AMUSEMENT NOTES.

"A Temperance Town" will be given by the original company at the Academy this evening. This play having been presented in other cities, there will be none of the ordinary, "stale first night" hits. In fact it comes direct from New York, where it has just closed an engagement of 118 consecutive nights, and the company is the same that presented the play in Boston 170 nights. Every piece of scenery and property used in the production is carried by the company. As the play is in five acts the stage settings are elaborate and beautiful. The appearance in the cast of the celebrated beauty, Caroline Miskin, who has captured New York by her personal charms as well as her admirable performance of the minister's daughter, is sure to attract special attention.

THE PRIZE WINNER.

Charles A. Gardner, the talented German dialect comedian and sweet singer, will appear at the Academy on Saturday evening in a new comedy drama entitled, "The Prize Winner," written by Dr. E. A. Wood and James K. Garey of Pittsburgh. The new work gives Mr. Gardner ample scope to display his versatility, and those who have seen "The Prize Winner" declare it to be the most successful of his ventures.

DEGAN FOUND GUILTY

Jury Says That He Wantonly Pointed Firearms at A. E. Simonson.

NEW TRIAL WILL BE ASKED FOR

John H. Snyder, of the South Side, on Trial Charged with Embezzlement—Peter McDermott Acquitted of Having Robbed Anthony Murphy. Verdict of Not Guilty Directed in the Case of Patrick Ruane.

District Attorney Kelly made the closing address to the jury for the count against the charge of the embezzlement in the William Deagan felonious attempt case. Judge Edwards charged the jury in a clear and concise manner, and it retired at 10:30 to make up the verdict. During the afternoon it returned a verdict which said that Deagan was guilty of the second count of the indictment, which is that he wantonly pointed fire arms at A. E. Simonson.

Last evening Attorney Ricketts wanted to file reasons for a new trial with permission to file an additional reason after the charge of the jury had been transcribed. Judge Edwards thought that Mr. Ricketts had better wait and file all of his reasons at once. He will do so on Saturday.

If a new trial is refused, Mr. Ricketts will ask for a retrial on the ground that the first and second counts of the indictment on which Deagan was convicted are conflicting and repugnant.

JOHN H. SNYDER ON TRIAL.

In the afternoon John H. Snyder, of the South Side, was put on trial before Judge Edwards charged with embezzling about \$400 from Christian Feigenspan, a New Jersey brewer. In September, 1892, Snyder was employed by Feigenspan to act as a sub-agent under John H. Carr, the general agent for this district. Snyder's duties were to take orders, deliver the ale and beer sold and make collections. It is alleged that he delivered ale without accounting for it, and also collected various sums of money from customers that he never turned over.

The prosecution is conducted in a spirited manner by District Attorney Kelly and Major Everett Warren. Snyder is ably defended by Attorneys S. C. Newcomb and M. A. McGinty. When court adjourned August 25, one of Mr. Feigenspan's employees, was on the stand. He said that he came after to investigate Snyder's affairs and after he found discrepancies in his accounts with several of the customers Snyder admitted that he had been dishonest and gave the names of a number of customers and amounts he collected from them that he had not accounted for. The list was read.

A SERIOUS CHARGE.

Peter McDermott, a young man aged 20, who resides at Dickson City, was arraigned before Judge Edwards to answer a charge of highway robbery, preferred by Anthony Murphy, of Olyphant. District Attorney Kelly recommended the law for the commonwealth and Colonel F. J. Fitzsimmons for the defense.

Murphy said that between 2 and 3 o'clock on the morning of Sept. 7 last he was on his way home. On Dunmore street, Olyphant, he was attacked by two young men who threw him down and stole \$7.75 from his pockets. McDermott recognized as the person who rifled his pockets and he thought the person who held him was Patrick Walker.

"Were you not drunk on that night?" was a question which Colonel Fitzsimmons propounded to Murphy. "I was not," replied the witness. "I had drunk some, but not any more than I could hold. I'm not accustomed to spilling my loads."

"You think it too valuable, I suppose?"

"Correct, me man; I never want to lose a good thing."

"Where did you spend the night up to the time you were robbed, Murphy?"

"I was calling on my aunt," replied the witness.

"Of course she does not sell anything such as you dislike to spill?"

"O no, indeed, sir, she does not."

THE DEFENDANT'S STORY.

Young McDermott went on the stand and swore that on the night of the robbery he attended a raffia at Olyphant and between 1 and 2 o'clock in the morning returned home with John McNulty. He did not see either Walker or Murphy on that night. He was called and swore that he did not see McDermott on the night of September 6, and John McNulty swore that he was home with McDermott on that night. He saw nothing of Murphy. A verdict of not guilty was returned by the jury.

Patrick Ruane, of the South Side, was put on trial charged with the larceny of a two wheeled cart from W. F. Farrell, of Archbold. The prosecution failed to make out a case, and on motion of Col. Fitzsimmons, who represented the defendant, Judge Edwards directed that a verdict of not guilty be taken.

GILVER P. SWARTZ'S NAME APPEARED ON AN INDICTMENT AS THE DEFENDANT IN A CASE OF FELONIOUS ATTEMPT TO KILL. HIS BROTHER, D. W. SWARTZ, HAS BEEN INTENDED VICTIM. SINCE HIS ARREST SWARTZ HAS BEEN DECLARED INSANE BY A JURY AND IS NOW IN DANVILLE INSANE ASYLUM. A VERDICT OF NOT GUILTY WAS THEREFORE TAKEN.

JESSUP CROSS SUITS.

At No. 2 Michael Godfrey was tried for selling liquor without a license and on Sunday. Martin S. Malata was the prosecutor. Several witnesses swore that on Easter Sunday last and at other times they bought beer and whiskey from Godfrey and paid for it. Godfrey, his brother William, his sister and a boarder swore that the defendant never sold beer or whiskey. Attorney Joseph O'Brien made a gallant fight for the defendant and succeeded in having him acquitted. He will have to pay costs, however.

Immediately afterward the assault and battery suits of Joseph Mitko against Michael Godfrey and Michael Godfrey against William Savage, Joseph Simonsky, Martin Smelter, George Welch and Joseph Goolat were called for trial. Godfrey said he went to collect rent due him by the defendants and they assaulted and severely injured him. The defendants said that Godfrey came to their place to collect a beer bill of \$3 and during a dispute that followed he assaulted Mitko. Attorney Joseph O'Brien was counsel for Godfrey and Attorney Haldin and Fred Stark for the other parties. Both cases were tried together. Verdicts of not guilty were returned and the prosecutors directed to pay the costs.

SEVERAL CASES CONTINUED.

The cases of larceny and receiving against Charles H. Tobey and Martha Tobey were continued until the next term, as were the cases against D. W. Schoonover, William Schoonover and

MATTHEW SCANLON, growing out of a disturbance at Pine Brook on May 23. The last case called in No. 2 was George B. Heller, charged with assault and battery by E. J. Mylotte. The trouble occurred in Scallan's hotel on June 30 last. Attorney John P. Strang defended Heller, and Attorneys O'Neill and D. J. Reedy conducted the prosecution.

DUNMORE.

St. Luke's Guild held a very pleasant social at the home of Mrs. Van Wormer Wednesday evening and a large number of persons were present. The programme which was of a musical and literary character, was very entertaining and every one enjoyed it hugely. In the line of refreshments coffee and crullers were served. The ladies also had for sale aprons which they had made for the purpose and a quiet success was realized.

George M. Wallace lodge, Brotherhood of Railroad Trainmen, is making arrangements for its annual ball which will occur next month. This year the boys promise to eclipse all former efforts and keep up their reputation of having the largest and best conducted balls in town.

The many persons who listened to Rev. Ralph Gillen, who held revival services here this month, will be pleased to learn that he will be present on communion Sunday, when many of his converts will be admitted into the Presbyterian church.

Some interesting articles of violence in the shape of an arrow, revolver and larger dirk knife were found in one of the crates of the culm screen which the Pennsylvania Coal company is having torn down near No. 6. On emptying one of the pockets where the coal was deposited, before loading into the cars, the weapons were found. Whether they are the relics of some desperate deed is not known, but in all probability they were thrown there by some Italian after one of the many murders and serious affairs that have occurred at Dunmore Hill. This revolver is loaded and this spot and it is thought that it has been used to cover up the evidence of crime as the police in some cases could not find the weapons with which the crimes were committed. Both the revolver and knife and cartridges are of a very peculiar description. On one side of each a nipper extends in which works the pins that strike the cap, the hammer being perfectly flat. Four cartridges were still in the revolver and the dirk exhibited signs of having been used.

Otto Bresser, the congenial head clerk at Ludwig's drug store, besides being a typical Isaac Walton, also has a great penchant for studying the indoor or captive habits of the finny tribe and for that purpose has built a large and beautiful aquarium in which he keeps in two large aquaria in the drug store. The fishes' quarters are becoming somewhat small and inconvenient, so to give them more liberty he will soon have built an aquarium that will fill the large front window.

His collection includes all sorts of new and fresh water fish from a minnow up to a bass.

Bessie Shepherd is spending a few days at Avoca.

Jessie Van Wormer, of Port Jervis, N. Y., is visiting at the home of Mr. Pickens, on Monroe avenue.

Rev. Mr. Santos conducted the services at the Methodist Episcopal church Wednesday night.

Mrs. Donnelly, of Plymouth, is visiting at the home of her brother, W. L. Purcell.

Mrs. Manley, who spent the last week in town, returned to her home in New York City on Wednesday.

Miss B. Kane has resigned her position as bookkeeper for P. S. Manley.

Miss Rhoda La Bar and Everett Moore were married at the Methodist parsonage yesterday morning by the Rev. J. C. Leacock. They left on the Erie & Wyoming Valley train for New York city and will visit Newburg and other places of interest. The will make their future home in Dunmore.

The hose house of the Independent Fire company was, last night, thronged with visitors who had accepted the company's invitation to inspect its new hose carriage and special parlors. The risks were reduced by the arrival of Victor Burchell, H. B. Cole, E. D. Monies, J. J. Brown, J. J. Flinnally, P. C. Meyers and Fred Smith. All the quick action devices were shown, from the slippery brass pole to the spring doors which operate by a small chain which runs from the driver's seat. The boys' handsomely furnished parlors and neat sitting room were visited and received the commendation of all. A street parade was held during the early portion of the evening. It was led by the Independent Drum corps, followed by the Electric Hose Company No. 4, and their carriage.

The Independents and their carriage drawn by a team of spirited blacks brought up the rear. The remainder of the evening was spent in dancing, and everyone had a most enjoyable time.

NORTH END.

Holy Rosary church was filled to overflowing Wednesday to witness one of the most fashionable marriages of the season in Providence. The contracting parties were: Anthony A. Neary and Mary A. Padden, both of Mary street. The wedding party entered the church and marched up the aisle to the altar, while the organ played Mendelssohn's wedding march. Eddie Neary was best man, and Honora Padden, sister of the bride, was bridesmaid. The party presented a pretty appearance and was much admired. Reverend Father O'Toole performed the marriage ceremony.

Many residents of the North End are opposed to the proposed new bridges and would prefer to see a movement started, either to keep the streets of this portion of the city in good repair, or to have them paved or macadamized. Much of the bad health of the North End can be directly attributed to the frightful condition of our thoroughfares.

Michael Gilbride and Katie Clark, both of the High works, were united in matrimony at Holy Rosary church yesterday by the Rev. Father O'Toole.

The marriage of Patrick Naughton and Katie Kelly took place Wednesday at Holy Rosary church. Father O'Toole officiated. William Judge attended the groom and Annie Docherty bridesmaid.

The funeral of Mrs. Kelly will take place today at 3 o'clock p. m. Interment will be made at Forest Hill cemetery.

A meeting of the Father Whitty society was held in its rooms at St. Mary's hall Thursday night. President Withers called the meeting to order. The members of the board of government of the nation were present, including M. J. Devine, president, of Scranton; Mr. Lavan, of Wilkes-Barre, vice-president; Mr. Mack, of Kingston, secretary, and Father O'Toole, of Holy Rosary church. The delegates to the recent quarterly convention reported approved to the quarterly convocations.

M. J. Devine addressed the meeting on the matter of the Total Abstinence Union trophies, which were won by

the Whitty society on Sept. 9. He stated that it would be impossible to obtain possession of the trophies as the Pittston company held them under lock and key. He stated that the men of Company C did not regard the mandate of the board of government, but he thought that the next annual convention soon to be held would compel them to yield. Mr. Devine followed in the same strain. Mr. Mack next addressed those present. His sentiments were highly approved by all the members present. Major J. H. Dugan delivered a pungent address on the manifest unpopularity and unfair conduct of the Pittston company in not honorably accepting the verdict of the judges and the advice of the board of government.

The Rev. N. J. McManus, pastor of Holy Rosary church, left for Florida yesterday.

A prolonged session of the Park Place fire escapes took place at the Eureka House Wednesday night. Thirteen new members were initiated and received into the order with the usual pomp and ceremony. After the routine business of the club was disposed of a banquet was held. A sumptuous spread was placed before the members. All present declared the event one of the most enjoyable of the season.

Robert O'Boyle arrived home from Utica, N. Y., yesterday.
