks is crowded out. It will appear on Monday.

GEN. GRANT has written a letter to the general committee for the management of the inauguration ceremonies, requesting that the proposed Inauguration Ball be dispensed with. Sensible request.

VERY DISINTERESTED.

The Harrisburg *State Guard*, of which Wien Forney is one of the editors and proprietors, gives Grant the following sly hint to select the immaculate John W. Forney as one of his Cabinet. It says:

"Grant wants at least one practical journalist in his Cabinet—a man who knows the newspapers, and can help his administration over many a rough place, by knowing how to present a case to the press men. The popular idea that statesmen are only found among lawyers, is a grave mistake. England's greatest statesmen were practical men, producers in the industrial pursuits. With the people of the United States, the most practical in the world, there must be more practical statesmanship; the statesmanship of men who are daily compelled to think for the interests of communities. Who does this more than the journalist?"

An excellent piece of disinterested advice—isn't it? But suppose Grant should act upon it by selecting one of the New York journalists, Greeley, for instance. What then? Perhaps Forney No. 2 will wish he had not proffered his unsolicited advice.

SAD OCCURRENCE.—On Thursday morning last, about 1 o'clock, a fire broke out in a tenement house at the corner of North Fourth and Third streets, Williamsburgh, the lower floor occupied by a man named J. G. Eden, and the upper part by several families.

On the front room of the third floor a man named Fred. Thorn lived with his wife and five children. He hastily lifted his wife and carried her to the street; then ran up again through the smoke and came back with two of the children, leaving three children still in the room. After leaving the children in the street, the father again rushed through the flames and smoke to save the remainder of his family, but before he had gone half way up he was prostrated by the smoke and was unable to proceed. A few minutes afterwards, when the flames had been subdued, his insensible body was found, and on going up stairs it was found that all the three children had perished. Two of these children were twins, a boy and girl, each six years old, and the other was a girl four years old.

Eden, the proprietor, has been arrested on the charge of setting the building on fire.

By the wreck of the steamer Gulf City, twenty-one sailors and one passenger were lost. Eight persons took to a raft; five of them perished of cold and hunger, and the remaining three, picked up 48 hours afterwards, were the only survivors of the ill-fated vessel.

More Military Outrages in Arkansas.

All accounts from Crittenden County, Arkansas, says the Memphis *Avalanche* of the 17th instant, are of similar import and confirm the worst that has been told concerning the conduct of the militia toward the citizens. The negro militia are roving over the country in strong armed squads, taking every thing they fancy and destroying much that they can not carry. A reign of terror prevails which is difficult to be understood abroad. The worst days of the war have returned upon the people. All business is suspended, and the people are afraid to complain or attempt to escape. Day before yesterday a gang of the militia went to the house of Mr. Jack Ware, an original and consistent Union man, and sacked his premises of every thing valuable. He was well-to-do in the world, but the work of nearly a life-time was swept away before his eyes in an hour. Many other citizens in the neighborhood were treated in the same manner. On the same day a party of the negro militia attempted to outrage the persons of four highly respectable white ladies—Mrs. Jeff. Reeves, Miss Swepston, daughter of the newly elected Radical county clerk, and two others, names unknown. By some means they were foiled in their damnable attempts, and several of them were arrested. The officers threatened to make examples of them, but so far all examples have been on the other side.

Last Thursday night we learn the five citizens who have been held as "hostages" were hung up by General Upham until life was nearly extinct, to try to force them to disclose facts supposed to be in their possession. Nothing, however, was elicited, as the victims of this torture probably know nothing to tell. When cut down, it was found that they were nearly dead, and one of the number was restored to life with great difficulty. Friday night, three of these citizens were spirited away, and have not since been heard from. Their fate is unknown, but no one knowing the reckless character of the militia would be surprised to hear that the gentlemen so long incarcerated and tortured without cause, except mere barbarism, had been murdered in the woods. The others are yet in jail at Marion, and have but glimmering hopes of liberation, or even life.

We are satisfied that the tenth part of the many outrages committed daily by the militia in Arkansas has never been published, and probably never will be. The means of violence and oppression are abundant, but the complaints of the wronged people travel on tardy wings. It was reported yesterday that the negro militia had nearly all left the neighborhood of Marion, for Mississippi County, above, where they will, of course, re-enact the fearful scenes of plunder, and ruin, and personal injury, perpetrated in other portions of the unfortunate State.

A Rotten Borough State.

The official vote of that tract of Mining country known as the State of Nevada, located up in the Rocky mountains, has at last been received. To show of how small material our Radical Congress can manufacture a State, we give it below:

Counties.	Seymour.	Grant.
Churchill,	75	75
Douglas,	118	256
Esmeralda,	198	267
Humboldt,	286	313
Lyon,	348	488
Lander,	995	1000
Lincoln,	56	60
Nye,	358	358
Ormsby,	420	500
Storey,	1789	2319
Washoe,	635	859
Total,	5218	6480
Majority for Grant,		1262

Subjoined is the vote for representative in Congress:

Thomas Fitch, (Rep.)	6230
W. F. Anderson, (Dem.)	5349
Majority for Fitch,	881

The total vote of this little rotten borough State is only 11,500. Yet it has two United State Senators, and balances in that body the weight of the great State of New York, which gave at the last election 850,000 votes! Nevada polls less votes, in fact, than a half dozen wards in this city combined—less than single wards in New York city.

It is by introducing representatives from such bogus States that the Republicans have preserved their two-thirds majority in the United States Senate!—*Cincinnati Inquirer.*

THE WORKING PEOPLE.—The shoemakers of Baltimore recently held a mass meeting, to take into consideration a proposition made by an extensive shoe manufacturing establishment of that city, to abolish what is technically known as the "team system," and employ the men individually. This plan, it was alleged, would in effect reduce the wages of the men and throw some out of employment. A committee was appointed to confer with the principal of the establishment, and inform him that the men could not accept his proposition, and if not allowed to work on the old system and at the old rates, they would not resume work. The committee, on their return to the meeting, reported that the principal of the establishment declared himself quite satisfied with his men, and expressed a desire that they should return to work on the old system and at the old rates. The men resolved to return to their work in a body, and accordingly formed in line of procession, marching up the main street and branching off at their respective shops. The result of this meeting, it is believed, indicates the good policy of a resort to frank negotiation in connection with difficulties between employers and employees, and that, where reasons and moderation prevail, an amicable settlement may generally be reached.

From Central and South America.

NEW YORK, Jan. 22.—The steamship Arizona brings Panama dates to January 18th, and $532,410 in specie. John Smith, *alias* H. V. Clinton, and three other prisoners, one a murderer, escaped from the Panama jail and succeeded in getting out of the country.

A child of U. S. Paymaster Spalding died on the 9th inst., and on the 12th inst. Mrs. Spalding died. They had been in the country but five weeks.

MRS. CAMILLA TWITCHELL, who was on trial for complicity in the murder of her mother, Mrs. Hill, in Philadelphia, was acquitted yesterday, and released. She showed her face for the first time to the public by removing her veil. She was very pale and haggard.

From Paraguay.

NEW YORK, Jan. 22.—The steamship South America brings Rio Janeiro advices to Dec. 23d.

The *Times* says, on December 5th, the Marquis Caxias performed a flank movement, by which he threw a force of 20,000 of the allied armies above Villeta. A battle near Angostura ensued, which resulted in driving the Paraguayans out of their works defending that place, and their losing many prisoners. The allies suffered severely. The operations were immediately continued and an attack on Villeta was made on the 6th when the Paraguayans were again routed, and only 200 escaped. The allies occupied Villeta, and their fleet was reported on its way to Asc[u]nsion.

PENNSYLVANIA LEGISLATURE.

HARRISBURG, Jan. 22.—There was no quorum in the Senate, and no business was done. Adjourned until to-morrow (Saturday.)

In the House, a number of bills were presented.

Petitions from Bucks, Franklin and York counties for a change in the militia law, were presented.

Mr. Hunter offered a resolution to cease the publication of public documents, and dispense with pasters and folders. Discussed, but not acted upon.

Adjourned to Tuesday.

KENTUCKY, it is said, has never lost a cent by the defalcation of any State official during her entire existence as a State. Kentucky is a good Democratic State. Had she been under Radical rule for the last few years, she would not be able to make this boast of official honesty.

HOOFLAND'S
GERMAN BITTERS.
AND
HOOFLAND'S GERMAN TONIC.

The Great Remedies for all Diseases of the

LIVER, STOMACH, OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or, as they are medicinally termed, *Extracts*) of Roots Herbs, and Barks, making a preparation, highly concentrated, and entirely *free from alcoholic admixture of any kind.*

HOOFLAND'S GERMAN TONIC,

Is a combination of all the ingredients of the Bitters, with the purest quality of *Santa Cruz Rum*, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture, will use

HOOFLAND'S GERMAN BITTERS.

Those who have no objection to the combination of the Bitters, as stated, will use

HOOFLAND'S GERMAN TONIC.

They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as closely as it does with the Stomach, often becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

Constipation, Flatulence, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries possesses true merit, is skillfully compounded, is free from injurious ingredients, and has established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—

HOOFLAND'S GERMAN BITTERS
AND
HOOFLAND'S GERMAN TONIC.

PREPARED BY *Dr. C. M. JACKSON,*
PHILADELPHIA, PA.

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhœa, Disease of the Kidneys, and all Diseases arising from a Disordered Liver, Stomach or Intestines

DEBILITY,

Resulting from any Cause whatever; PROSTRATION OF THE SYSTEM, induced by Severe Labor, Hardships, Exposure, Fevers, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.

It is a well-established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health; or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK AND DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. These, it will be observed, are men of note and of such standing that they must be believed.

TESTIMONIALS.

Hon. Geo. W. Woodward,
Chief Justice of the Supreme Court of Pa.,
PHILADELPHIA, March 15, 1867.

"I find 'Hoofland's German Bitters' a *valuable medicine* in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,
JAMES THOMPSON."

From Rev. Joseph H. Kennard, D. D.,
Pastor of the Tenth Baptist Church, Philadelphia.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,
J. H. KENNARD,
Eighth, below Coates Street

From Rev. E. D. Fendall,
Assistant Editor Christian Chronicle, Philadelphia

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver.

Yours, truly,
E. D. FENDALL.
