The building adjoins his office, and is opposite City Hall. He packed up and carried out a package of securities said to be worth \$250,000. The Amarant Dramatic society was rehearsing in the burning building, and the members made an exit it not on the programme. Aldytum lodge, Free and Accepted Masons, also adjourned in a hurry. It took the firemen an hour and a half to put out the blaze, and all the street car lines running past there to the bridge were blocked. The building is owned by Seth Low. It was damaged \$20,000.

AGRICULTURAL SOCIETY'S OFFICERS.

HARRISBURG, Jan. 17.—These officers of the State Agricultural society were elected at the annual meeting this afternoon: President, John McDowell; vice president, J. C. Thornton.

WASHINGTON, Jan. 17.—The presentation of the usual number of resolutions against the Wilson tariff bill, in the senate this morning, the resolution offered yesterday by Mr. Call, Florida, for an examination into the condition of the civil service of the United States and as to the expediency of its retrenchment or its increase, was laid before the senate, and Mr. Berry, Arkansas, expressed his hostility to any further extension of the service, characterizing the whole as a great humbug. He was told by Mr. Call that the resolution had nothing whatever to do with party politics. It was simply on the question of appointment of civil employes among the states in proportion to population. The resolution was debated by a number of senators until the morning expired at 3 p. m. The resolution went over until action, and the house bill to repeal the federal election law was taken up as the unfinished business. Mr. Chandler, New Hampshire, offered an amendment as an additional section, giving congress the right to appoint a watcher at the polls in each precinct, and argued in favor of it.

IMPORTANT HOUSE ACTION.

Very important action was taken in the house today, or rather in committee of the whole, on the free wool clause of the Wilson tariff bill. An amendment has been offered by Mr. Wilson himself that clause should not go into effect until the first of August, 1894. Mr. Payne, New York, moved to make the date Oct. 1, 1893, and Mr. Bowers, California, moved to make it 31st December, 1893.

IN OUR OWN COMMONWEALTH.

Mrs. George Adams, an aged woman of Littlestown, Adams county, was found dead in bed.
