—About ten o'clock on Saturday morning an audacious thief walked into the Park Bank, corner of Fulton street and Broadway, New York, and, dashing a kind of shield he held in his hand through the glass panel protecting the counter, seized a package containing $4000. He immediately rushed away, and on passing out transferred the package to a confederate in waiting. The first thief succeeded in escaping, but his partner was arrested and the money recovered. The same evening a party of thieves made a daring but unsuccessful attempt, in Fourth street, to rob Mr. and Mrs. Lynch, who keep a jewelry store in Broadway, of a box of valuable laces, and a satchel containing $40,000 worth of diamonds. Mr. and Mrs. Lynch were on their way home, accompanied by a clerk. One of the thieves was arrested.

—A colored man met with an awful death in the neighborhood of New Paris, Ky., a few nights since. A neighbor, a white man, had killed his hogs and left them out at night. The negro undertook to steal one, and was in such a hurry to secure the pork that he forgot to remove the gambrel stick. To reach his home it was necessary to cross a fence. In doing so he placed the hog on the top rail, and it is supposed that it slipped—at any rate the negro's head was caught in the opening of the hind legs, and his neck was broken by the stick. He was found next morning dead, the hog on one side of the fence and he on the other, with his head fast, as described.

—The burning of the forest in Eastern Oregon this season caused the death of many thousand sheep. Hundreds of them in passing over the charred districts had their feet so burned, that the drivers were obliged to shoot them. The bears and wolves feasted on mutton. Deer and elk collected along the mountain streams in surprising numbers, and were at the mercy of panthers, wolves, and hunters. The rains have now extinguished the fire.

—A few days since, a foreigner called at the Post-office in Newburyport for a letter, but did not know English enough to make himself understood; whereupon a friend who was with him said: "He has not learned many words yet; he only knows how to swear."

—Gen. Lee's College, in Virginia, is to have a school of agriculture, one of commerce, one of applied chemistry, and another of mechanical engineering, in addition to the previously existing schools of civil and mining engineering.

—The inhabitants of Peekskill, N. Y., are enjoying a sensation. A wild panther from the woods and two escaped hyenas nightly roam the streets, and evening parties are slimly attended.

—Much popular feeling against the owner of the boiler which recently exploded in Elizabethport, N. J., exists there, and he was arrested on Wednesday, when about to leave town.

—The freight car repair shop at Altoona, Pa., belonging to the Pennsylvania Railway Company, with twenty freight cars, was burnt Thursday night. The fire was caused by an incendiary.

—Hartford had last year only ten fires, and many of them of small account. That shows the advantage of living in a town where every other man is president of an insurance company.

—A great and bloody battle, between Sheeri Ali and Abode Rahman, the rivals for the throne of Affghanistan, is reported to have taken place by the latest despatches from India.

DR. JOHNSTON,

BALTIMORE LOCK HOSPITAL,

OFFICE, NO. 7 SOUTH FREDERICK STREET.

THE ONLY PHYSICIAN ADVERTISING.

Has discovered the most Certain, Speedy and Effectual Remedy in the world for all

DISEASES OF IMPRUDENCE.

Read the Herald! No Trifling! Poisons Dreaded by Ignorant Pretenders, Or that Deadly Poison, Mercury, should apply Immediately.

A CURE WARRANTED OR NO CHARGE, IN FROM ONE TO TWO DAYS.

Gleet, Stricture, Seminal Weakness, Weakness in the Back and Limbs, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Lassitude, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Diseases of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those Terrible Diseases arising from the solitary Habits of Youth—anyone and solitary practices more fatal to their victims than the song of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates, with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

TAKE PARTICULAR NOTICE.

Those are some of the sad melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depressions of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should apply immediately.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS, IMPOTENCY, IMPEDIMENT TO MARRIAGE.

By Dr. Johnston's marvellous treatment, weakness of the organs is speedily cured and full vigor restored. Thousands of the most nervous, debilitated and imputent, who had lost all hopes, have been immediately relieved.

All impediments to Marriage, Physical or Mental Disqualification, Loss of Procreative Power, Nervous Irritability, Trembling and Weakness, or exhaustion of the most fearful kind, speedily cured.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin-bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns."

DR. JOHNSTON,

OFFICE, No. 7 SOUTH FREDERICK STREET, Left-hand side going from Baltimore street, a few doors from the corner. Fail not to observe the name and number.

Letters must be paid and contain a stamp. The Doctor's Diploma hangs in his office.

ENDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," "Clipper," and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.
