DR. JOHNSTON,

BALTIMORE LOCK HOSPITAL,

Office No. 7, South Frederick Street.

THE ONLY PHYSICIAN ADVERTISING.

Has discovered the most Certain, Speedy and Effectual Remedy in the world for all

DISEASES OF IMPRUDENCE.

Relief in Six Hours! No Trifling! Persons Reading Ignorant Pretenders, Or that Deadly Poison, Mercury, should apply Immediately.

A CURE WARRANTED OR NO CHARGE, IN FROM ONE TO TWO DAYS.

Gleet, Stricture, Seminal Weakness, Weakness in the Back and Limbs, Affections of the Kidney and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight, or Giddiness, Diseases of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those Terrible Disorders arising from the solitary Habits of Youth—those sad and solitary practices more fatal to their victims than the song of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates, with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence.

TAKE PARTICULAR NOTICE.

These are some of the sad melancholy effect produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depressions of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should apply immediately.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS, IMPOTENCY, IMPEDIMENT TO MARRIAGE.

By Dr. Johnston's marvellous treatment, weakness of the organs is speedily cured and full vigor restored. Thousands of the most nervous, dejuitated and impotent, who had lost all hopes, have been immediately relieved.

All impediments to Marriage, Physical or Mental Disqualification, Loss of Procreative Power, Nervous Irritability, Trembling and Weakness, or exhaustion of the most fearful kind, speedily cured.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

YOUNG MEN

who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons MUST, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with de spair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin-bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns."

DR. JOHNSTON,

OFFICE, No. 7 SOUTH FREDERICK ST., Left-hand side going from Baltimore street a few doors from the corner. Fail not to observe the name and number.

Letters must be paid and contain a stamp. The Doctor's Diploma hangs in his office.

ENDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," "Clipper" and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

REMARKABLE CURE

—OF—

SCROFULA!

ABOUT eight years ago I was attacked with a disease which made its appearance in the form of SORES, which kept getting worse for a length of time, until my condition became alarming, when Dr. ——, of Biddle street, was called in, who attended me for two months, at the end of which time he pronounced my case hopeless. He then called in Dr. —— then of Lombard Street Infirmary, as consulting physician in my case, who also pronounced my case incurable—to use his own words "my lower limbs would rot off." Both told me I might poultice, but it was no use taking medicine; and both stopped coming to see me. During the time, or a little before their attendance, the sight of my left eye left me from the effects of the disease. In this condition I lingered for nearly a year, when a friend brought me from Coleman & Roger's Drug Store a bottle of the SAMARITAN'S ROOT and HERB JUICES. When I commenced taking it I was confined to my bed, and not able to stand on the floor. After taking that bottle I felt better. I then continued until I had taken eleven bottles, when I was entirely restored, my sores all healed, my general health as good as ever, and my sight nearly restored.

MARY HODGES, No. 1 Federal Street

State of Maryland, Baltimore City, to-wit:

This is to certify that on this 11th day of March, 1860, personally appeared before me, the subscriber, Justice of the Peace of the State of Maryland, in and for Baltimore City aforesaid, Mary Hodges, and made oath in due form of law, that the matter and facts stated in the foregoing certificate are true as therein stated.

Sworn before me. D. BRIDE, Justice of the Peace. Western District.

It is unnecessary to say anything more regarding the curative powers of the

Physicians by the use of this remedy you will permanently cure this dreadful disease. Stop then the lancet, painting and caustic, which have always failed, and use a remedy that will leave your patients with sound bodies. $1.25 per bottle.

SAMARITAN'S GIFT!

The only real and positive cure for Gonorrhœa, Gleet, and diseases arising from indiscretion. Balsam Copaiba and Mercury discarded; only ten pills effect a cure. THE GREAT HAIR TONIC OF THE DAY

W. C. MONTGOMERY, Esq.—*Dear Sir.*—In all New York there is not a preparation for the hair that can compare with Montgomery's Hair Restorer, as a renewer of color and dressing. Undoubtedly yours is the great hair tonic of the day. I speak from experience, having used many preparations, and yours is the only one that has benefitted me. My hair had been very gray for a number of years, and your Restorer has perfectly renewed the original color of the hair and greatly improved its growth. As a dressing for the hair it is exquisite, and in every respect a pleasure to use it.

MONTGOMERY'S HAIR RESTORER.

W. C. MONTGOMERY, 140 North 6th street—*Dear Sir.*—My hair has been gray and white for over thirty years. My son, a merchant of this place, purchased some of Montgomery's Hair Restorer. I was induced to try it, and in one week it restored my hair to its original color, which was a dark brown. It not only restored my hair to its natural color, but rendered it soft and glossy, and removed all dandruff from head. As a hair tonic it is the best I have ever used. I feel it my duty to let the public generally know that they need not wear gray hair any longer if they will only use Wm. C. Montgomery's Hair Restorer.

JAMES B. BARKER. Georgetown, Del., March 18, 1868.

TESTIMONY OF WILLIAM ROSE.

WM. C. MONTGOMERY—*Dear Sir.*—I take pleasure in giving my testimony to the efficacy of your Hair Restorer. My hair having been gray for several years and hearing your Restorer highly spoken of, I determined to try it. I am now happy to state that it has done all you advertised it to do—having restored my hair, which was very gray, to its original natural color. It is a splendid preparation for the hair; and I advise all persons who have gray hair, and wish it restored to its natural color, to use Montgomery's Hair Restorer. It also keeps the scalp clean and free from dandruff, and is easy and pleasant to use. Any person who doubts the truth of this certificate can call and see for themselves. Yours, truly, WILLIAM R. Indians on the War Path.

A telegram from Helena, Montana, reports that the Indians are again troublesome. Two men, Frank Leonard and John McDonald, had some of their cattle killed by the Indians, near the Yellow Stone, and their entire herds driven off. Thirty soldiers were sent from Fort Ellis to pursue them, and were attacked by about seventy-five Indians. The fight lasted one hour, resulting in the killing of several Indians. The troops returned to the fort during the night. Seven hundred soldiers and citizens are expected to start out against the Indians. Reports from parties who recently traveled over the railroad route of the Northern Pacific are that no snows have fallen this winter which would obstruct any kind of travel through the passes in the highest range.

SUE NEVEN LEAVES HIM.—Look at the career of man as he passes through the world; at man visited by misfortune! How often is he left by his fellow men to sink under the weight of his afflictions, unheeded and alone! One friend of his own sex forgets him, another abandons him, a third, perhaps, betrays him; but woman, faithful woman, follows him in his afflictions with unshaken affection; braves the changes of feeling, of his temper, embittered by the disappointments of the world, with the highest of all virtues, in resigned patience, ministers to his wants, even when her own are hard and pressing; she weeps with him, tear for tear, in his distresses, and is the first to catch and reflect a ray of joy, should but one light up his countenance in the midst of his sufferings; and she never leaves him in his misery while remains one act of love, duty or compassion to be performed. And at last, when life and sorrow come to an end, she follows him to the tomb with an ardor of affection which death itself cannot destroy.
