KIRMESS AT HONSDALE.

The Pleasant Soiree of Entertainment Auspiciously Opened.

Special to the Scranton Tribune.
HONSDALE, Pa., May 15.—The Kirmess, which has so long been talked about in Honsdale, was opened last evening. Seven hundred people crowded into the armory and pronounced it a grand success. The curtain first arose upon a tableau, representing all nations; the various groups of dancers were here massed in one beautiful picture. Then came the North Country Harvest dance; the scene produced by the costumes of the dancers pointed clearly to Germany. The Harvest is one of the most graceful and bewitching of the dances, the dancers are agile and their movements captivated the audience. Miss Kit Gaylord and Benjamin Gardner, jr., danced the Harvest dance, and received a most liberal applause.

The hornpipes or sailor dancers, as they might be more commonly termed, next came tripping lightly in. These are young dancers dressed in white sailor suits trimmed in red. Their movements were noiseless, sailor-like and in perfect time. They were fine, and were applauded again and again.

After the sailors had disappeared the flower girls glided upon the stage, dancing pretty figures; then appeared the court jester, T. Frank Ham, announcing the arrival of the May Queen, Miss Katherine Stanton, who was followed by young ladies with the Maypole. Miss Stanton and Mr. Ham danced a duet, which was heartily received. The ribbons were played about the pole and unwound and the party disappeared without there having been a cessation in the motions of the dancers. Amid the wild rattling of tambourines the gypsy dancers came forth. The dance was wild, beautiful, perfect. The costumes were in exact keeping with the dance and dancers. Misses Bertha and Etta Fourt danced the gypsy duet. The least that can be said is that professional dancers could not have done better. The Misses Fourt are graceful and perfect dancers.

The well-known and difficult serpentine dance was portrayed by Miss Florence Ham. This young lady's well-known ability was an assurance of an extraordinary dance. Miss Ham's movements were excellent, the figures produced from the constant moving skirt beautiful, and the dance a picture.

Of the tarantelle, flower, torador, and war and moon dances, they were all excellent and will be described later. The colored lights, red, blue and green are very bad and hurt the eyes of spectators, as well as blur the dances.

An enjoyable evening was passed by the Liederkreis last evening. A large delegation was present from Scranton.

ARCHBOLD GLEANINGS.

An Entertaining Correspondent's View of the Daily Situation.

Special to the Scranton Tribune.
ARCHBOLD, Pa., May 15.—The forty hours devotion in St. Thomas' church are very well attended. Last evening Rev. J. A. Morgan, of the cathedral, preached an effective sermon from the text: "Ask and you shall receive, seek and you shall find; knock and it shall be opened unto you." The sermon was well delivered. This evening Rev. Frank Mack, of Dushore, a favorite Archbold boy, will preach. This evening also Miss Annie Brown, of St. Patrick's choir, Glynn, is expected to sing. The devotions will close tomorrow morning. In yesterday's correspondence it was

erroneously stated that Michael Manley of the East Side has passed away. Mr. Manley had been quite sick recently, and this fact coupled with the announcement in church of the death of a person of the same name, gave rise to the general rumor that he was the person referred to. Happily this is not the case for he still abides with us. No one regrets more than the writer the unfortunate error which prematurely removed Mr. Manley from the scenes of life and it is hoped that very many years will elapse before it is again necessary to write his obituary.

This afternoon the funeral of August Olindeck, of South Main street, took place. The remains were interred in the Protestant cemetery. The funeral was a very large one and there were many here from out of town.

Tomorrow evening the marriage of Mr. Albert Nichol and Miss Lizzie Phillips will take place at the home of Miss Phillips in Carbondale. Mr. Nichol will be attended by Charles B. Eaton, C. A. Bittenburg and Harry Dill will be ushers.

On May 20, Rev. J. C. Radolph, the esteemed pastor of the Evangelical Lutheran church, will be five years among us. It is the intention of his congregation to fittingly commemorate the event which is one of a great deal of interest to them. During his five years incumbency, Mr. Radolph has done very good work, which fact his congregation has not been slow to appreciate. It is earnestly hoped that the future will bring to him as great a measure of success as he has attended to him since he came here.

A Quarter Century Test.

For a quarter of a century Dr. King's New Discovery has been tested, and the millions who have received benefit from its use testify to its wonderful curative powers in all diseases of Throat, Chest and Lungs. A remedy that has stood the test so long and that has given so universal satisfaction is no experiment. Each bottle is positively guaranteed to give relief, or the money will be refunded. It is admitted to be the most reliable for Coughs and Colds. Trial bottles free from Matthews' Drug Store, Largest Dispensary, and Elgin.

BIG FIRE AT FOREST CITY.

No. 2 Shaft of the Hillside Iron and Coal Company Destroyed. Loss \$75,000.

Special to the Scranton Tribune.

FOREST CITY, Pa., May 15.—At 3:15 this afternoon, after the mine operations had ceased for the day's work at No. 2 shaft of the Hillside Coal and Iron company, a disastrous fire occurred at the top of the shaft which was surrounded by a fan house, engine room and boiler room. The fire was discovered at the fan house, where it is thought a spark from the small locomotives set it on fire.

In a short time the flames had spread to the shaft tower and then to the large engine room, in which were situated a pair of hoisting engines and two Thompson & Houston incandescent electric generators which supplied the currents for haulage purposes in No. 2 shaft and the Forest city slope. A handsome switch-board was also in this room.

The generators and switch board were destroyed and the engines badly damaged. The flames spread rapidly, as a very high wind was blowing, and enveloped the boiler house which nearly adjoined the engine room. In this boiler room were the large boilers, all of which were destroyed.

The fan house which was destroyed supplied the current of air for the slope which will necessitate the idea of that place for a short time, while arrangements will be perfected for the carrying of air to the slope from the No. 2 shaft fan house which was about ten rods from the burning buildings and which escaped the flame.

The Hillside Coal and Iron Company Fire department and the Enterprise Hose company arrived promptly on the scene after the fire alarm was sounded but their efforts were unavailing owing to a deflection of the water supply. What was once one of the most magnificent plants in the anthracite coal regions soon was lying in ashes.

The glad news which was received today that this colliery would work three-quarter time made many happy, but this happiness was abruptly ended by this calamity, which will throw about 500 men and boys out of employment for several weeks while the plant is being rebuilt.

The loss in all probability will be about \$75,000.

Dr. Norwood's Norway Pine Syrup was used for years as a prescription by a successful physician. It is in all respects the best cough medicine made today. Sold by all dealers on a guarantee of satisfaction.

CARBONDALE CHIPS.

Hurried Glimpses of the Pioneer City Through a Reporter's K-dax.

CARBONDALE, Pa., May 15.—The following delegates from Carbondale will be in attendance at the annual convention of the Catholic Total Abstinence union of the Scranton diocese, which will be held on Thursday and Friday of this week: Pioneer Father Mathew, M. F. Burke, James Pidgeon, St. Rose, John Mulvaney, Patrick McDonnell, Knights of Father Mathew, Peter Flannelly, Edward Dougherty, Edward R. Key, St. Patrick's John Costello and N. Murtagh.

Quite a Difference.

"Be mine!" he cried, "I love you!"
For ye sweet love, I pine!
And she replied:
Cautiously "No!"
I'd rather you'd be mine."

Stranded.
Come back, come back, he cried in grief,
The tears gushed from his eye;
She'd left no note upon his plate,
He could not eat his pie.

Hood's Is the Grandest

Raised from a Weak and Low Condition

To Perfect Health and Strength After Four Years Suffering.

"C. L. Hood & Co., Lowell, Mass.:

"Gentlemen:—I think Hood's Sarsaparilla is the grandest discovery yet made, and it fulfills even more than you claim for it. My wife has been sick for the past four years. For three years she was so bad that she was unable to do any of the housework. We had good physicians, but she did not recover her health. She was suffering from Bright's disease and

Lemmon's in the Back.

Her tongue was covered with blisters; had no appetite, and was very weak and low with general debility. I trusted on her taking Hood's Sarsaparilla, and she has been improving ever since. She has taken five bottles, and is so well

that for three months she has done her housework, and we have seven children." AUG. SCHREINER, Allentown, Pennsylvania.

Hood's Pills cure liver ills, constipation, biliousness, jaundice, sick headache, indigestion

and all ailments of the bowels.

"Disfigured For Life"

Is the despairing cry of thousands afflicted with Unsightly skin diseases.

Do you realize what this disfiguration means to sensitive souls?

It means isolation, seclusion. It is a bar to social and business success.

Do you wonder that despair seizes upon these sufferers when

Doctors fail,

Standard remedies fail,

And nostrums prove worse than useless?

Skin diseases are most obstinate to cure or even relieve.

It is an easy matter to claim to cure them, but quite another thing to do so.

CUTICURA REMEDIES

Have earned the right to be called

Skin Specifics.

Because for years they have met with most remarkable success.

There are cases that they cannot cure, but they are few indeed.

It is no long-drawn-out, expensive experiment.

25c. invested in a cake of CUTICURA SOAP

Will prove more convincing than a page of advertisement.

In short

CUTICURA works wonders,

And its cures are simply marvellous.
