DEBILITY,

Resulting from any Cause whatever; PRO3-TRATION OF THE SYSTEM, induced by Severe Labor, Hardships, Exposure, Fevers, &c.

Thereis no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the wholesystem, the appetite is strengthened, food is enjoyed, the stomach digests fromptly, the bleed is purilled, the complexion becomes sound and healthy, the yellow Engo is cradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being. PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir that will instill now life into their veins, restore in a measure the energy and arder of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.
