CURES OTHERS. Mrs. WILLIAM ROBERTS, Bridgetown, N. Y., writes: I had taken four Medicines, I would not be here. The doctor did me no good, I was just a mere skeleton, could not eat, I would have awful pain in my stomach—pain in my side, lower and chest; soreness in my back and womb; was unable to walk, and could not sleep.

After I took your favorite Frothingham, and Golden Medical Discovery, I commenced to improve. In two weeks could walk about the house—could eat—and did not have any more pain in my stomach—threw away my morphine powders. When I first commenced taking the medicine it made me feel worse, I was worse, could not speak about for three days, as I got better my pains and bad feelings left me and I could sleep good; my nerves got better. Before I took your medicine I kept my bed four months—got worse all the while, I am now very fleshy and can work all day.
