HODSON DID VERY GOOD WORK

His Support Was Not Gilt Edged but Nevertheless the Game Was Won. piled up seven runs, owing to poor fielding Kelly Took a Turn at Twirling the score was:

Ball Himself—Score in Detail as Made Up by Official Scorer.

Made Up by Official Scorer.

Special to the Scratton Tribane.
Allestown, Pa., May 15.—King Kelly's men sustained a defeat today from the Scranton sluggets.

from the Scranton sluggers.

Donoghue went in the box for the home team, but was in poor form and

Kelly took his place.

Hodson did the pitching for the visi-tors and did it well. His support, how-ever, was not as good as that given by the Allentowns. The score in detail:

ever, was not as go the Allentowns. I	he s	REGIE				anthracite coal trade in enabling consum- ers to utilize coal that has heretofore been
SCRA	NI	DN.				useless. The Harleton Plain Speaker gives

GLINTS FROM THE DIAMOND.

Mark Baldwin will sign with Aflentown Kelly is trying a new pitcher named Phil Bachman has been released from

The State league will hold a special meeting May 20. Dwyer, recently signed by Easton as a fielder, has been released.

The Altoona club has signed Pitcher James Gannon, late of Eris. It is said that if Mike Kelly makes a fail-

ure at Allentown Catcher Milligan will take the club. The Allentown management is com-

mencing to complain about the small at tendance at Ruttersville. Pottsville has signed Dugan, a catcher,

and Delaney, a second baseman. T joined the team at Altoona yesterday. The Hazleton Plain-Speaker warns the ball club at that place to drink less rum and not dissipate so much in other direc-

tions, or the people will refuse to support

There is not a single man who knows anything about base ball who sees any good in Larkin. He can neither catch, run or bat, and in right field he is absolutely n. g. If Kelly keeps him much longer to help lose games the base ball

of the Sioux City club. It is understood to 16%. The Grangers, Trunk lines and that Anson has offered the club named Anthractic conters lost to 12, but the three of his present players and a bonus trading outside of St. Paul was light. of \$1,000 for Stewart. The Sioux Citys are Leal was firmer than the other indus-

took eleven innings to decide the game. At the end of the seventh innings the game was strongly in favor of the High School.

u the part of the High School team. The

These air chambers are open in top, but the partitions are covered by poles. These pixtes are of such width that no matter what may be the position of the grate bars there is always one resting upon this plate, so that the air cannot pass from one chamber to another except by lenkage along the bar. The result of the arrangement is that if about blowing into the large sir chamber with a pressure of about 1 inch water grage, the pressure in the next air chamber to the left would be about 3, inch, the result of this visit and the next to that 1, inch. The pressure in the next to that 1, inch. The pressure is about 5, inch. The result of this vixie of allows is that the coal when it serves at the grate is subjected to a pressure of black sufficient to ignife it, but not no already to impede ignation. As the thoroughly ignited coal passes alower over the second compartment where the six pressure is a maximum, it burns briskly, and then slowly passes over the third compartment where the six passes are the third compartment where the six passes are the third compartment where the gir pressure is less and better suited to the community of the themer layer of party consumed coal, the bed continues to diminism	Weak: William - moderately active, I and I's lower, closing starty. FINANCIAL AND COMMERCIAL

Stocks and Bonds. New York, May 15.—The most significant feature of the day's operations at the Stock Exchange was the impression the bears were enabled to make on prices because of moderate liquidations. Heretofore those operating for lower prices were mable to disloste holdings, but today there were dfibblings of ldng stock in Missouri Pacific, Atchinson and Sugar, while the declining tendency of prices was disappointing to marginal holders, the lutely n. g. If Kelly keeps him much longer to help lose games the base ball public will have something to say.—Allentown Chronide.

The Chicago club is doing all that it can to get a second baseman. Yesterday Manager Anson started a deal, which, if consummated, will give the White Stockings a second baseman who promises to be one of the greatest players who has ever filled that position. He is no less than Stewart
