Closing Social of the Sir Knights of Pleasure Dancng Club.

DISCUSSING THE WILSON BILL

William Richards Uses a Stone—He Injured Miss Sophia Cullen—Reception to Be Tendered This Evening to Mrs. D. K. Freeman—Funeral of Pearl Alvord—Personals and News Notes.

[The West Side office of the SCRANTON TRIBUNE is located at 1100 Jackson street, where subscriptions, advertisements and communications will receive prompt attention.]

One of the most successful socials of the season was the closing of the dancing season of the Sir Knights of Pleasure Dancing class, held last evening in Mear's hall. The room was exquisitely decorated and presented an excellent appearance as the merry dancers flitted through the hall to music by Miss Nellie Curran on the piano. The Sir Knights of Pleasure Dancing class has been the leading organization of its kind on this side during the season, and besides having the largest attendance, it is comprised of the elite of the city. The members of the club are: Joseph Wrigley, Harry Wrigley, George Thomas, George Oerdlorfer, Charles Keller, George Sample, George Baker, Thomas Anthony, Charles Warr, Gus Wentzel, George Frank and Horace Casier.

Discussed the Wilson Bill. The weekly meeting of the Hyde Park Literary and Debating society occurred last evening at its rooms on South Main avenue. After the regular order of business had been disposed of the question box was opened and several short and interesting discussions ensued. The debate of the evening was then taken up, the subject being "Resolved, That the Wilson bill, if passed, will be beneficial to the country." The negative side of the question was upheld by Wallace Messer and Arthur Davis, while the affirmative was sustained by John E. Edwards and Emerson Orwin. The judges decided in favor of the former. The meeting was unusually well attended.

Struck with a Stone. Miss Sophia Cullen, a young lady in the employ of David Pritchard, of Luzerne street, received a painful injury last evening by being struck on the head with a stone at the hands of William Richards, who resides next door. Richards is only 14 years of age, but is very troublesome. Miss Cullen was in the front garden when the stone was thrown and was staggered by the blow. This is not young Richards' first offense, for not long ago he struck a young daughter of Mr. Pritchard's with a shovel.

Reception This Evening. A reception will be tendered Mrs. D. K. Freeman, wife of Rev. D. K. Freeman, of Huntington, Pa., a former pastor of the Washburn Street Presbyterian church, this afternoon, commencing at 4 o'clock and continuing until 10 o'clock, by the ladies and friends of the church. Mr. Freeman had been a pastor here for many years. The home of Mr. and Mrs. William Freeman, of Washburn street, has been selected for the affair. Rev. W. I. Stone and wife, of Danville, will be among the guests. Mrs. Freeman came here to attend the missionary convention and has since been a visitor among old time acquaintances.

Told in a Few Lines. Alderman T. T. Moran, of the Fifteenth ward, is indisposed. Operations at the Continental mines have ceased for a term of six weeks, during which the shaft will be retimbered. A glee party consisting of the following has been organized on this side: Will Williams, Walter Jones, Will Reynolds, Eddie Hughes and David Orwin. The funeral of Pearl Alvord, 7 year old daughter of Mr. and Mrs. Fred Alvord, of Luzerne street, occurred yesterday afternoon. Services were held in the Hampton Street Methodist Episcopal church by the pastor, Rev. A. W. Cooper. Interment was made in the Forest Hill cemetery. The general committee for receiving and entertaining the Tri County Christian Endeavor convention, on May 25, will meet this afternoon at 4 o'clock in the Plymouth Congregational church. The remains of Thomas Williams, a former resident of this side, who recently died in Little City, are expected to arrive here tomorrow. He will be taken to the home of his mother, Mrs. J. Williams, of Academy street, and from there to Tamaqua for interment. The young people of the Plymouth Congregational church will run an excursion to Lake Ariel on June 27. Miss Helen Keifer, of Carbondale, is the guest of friends on this side. Miss Jennie Meyer, of Wilkes-Barre, is visiting on this side. Mrs. David Anthony and daughter, Carrie, will leave shortly for California. Tom Hab-Hu-Kun, the converted Indian, told the thrilling story of his life and how he became a Christian to a large audience in the Salvation army barracks last evening. Miss Jessie Newbar, of Stroudsburg, is visiting friends on this side. The funeral of Mrs. Jane Davis occurred yesterday afternoon from her home in Bellevue. Interment was made in the Washburn street cemetery.

"Lost." Somewhere between sunrise and sunset, two golden hours, each set with sixty diamond minutes. No reward is offered, for they are lost forever. SLEEVES STILL SWELLING.

They Are Steadily Becoming More Ample. Fashions of the First Empire. The taste for all that recalls the time of the first empire has had a marked effect upon interior decoration. The rigid forms of furniture that characterized that epoch have been revived and are seen in white and gold or in mahogany upholstered in the green, red or yellow damask then popu-

lar. But the revival has stopped at the verge of the dominion of dress, and there seems to be no prospect of the adoption of the empire gown in its genuine short-waisted form. The prevailing in fashion is shown only in subordinate ways that do not materially affect the soft ruffled mode to which we are accustomed. Not only is the empire fashion a thing one for many women, but the eye has become so used to the long bodice contrasting below the bust that it refuses to recognize the beauty of the high girle.

For instance, in the novel ball costume illustrated, an empire flavor, as it were, is given by the full drapery across the bosom and the cut of the top of the sleeve, which allows it to fall below the point of the shoulder, but the tight modern waist is retained, which at once robs the gown of any historically distinctive character and leaves the field open to the free play of fancy in regard to the other features. The skirt is bell-shaped, and the material is cut in deep slashes, which open to display a flounce of mechlin lace over cream satin. Chains of pearls are fastened around the skirt, fastened at the top of each slash by an amethyst cabochon surrounded by brilliants. The top of the skirt is caught up in front by a cabochon and forms panthe-like puff over the line where it meets the bodice. The lower part of the bodice is of lace, while the bodice sleeves and the drapery across the bust are of liberty velvet. The corsage, like the skirt, is ornamented with a garland of strings of pearls, secured at the bosom and at the top of the sleeves by cabochons.

Sleeves are seen on all the decorative cases and show no indications of diminishing. If there is any change, they are becoming more ample. The shoulders are usually finished with butterfly knots of ribbon, or wide bertha trimmed with lace and allowed to fall over it. Bras and corsets are also used on evening toilets. Brilliant effects are sought after just now, hence the popularity of satin and moire and the adoption of gaiters of various sorts as a garniture. JEROME CORLETT.

Talking Parrots.

Talking parrots are far less plentiful than they were—why, it is hard to say. I have taught a few dozen in my time, but why some birds can learn and others cannot I never could understand. There used to be a belief that an operation on the tongue was necessary to make a bird a vocalist, and quite recently I have been asked to split a jackdaw's tongue. It seems almost an insult to say there is nothing in the matter. The only birds that really achieve anything like success in the talking line are of the parrot kind, and they have thick, soft tongues, which would bleed terribly if split.

The error probably arose from the fact that some birds with divided tongues can talk a little, but this is an exception, the best talkers having a tongue very like that of a human being. Teaching a parrot to talk is easy, but tedious. If it shows any inclination to mock or imitate the difficulty is half solved. Then all that is necessary is to repeat one word or phrase frequently, and use it as a greeting and farewell. Any little catch phrase will answer, though why "pretty Polly" is generally selected I don't know. "Good morning" is more easily taught and much less senseless when repeated. Result of the Sport.

I hate to live and suffer, to know hunger, grief and shame. And see in the throngs about me mangled, blind and lame.

I hate to see cold winter's snow bear the print of shoeless feet. And the fleshless hand of hunger pinch faces young and sweet.

I hate to know each freezing blast blows through a cheerless hotel. I hate to see a lone head sweat o'er pick and spade and shovel.

I hate to think that tender flesh writhes under lash and blow. And babies unwetted daily born for sorrow, shame and woe.

I hate to think that thousands toll in squalor, grief and pain. That one may rise above his kind and countless treasure gain.

I hate that which permits these wrongs, with a hate that cannot die. Be it the demon 'neath the earth or a spirit that reigns on high. —Louise Ingersoll.

John Metzger's House Nearly Destroyed by Fire—Patrick Joyce, of Minooka, Leaves Today for Trial at Pittsburg—Frank Murray Returns After Long Residence in West. Funeral of Mrs. James Caffrey.

At 9:15 last night the residence of John Metzger, at the corner of Irving avenue and Orchard street, caught fire to the upper story. The building is a 2 story frame dwelling, occupied by Metzger's family. The fire was breaking through the shingles when the alarm from box 46 was sounded. The Century Hose company got to the fire with commendable activity, and by so doing was enabled to check what promised to be a disastrous conflagration. The fire was in the rear part of the upstairs, and was burning fiercely when the water was turned on. In less than twenty minutes the flames were under control. When the Neptunes arrived their hose was directed on the front of the building, through which the fire was breaking. At 9:49 the fire was out. Only part of the household effects were saved. The loss will amount to nearly \$500.

Goes to Pittsburg for Trial. Patrick Joyce, of Minooka, will leave today for Pittsburg, where he will appear before the grand jury of the United States district court to answer the charge of "splitting" greenbacks. He will be remembered as getting caught in Wilkes-Barre two years ago while trying to pass a split bill. He succeeded in escaping from the officers at the time and kept out of the way of the law for a year and a half, although detectives were hot on his trail. Six months ago he appeared before United States Commissioner Colburn and entered bail in the sum of \$1,000 to appear for trial. Joyce always bore a good reputation in Minooka, and it is believed he will be able to explain away the clouds that are at present hovering over him. If the grand jury finds a true bill against him he will be remanded for trial at the district court, which will convene immediately after the sitting of the jury.
