TOWN COUNCIL MEETING.

A Stormy Session in Which Each Member Participated.

The town council held an adjourned meeting in the town hall last evening. There were present Messrs. Kennedy, Donnelly, Maloney, Clifford, Knowles, Lynott, Hennigan, Figire, Kearney and Mangum.

The meeting was called to order by President Mangum at 8:30 o'clock. Borough Treasurer Langan presented his bond in the sum of \$40,000 for the consideration of the council, after being referred to Borough Solicitor Bohan, who pronounced it correct. It was signed by Joseph Hileman, C. Donnelly, William Drury, M. Bolin, Albert Brown, A. B. Brown, Peter Joyce, James McHugh, Jacob Flinstone and James Langan.

A motion introduced by M. N. Donnelly to elect a sergeant-at-arms, whose duties would be to protect order at every meeting, at the rate of \$2 per meeting, created no little comment and contention. It was finally disposed of by laying it on the table.

The bond of High Constable Dempsey was presented and found to be properly attested to by Messrs. M. Denney and John Dempsey in the sum of \$300. Chairman Mangum appointed the following committees for the ensuing year: Fire committee, M. N. Donnelly, A. J. Clifford, P. F. Maloney; Finance committee, George Reap, M. J. Lynott and James Kennedy.

Permit to erect buildings were awarded on motion of Levi Koon, John Connell, T. F. Burke, of the Junction, asked permission to erect two story frame dwelling on North Main street, on what he termed the Barnum tract. As the request was not explicit enough the request on motion was referred back to petitioner. Borough Treasurer George L. Houser submitted his report for the fiscal year ending March 1. It was read and accepted.

Burgess Maloney submitted his quarterly yearly report for the year ending March 5. On motion they were accepted. O. O. Easton, of the Lehigh Valley Railroad company, submitted a communication in reference to a sewer running from the properties in the vicinity of the Lower Hall. As the railroad company required certain concessions which would cost the borough considerable expense, it was decided to abandon the idea and accept the offer made by Messrs. Sutherland & McMillan, which was that the borough could attach to their sewer free of cost.

The chairman, therefore, on motion appointed Messrs. Hennigan, Kennedy, and Clifford a committee to have the necessary work done.

Messrs. Kennedy and Tighe were appointed a committee to employ a civil engineer and establish a grade for Ewan street. Messrs. Knowles, Kearney and Clifford were appointed a committee to confer with ex-Borough Treasurer Houser relative to the adjusting of such accounts as are in dispute between the auditors and Mr. Houser.

A resolution was carried empowering Burgess Maloney to notify the Strong estate to remove the rains of their building on South Main street within thirty days under a penalty.

The election of a janitor for the town hall for the ensuing year. The names of Mrs. Bannon, the present incumbent, and Mrs. McHale were balloted for, and resulted in a tie. Messrs. Kennedy, Tighe, Hennigan, Kearney and Maloney voting for the latter, while Messrs. Mangan, Lynott, Knowles, Clifford and Donnelly voting for the former. A committee consisting of Messrs. Knowles, Kennedy and Clifford were appointed to report at the next meeting the advisability of fixing the salaries for the various borough officers.

The propriety of establishing a board of health was touched upon but not definitely.

The propriety of the proper course to be pursued in the matter of tax-exonerating called forth a heated discussion between Messrs. Clifford, Hennigan, Tighe, Donnelly and Knowles. The latter characterized the proceeding as "schoolboy play," and claimed there is no business being transacted. The question was disposed of by Messrs. Clifford, Maloney and Hennigan being appointed a committee to inquire into such exonerations as are asked for.

O. N. W. John asked permission to erect a frame building 50x25 feet in size at the rear of the McDonald property on South Main street. John Eichholzer, of the First ward, asked permission to erect a barn. Charles Curry among others, forcibly objected to the granting of the same, as the applicant had of his own free will proceeded to build the barn without the necessary permission and that it would be a nuisance if built. It was referred to a committee for investigation.

Attorney James L. Morris submitted an account of various judgments standing against the borough in the accounts of Auditors William Morris, Robert Armstrong and M. N. Donnelly for services rendered. It was referred to the finance committee for disposal.

Mr. Knowles moved that the councilmen for last year be paid their several amounts for their services—\$24 each. To this M. N. Donnelly forcibly objected by asserting that to do so would at some future time, perhaps, leave the council liable for owing away money which did not belong to it. By a vote of 8 to 1 it was decided to draw orders on the treasurer for the several amounts.

Orders were ordered drawn on the treasurer for the several bills outstanding.

DUNMORE DOINGS.

Our Regular Correspondent's Letter from a Live Scranton Suburb.

DUNMORE, Pa., March 12.—The general countenance of Frank McDonald, the newly appointed postmaster, appeared at the delivery window for the first time yesterday morning. He received his commission on Saturday and immediately made arrangements to take charge of the office, and by yesterday found him fully installed and acquiring a knowledge of the post office affairs.

Mr. McDonald told THE TRIBUNE reporter last evening that for the present no extensive changes would be made in the management now until he had acquired a thorough knowledge of how the business was transacted. Mr. Grady, who has made such an efficient assistant to Miss Mooney, the late incumbent, will be retained for some time.

The retirement of Miss Mooney, who has served the public so faithfully and courteously for so long, is regretted by all who found it necessary to do business at the office. She has been ever ready to welcome all, rich or poor, great or small, and the systematic Uncle Sam's mails has received universal approbation. In this she has been assisted to no little extent by Mr. Grady, who has been connected with the office all through Miss Mooney's term. The immense popularity Mr. McDonald enjoys argues well for the future of the office and without doubt he will conduct business in a manner that will reflect credit on both himself and assistants whenever they may be.

A grand social will be given by the men of the Presbyterian church in the parlors of the latter place this evening. The event will be in honor of the freeing of the edifice from debt which was consummated on the New Year and will also give the older members an opportunity to welcome the many new members, who joined lately, and provide for them a sociable evening. It will open with an entertainment after which the evening will be spent in social intercourse and a splendid supper will be served free to all. Numerous committees have been appointed to look after the comfort of strangers especially and other guests generally. Those in charge have issued a cordial invitation to everyone to join them in their festivities.

The social will be held from the hours of 7:30 and 11:30 o'clock.

The Red Men will give a grand anniversary entertainment at the Old Fellow's Hall on Thursday evening. Further and more general notices of the affair will be given later.

Harry Winter, Miss Fanny McCook and Miss Eva Outerhout attended the mock trial at Keystone Academy on Saturday and remained with friends over Sunday.

Rev. Father McCabe, of Arcoa, conducted the services at St. Mary's church Sunday evening.

G. J. Kirkin and J. Coggins of Olyphant, spent Sunday with Danvers friends.

Miss Margaret Carroll, of Hyde Park, spent Sunday with Miss Lizzie Cronen.
