DR. JOHNSTON,

BALTIMORE LOCK HOSPITAL,

OFFICE, NO. 7 SOUTH FREDERICK STREET.

THE ONLY PHYSICIAN ADVERTISING.

Has discovered that most Certain, Speedy and Effectual Remedy in the world for all

DISEASES OF IMPRUDENCE.

A CURE WARRANTED IN NO CHANGE IN DIET NECESSARY FROM ONE TO TWO DAYS.

Gleet, Stricture, Seminal Weakness, Weakness in the Back and Limbs, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Pimples on the Face, Blotches, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels. These frightful diseases arising from the solitary habits of youth, the terrible and solitary practices there-from to their victims, than the seeds of the Grave to the Manhood of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have expressed themselves in the language of eloquence or have waved the living lyre to listening senates, with the thunders of applause, are hereby cautioned to consult the Doctor immediately.

TAKE PARTICULAR NOTICE.

There are some of the sad melancholy effects produced by early habits of youth, viz.: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depressions of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should apply immediately.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS, IMPOTENCY, IMPEDIMENT TO MARRIAGE.

By Dr. Johnston's marvellous treatment, weakness of the organs is speedily cured and full vigor restored. Thousands of the most nervous, debilitated and impotent, who had lost all hopes, have been immediately relieved.

All impediments to Marriage, Physical or Mental Disqualification, Loss of Procreative Power, Nervous Irritability, Trembling and Weakness, or exhaustion of the most fearful kind, speedily cured.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has attended some of the most astonishing cases that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are highly fatal, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as disfigured sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns!"

DR. JOHNSTON,

OFFICE, No. 7 SOUTH FREDERICK STREET, Left-hand side going from Baltimore street, a few doors from the corner. Fail not to observe the name and number.

Letters must be paid and contain a stamp. The Doctor's Diploma hangs in his office.

ENDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the Sun, Clipper, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.
