| Mountain City Players Prove Too Much for Our Sluggers. | Description |

## FINE PITCHING BY JOHN ELY

Gus Moran Took a Violent Dislike to One of Umpire Wagner's Decisions and Hit Him in the Side with the Ball-Ordered Out of the Game and

We mourn our loss. Hazleton might have granted us the first game of the season on our own grounds but very selfishly the Mountain City boys insisted on appropriating it to them-

In truth, Scranton played a listless game at times and the umpire was ag-gravatingly uncertain in his decisions. And thus we fell.

The grandstand at the park had been decked in holiday attire in honor of the opening of the league season, and when the two clubs marched on the grounds, headed by the Lawrence band, after the principal streets of the city had been paraded, there were about 1,000 male enthusiasts and a large number of lady admirers of the national game present to welcome the players. The clubs headed by the band passed in review in front of the grand stand, and after saluting the audience dis-

persed for practice. Hazleton's players pranced about the field like young colts and seemed anxious for the fray. Around the bench occupied by the Scranton men the air seemed to have a somniferous effect and induced that tired feeling.

### UMPIRE WAGNER IN COMMAND.

At precisely 4 o'clock Mr. Wagner, of Tamaqua, attired in sembre black, Batteries Busic and Farrell, Taylor and stepped up to the starting point of the Cross. Umpire Lyuch. diamond and directed that operations begin. They did.

Right here it might be proper to remark that Mr. Wagner seems to lack the three requisites every umpire should possess, viz : A comprehensive knowledge of the game, good eyesight and nerve. He silowed every player on the teams to enter protests at once and took no notice of the fact that at times from four to eight of the Hazleion players were on the coaching lines.

Both clubs suffered by his decisions, but Seranton unfortanately the worst. In the eighth inning with two men out Clark attempted to steal third but was caught by Westlake, which would have retired the side. Mr. Umpire said Clark was safe, and before another man could be retired Hazleton had scored four runs and climbed shead of don and Gunton. Umpire-Guenther. Scranton.

In the third inning the first runs of the game were obtained by the home club on errors of Ely and Conroy and hits by Wetzel and Westlake. In the hits by Wetzel and Westlake. In the first inning Moran of the visitors was at the bat and changed his position man and Williams, Bowie and McCiung. from right to left after the pitcher had negun to deliver the ball. He was declared out, and after much kicking by the visitors the game was played under protest.

VISITORS' FIRST RUNS.

In the fifth, Huzleton made its first runs, two in number, on a base on balls given to Moore, an error by Higgins, and hits by Jordan and Conroy. In the wixth, both clubs secured two runs, and each was blanked in the seventh, leavthe score a tie at four when the eighth

inning opened. Reese was retired from Rothermel to Clark, and Higgins followed with a base hit. Hudson flied out to Rother-Christian association will play a practice mel, and then Staltz sent the sphere game at Hogan park Saturday afternoon. mel, and then Staltz sent the sphere sailing in left field. On account of sailing in left field. On account of Hazen's inability to handle the ball Tamaqua, we must say in all candor that quickly when it was returned to the quickly when it was returned to the hots not a success as an field, the hit netted a run. Higgins slike improve or quit. President James Little Rothermel, who threw it wild, and National bank was an in the sprinter dashed home. Patchen

went out from Conroy to Clark.

Moran was the first batter for Hazleton. Hodson pitched a ball which went ontside of the plate, but Wagner called it a strike. Moran lost his temper and it a strike. Moran lost his temper and plcking up the ball struck Wagner in John W. Thornton, captain. the side with it. A storm of hisses from the grand stand and bleachers
followed the action, and cries of "Put
him out!" echoed on all sides.

Three ex-scranton players were with the
Hazleton club yesterday. They are Pitcher
Fee and Center Fielder Gus Moran, of last
year's Scranton club, and Shortstop Roth-

Wagner ordered Moran out of the game and fined him \$5; but Moran re-fused to leave until his manager, Mr. Hanlon, requested him to do so. The angry player had a bat in his hand and was about to make a rush for Wagner with it, when Captain Hazen stepped between them and forced Moran back towards the bench.

## HOW THE GAME WAS WON.

Land took Moran's place and struck out. Clark was given a base on balls and Rothermel flied out to Staltz. Moore followed with a single and stole second, while Clark was sliding to iniquity. third. The latter was plainly out but the umpire said no. A two-base hit by Conroy, base on balls to J. Ely and a hit by Henry Ely immediately afterward netted four runs and gave the

visitors a lead of one.

Scranton succeeded in again tying the score in the ninth, but when the visitors went to the bat a three-base hit by Clark and a wild throw of Wetzel's let in a run and the game was lost.

John Ely pitched a splendid game for

John Ely pitched a splendid game for the visitors. Hodson was wild. He gave six men bases on balls and was hit hard in the eighth. The details of the defeat are:

sense.

It is possible that Corbett may restore the financial parity between this country and England which Henry Irving did so much to upset.

Imitating Ground Glass, Plain and Figured. How to Simulate Stained Glass.

DECORATING WINDOW GLASS.

The following suggestions, reproduced from The Household, may be found useful perhaps to some one who has a window which looks out on an unpleasant prospect, for a window in a door or for any window where one wishes to see out and yet not be seen.

To imitate ground glass dissolve onefourth of a pound of gum arabic in a pint of boiling water, then add enough whiting to make it about the consistency of stiff paint. Paint the inside of the glass with a sponge, taking care to make as smooth and even as possible. You can have marks if you wish by laying a ruler across and marking them with a sharpened slate pencil or pointed

To make the glass look like figured ground glass, paint the glass with demar varnish and lay on a piece of figured lace or bobinet, as it used to be called. This must be the whole size of the glass. When dry, give it two more coats of varnish over the lace. This can be washed as easily as plain glass. Another way is to wash the glass with a solution of epsom salts, salsoda or glauber salts, which will crystallize on the glass and have a wonderfully beautiful effect. Put the salts in an earthen dish and add mough hot water to barely dissolve it. This must be applied hot with a soft brush. The three materials named will each give a different appearance to the glass, so that different panes of the same window may be decorated differently.

It is said that windows can be easily painted in imitation of stained glass. Draw your design on paper and then paint it in the colors you wish your window to be. This is to serve for a pattern and can be used as often as desired. Total ... 8 Il 29 10 4 Total ... 9 9 27 9 6 Fasten it to the outside of the glass and copy from it on the inside, just as you would trace a design on tissue paper. .0 0 2 0 0 2 0 3 1 - 8 Use varnish colors to paint the glass with, as they are transparent and give much the effect of stained glass. A separate brush must be used for each color, and after the work is finished they must be well washed in turpentine. This window will admit light, but cannot be looked through from the outside.
