## THREE NEW POLICEMEN

BRIDGE SITE

City Solicitor Torrey's Opinion Caused a Lively Debate-It Was Referred to a Committee for Consideration-Councilman Connell Makes an Effort to Secure a Five-Cent Fare-Other Business Transacted.

what noisy session last evening. The stage with an illuminated caboose and first business was the reading of a a practical locomotive. The fireman communication from the mayor and engineer are seen at their respect-nominating the new patrolmen ive stations, looks like reality itself. They were confirmed after an effort A mail train comes speeding by and the World's Fair in our bad been made to refer the nominations catches the mail ponch just as every to committee. The main subject of one has seen it do many times.

In the last act Nisgara Falls are

The new policemen appointed by the

of the First ward . After the names had been read it was moved that they be referred to committee. The motion was lost and a motion to consider the nominations was agreed to by a two-thirds vote, all of the members being present and responding to their names. The nomina-

tions were then confirmed. A communication from the mayor appointing police officers as follows, was received: Captain of police, Richand Edwards; first lieutenant, John Davis; second lieutenant, Peter Zang; third lientenant, Thomas D. Williams; fourth lieutenant, Michael Spellman, sergeant, Robert Deiter. On motion of Mr. Lauer the appointments were

The opinion of City Solicitor Torrey the location of the Linden street bridge to Mulberry street, furnished in com-pliance with a resolution passed by by clerk Lavelle. The city solicitor stated it as his opinion that if the change in site is made the city would he restrained from appropriating of the bridge any part of the pro-posed losh of \$250,000. In other re-trical effects. change of site that councils may deem advisable by new ordinance. The opinion is based on

the act of assembly regulating the manner of increasing the manner of in-debtedness of municipalities and the ordinance and notice under which the consent of the people was obtained. The opinion proceeds at length to show that no substantial change can be made without making nugatory and mean ngless the act of assembly.

Mr Kellow moved that the opinion e referred to the strests and bridges mmittee. This brought on the storm. Some of the members could not see why the opinion should be refused instead of being received and filed.

change could be made. MR ROUME'S OPINION.

tween two great culm piles.

one expressed asionishment that such these etreets. As it stands now, it is did not like to be placed in the posi-tion of obstructing the bridge. That the lines are first settled between both had been the hue and cry ever since the bridge at Linden street was first agitated There were more than one thousand reasons why the change "Give us one," interrupted Mr. Mc

Mr. Clemons then proceeded to give the difference in the grades, length of bridge required at the two points, and advanced other arguments. He said people of Hyde Park wanted a viaduet ver the Delaware, Lackawanna and Western at West Lackswanns avenue and that a bridge built higher up than Linden street would provide for the people of Hyde Park and Providence. A great deal more of talk was in-Among those who registered at the Wy-dulged in and the residents of Swet-oming are: R. P. Northup, Tunkhannock; land street came in for no small share N. A. Johnson, Easton: Ira J. Mengley, of censure because of their "etiffness" of censure because of their "stiffness" as one member expressed it Mr. Laner

> A vote was taken on an amendment to receive and fill the opinion and it was lost, it was then referred to the streets and bridges committee,

BIDS FOR CITY PRINTING. Bids for doing the city printing for the ensuing year were received from THE SCRANTON TRIBUNE and the Scranton Truth and referred to the commit-

tee on printing.
Bids for grading Delaware street between Washington and Sanderson avenues were received from Max Phillips and Muldoon & Bowie. The former wanted \$1,072.76 and the latter \$1,037. Referred to streets and bridges commit-

The committee on streets and bridges reported favorably a number of ordinances, but did not report on the Hoaring Brook bridge ordinance, which angered Mr. Manley, who demanded to know why no report was made on the ordinance. A motion to take the ordinance out of the hands of the committee prevailed after much wrangling. The Linden street bridge was also in-

cluded. The vote stood 14 to 7. Concurrent business followed, after which a number of ordinances and res- with rheumatism. olutions were adopted. Mr. Connell offered the following, which was adopted:

Whereas, The ordinance granting the Scranton Passenger Railway company the right of way over and on certain streets specifies that a 5 cent fare shall

be charged; and Whereas, Said company is now charg-ing a 10 cent fare to the city limits on the South Side; therefore, be it Resolved, That the city solicitor is directed to notify the said Scranton Passenger Railway company that said company is violating the provisions of

the ordinance and must stop. An ordinance directing the city engineer to make an assessment for paving Pine street between Washington and Clay avenues, block by block. according to the feet rule, was referred to the paving committee in conjunc-

tion with the city solicitor. They Have Gone Down That is prices at Guernsey Brothers,

#### COMING ATTRACTIONS.

Saturday evening the Crystal Hose MUSICAL

They Were Nominated by Mayor Connell and Confirmed by Select Council.

Saturday evening the Crystal Hose company will have its annual benefit at the Academy of Music, when "The Fast Mail" will be produced. The play is famous throughout the country for the completeness and magnitude of its mechanical effects. The production is under the personal super-vision of its author—Lincoln J. Carter. Special scenery is carried for the ten complete sets used in the play. In the second act a steamboat is shown with the boiler rooms and their intrieste machinery, and the glowing furnaces. The boat is blown up by a tremendous explosion, and the wreek is going down in mid river. The great railway scene is another of the unprecedented achievements of their performance in the direction of realism. A freight Select council held a long and some- train of fourteen cars is run across the

# all seated the conductor informed us that his orders were to wait until the perform-ance closed at the theaters, which he did, keeping 14 passengers waiting 18 minutes! Was this right on the part of the company after announcing the car would leave at 10,40? We think it was unjust, Had we know there would be no car till 11 o'clock we would have taken the Laurel Hill Park car and reached home earlier by salking. car and reacned home earlier by walking couple of blocks. But after waiting for Martin & Delany couple of blocks. But after waiting for the Nay Aug car and getting seated in it we did not think it advisable to change. We would be glad if you will publish this letter and also call the attention of the manager of the car company to the fact that it is not the right thing to do when they announce a car for 10.40 to keep passengers waiting till 11 o'clock. An extra car for the accommodation of theater goers would be the proper thing. Yours truly, RICHARD HORNS. 421 Quincy avenue, Scrauton, Pa., May 2.
