WHAT IS ECZEMA?

It is an agony of agonies,

A torture of tortures. It is an itching and burning of the

skin almost beyond endurance. It is thousands of pin-headed vesicles filled with an acrid fluid, ever forming, ever bursting, ever flowing upon the raw excoriated skin.

No part of the human skin is exempt.

It tortures, disfigures, humiliates more than all other skin diseases. Tender babies are among its most numerous victims.

They are often born with it. Sleep and rest are out of the question.

Most remedies and the best physicians generally fail, even to relieve. If CUTICURA did no more than cure Eczema, it would be entitled to the gratitude of mankind.
