Cured of Scrofula

The People will have Hood's

Mr. Dorman's Experience

"My boy, now 9 years old, had Scrofula in one eye from the time he was a baby; discharging all the time. Of late we have been giving Hood's Sarsaparilla, and I see more of that medicine can do. The Scrofula has disappeared, and his eye is healed up and well."

Hood's Sarsaparilla is the best medicine in the market. I keep a general store, and it is not a trick to sell Hood's Sarsaparilla for the people will have it. I sell more of Hood's Sarsaparilla than all other medicines together and the store would not be complete without it. My wife has also been entirely cured of Scrofula by Hood's Sarsaparilla, and I am heartily thankful for what it has done for us." JOHN DORMAN, Shy Beaver, Pa.

What Causes Pimples?

Clogging of the pores or mouths of the sebaceous glands with sebum or oily matter.

The plug of sebum in the centre of the pimple is called a blackhead, grub, or comedo.

Nature will not allow the clogging of the pores to continue long, hence, Inflammation, pain, swelling and redness, later pus or matter forms, breaks or is opened, the plug comes out and the pore is once more free.

There are thousands of these pores in the face alone, any one of which is liable to become clogged by neglect or disease.

What Cures Pimples?

The only reliable preventive and cure, when not due to a constitutional humor, is

Cuticura Soap.

It contains a mild proportion of CUTICURA, the great Skin Cure, which enables it to dissolve the sebaceous or oily matter as it forms at the mouths of the pores.

It stimulates the sluggish glands and tubes to healthy activity, reduces inflammation, soothes and heals irritated and roughened surfaces and restores the skin to its original purity.

This is the secret of its wonderful success. For bad complexion, red, rough hands and shapeless nails, dry, thin and falling hair, scaly and irritated scalp and simple baby pimples it is wonderful.

It is refreshing, purifying and beautifying to a degree hitherto unknown among remedies for the skin and complexion.

Sale greater than the combined sales of all other skin and complexion soaps.
