OUR CHURCH SOCIETIES

Young People's Society of the First Welsh Baptist Church is flourishing.

AMONG THE EPWORTH LEAGUES. Interesting Topics Touched Upon That Will Interest Members of These Organizations-What Members of Young People's Societies of Christian Endeavor Are Doing-Meeting of the King's Daughters Held Last Night.

One of the most active and flourishing church societies of the city is the Young People's society of the First Welsh Baptist church. It has three distinctive features, each of which is equally important and well developed. The society has about 100 members, all of whom are active and interested in their work.

The Bible class especially is a feature which is growing in its usefulness and interest. The literary programmes are of great variety and do much to develop the latent abilities of the young people.

Last evening the programme was most pleasing and instructive, consisting of talks, papers and discussions about Milton, his life, character, genius and works. Many interesting extracts from his masterpieces were read or recited and a great number of brief quotations given.

Epworth League. Rev. Dr. Floyd delivered a lecture before the Hampton Street league last Friday evening on his travels in the South. This talk was very entertaining and instructive and was much appreciated by the large audience.

Their Epworth league service held at 7 o'clock Sunday morning was a glorious success. They had systematically planned this month in advance and an attendance of over 300 and a meeting of unusual spiritual interest rewarded their efforts.

Rev. F. A. Chapman, former pastor of the Asbury M. E. church, will spend a few days among his old parishioners next week. While here he will deliver a lecture before the Asbury league on "Sins and Sufferings." He is now located at Battle Creek, Mich.

The Epworth league meeting at Elm Park, on Sunday evening, will be a special service and will be led by chorister G. F. Whittemore.

A cabinet meeting of the Elm Park league was held Wednesday evening, at which service important matters were considered.

The new topic cards for the coming quarter-April, May and June-which have been issued. They are, as usual, attractive and interesting. Subjects and leaders have been well and appropriately chosen. Out of the thirteen leaders chosen seven are men and six ladies. Two of the ladies are officers.

Nine have never held meetings of this league before. The leaders chosen also represent different professions and occupations. These few facts show the care, discretion and good judgment exercised by the devotional committee in selecting leaders. Miss Jennie Anderson and W. A. May constitute the reception committee for April. Ira Orr and Harry Yost are the ushers.

The Simpson league announced a complimentary entertainment and social for April 3.

They particularly emphasize their "Hard Times" social of April 13, which promises to be a great success.

The quality of both literary and musical numbers at the literary meetings is improving greatly.

All friends, old and new, cordially invited to attend devotional meeting Sunday evening, 7 o'clock, at the church, chosen seven are men and six ladies. Two of the ladies are officers.

Wednesday evening at 7:30 regular monthly business meeting of the Young People's Society of Christian Endeavor.

Junior Endeavor meeting Tuesday afternoon at 4 o'clock, subject, "Prayer," leader, Burnham Guild.

On last Friday evening an Endeavor social was held at the residence of E. A. Reynolds. It was a delightful occasion to the many who attended. During the evening maple sugar was served.

GENERAL NEWS

Prices are 25 cents lower. Anthracite Sales Agents Issue a New and Lower Circular for April.

The Output for Next Month is Estimated to Forty Per Cent. of the Total Capacity, or to About 1,800,000 Tons-Individual Operators Make a Similar Reduction at a Meeting in Philadelphia-Some Suggesting Features of Dun's Weekly Trade Review-Minor Dettings Relative to Industry.

The eastern anthracite coal agents have made the following prices: Broken and egg \$23.50, against \$27.50 last year; stove and chestnut \$21.75, against \$24 last year. Restriction for the month has not yet been decided, but it is expected to be 40 per cent. of the capacity.

Representatives of a number of the anthracite coal carrying companies, which ship a portion of their production to Philadelphia, met at the general office of the Lehigh Valley railroad company yesterday afternoon to consider a question of making a reduction in prices for city trade.

While all the companies were not represented those present reached a conditional agreement for a reduction in spring prices, which will be submitted to the representatives of other companies today. It is probable that the reduction will consist of all the companies at their meeting in New York Thursday, when a cut of about 40 cents per ton from the nominal wholesale prices recently ruling was made.

The financial news reporting agency states that a movement is on foot among certain stockholders of the Lehigh Valley railroad to defeat the present management at the next annual election, and that their candidate for president will be Congressman Tom Johnson, of Ohio.

Orders have been posted in the Pennsylvania railroad shops at Harrisburg stating that thirty-day brackets on the Philadelphia division will be laid off on April 1, and thirty-five extra men reduced to brakemen.

Railroad earnings in March thus far have been 12 1/2 per cent. smaller than last year, says Dun, the higher end of gauges losing a little less and other eastern and southwestern roads a little more. Wheat rose briskly with reports due every year about April 1, that great injury had been averted.
