ANOTHER DISLOYAL GOVERNOR.

The ultra Radicals are becoming alarmed at the attitude of some of their leading men in regard to the doctrine of State Rights, the mere mention of which, three years ago, was considered the extreme of heresy and treason. Only a few days since, in his annual message, Gov. Geary, of Pennsylvania, openly declared in favor of State Rights, and now the Republican Governor of Illinois (Palmer) in his message to the Legislature, makes use of the following disloyal language:

"The Federal Government is one of enumerated powers. It is essential to the usefulness of the State governments that their just authority should be respected by that of the nation. Already the authority of the States is in a measure paralyzed by a growing conviction that all their powers are in some sense derivative and subordinate, and not original and independent. The State governments are a part of the American system of government. They fill a well defined place, and their just authority must be respected by the Federal Government if it is expected that their laws will be obeyed. A frequent recurrence to the fundamental principles of government is essential to civil liberty, and in this view I have thought it proper to invite your attention to these subjects."

Is it possible that States *have* rights, after all? Or do these "loyal" Governors need "reconstruction?" The matter should be attended to by Congress, without delay. Such disloyalty is shocking!

BANK QUESTIONS!

We desire to know of the *Dispatch*, the organ of the National Banks in this city, how lately the National Banks of this city have *waked up* to the interests of the *dear* people?

We also desire to know which are the best friends of the *dear* people—the private banks, where the people receive interests for their deposits, or the National Banks, where the *dear* people receive nothing for their deposits?

We further desire to know who is the best friend of the *dear* people—the private banks, where their depositors are accommodated, and where borrowers receive interest for their balances, or the National Banks, where depositors receive no interest, and cannot have paper discounted, although these very National Banks receive large sums of money and valuable privileges from the government?

One of the counties in Indiana was forgotten in redistricting that State for Senators last year, and is without representation in that branch. It gives from 500 to 1,000 Democratic majority.—*Phila. Ledger.*

If it had been a county giving 1,000 Radical majority it would not have been forgotten. Such things are sometimes done accidentally on purpose. Wonder if the county was not overlooked in the Decker-for-Governor scheme. Radical candidate for Governor had only about 900 majority.

The Bradley Case.

On Monday a peremptory order was served upon the Supreme Court of the District of Columbia, by order of the Supreme Court of the United States, commanding that Joseph H. Bradley be restored to the Court as attorney and solicitor in all his functions. Next morning Chief Justice Carter obeyed the mandate, rescinded the order debarring Mr. Bradley from practice in the Court, but held that this, under the ruling of the Supreme Court of the United States, did not restore Mr. Bradley to the Criminal Court whence Judge Fisher expelled him. He then announced a rule that no one suspended in one Court of the District shall practice in any of the branches of the Supreme Court of the District, thus practically leaving Mr. Bradley where he was before the United States Supreme Court issued the mandamus.

HOOFLAND'S GERMAN BITTERS

AND

HOOFLAND'S GERMAN TONIC.

PREPARED BY Dr. C. M. JACKSON,
PHILADELPHIA, PA.

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhœa, Disease of the Kidneys, and all Diseases Arising from a Disordered Liver, Stomach or Intestines.

DEBILITY,

Resulting From Any Cause whatever. PROSTRATION OF THE SYSTEM Induced by Severe Labor, Hardships, Exposure, Fevers, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eye, a healthy bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

Or Young persons commencing at school, and reading hard, whose minds are weighing heavily upon them, with all its attendant ills, will find in the use of the BITTERS, the TONIC an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE

It is a well-established fact that fully one-half of the female portion of the population are seldom in the enjoyment of good health or able to use their own exertion, whatever they may feel. They are languid, deficient of all energy, extremely nervous, and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK AND DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have so humbled in the hands of the proprietor, but as we will allow of the publication of but a few. Those, it will be observed, are men of such standing that they must be believed.

TESTIMONIALS.

Hon. Geo. W. Woodward,

Chief Justice of the Supreme Court of Pa.,

PHILADELPHIA, March 16, 1867.

"I find 'Hoofland's German Bitters' is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system.

Yours, truly,
GEO. W. WOODWARD."

Hon. Jonas Thompson,

Judge of the Supreme Court of Pennsylvania.

PHILADELPHIA, April 28, 1868.

"I consider 'Hoofland's German Bitters' a *valuable medicine* in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of its virtues, with respect,

JAMES THOMPSON."

From Rev. Joseph H. Kennard, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but, being fully satisfied with the great value of your Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail, but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,
J. H. KENNARD,
Eighth, below Coates street.

From Rev. E. D. Fendall,

Late Pastor of the Baptist Church, Philadelphia.

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic to all who are suffering from general debility or from diseases arising from derangement of the liver.

Yours, truly,
E. D. FENDALL.
