

BASE BALL

Two State League Base Ball Games Played Yesterday.

EASTON AGAIN IN STATE LEAGUE

Scranton Suffers Defeat at the Hands of Allentown—Pottsville Too Much for Alex Donaghue's Men of Allentown—National and Eastern League Results—Professional and Amateur Ball News—Crisp and Entertaining News of All Branches of Athletics.

The standing of the respective clubs in the State league was not changed by the games played yesterday with the exception of Pottsville breaking the tie between itself and Easton, thus going into seventh place. Allentown was with Allentown, and the game scheduled to be played at Reading between the club of that place and the Harrisburg team was postponed on account of rain.

The determination of Manager Parks, of Easton, to again enter the State League of Base Ball clubs, once more leads all differences which existed in the organization, and he expects to have the personnel of his club so arranged as to make it possible to take up the regular schedule with Scranton tomorrow and Saturday. The games not played owing to the postponement will be played as so postponed games in the future.

A new Fourth of July schedule has been arranged so as to have both games played in Scranton with Hazleton, Reading both games at home with Allentown, Harrisburg both games with either Easton or Pottsville, as may be mutually arranged, and Allentown playing off its games with the club not coming under the above arrangement.

The following table gives the percentages of the clubs, together with the number of games won and lost by each, and their standing in the championship race:

Club	Won	Lost	Per Ct.

Wood's College Club Defeat No. 38 School Club by a Score of 12 to 3. Wood's College club and No. 38 School club played a postponed game yesterday afternoon on the James Boy's ground, resulting in a defeat for No. 38. The team representing that school was weak in coaching and in the outfield. Gibbs and Lewis were the battery for Wood's and Smith and Long battery for No. 38. The errors were evenly divided and resulted in runs being scored in almost every case. The score was: Wood's School, 12 1 0 5 4-12 No. 38 School, 0 2 1 0 0-3

GLINTS FROM THE DIAMOND.

The State league yesterday decided that those clubs which had signed Easton players subsequent to last Friday should retain them.
J. S. McMillan, of this city, has been appointed substitute umpire to officiate in Scranton in the absence of a regular league umpire.
Boston has signed Thomas J. Smith, the crack pitcher of the Holy Cross college team, and he may be put in the box today against Pittsburgh.
Umpire Larry Kretsch is doing jury duty in this city this week. He modestly wished to be excused, but the court thought otherwise.
Hogan is hitting the ball hard for Scranton. He had three hits off Money and played that makes three hits off on dandy little pitcher is a hitter, and no mistake.—Harrisburg Independent.
The Waterbury club has dropped out of the Connecticut league. In its place a club has been admitted from New Britain. The latter club will take Waterbury's percentage and fill its schedule agreements.
The local association is already considerably "in a hole" this season financially owing to rain and lack of attendance, which again demonstrates the oft repeated

saying that only a winning club pays in this city.—Binghamton Herald.

Where are the heavy hitters of the Allentown team? They haven't been doing anything at all lately. The men lack ginger and with a few exceptions amble about like so many old street car horses. It must be rather galling to the ex-National leaguers to see youngsters in their first season in the professional ranks take games from them with apparent ease. The reason is that the latter do not depend upon their reputation to win games—they go in with an air of vigor and play to win.—Allentown Chronicle.

GOSSIP OF THE AMATEURS.

W. Davis is pitching good ball this year. There will be a game of basket ball between two local teams at Hogan park next week.

It is expected that 5,000 people will witness the Young Men's Christian association sports this year.

The Young Men's Christian association and the Epworth League teams will play Saturday afternoon, June 16, at the Hogan park.

West Side Stars accept the challenge of the Tenth Street Stars to a game of ball Saturday at Little Woods grounds.

The Mayflowers of Minnesota will play any club in this country. First come first served. Answer through The Tribune.

There is some talk of putting in electric lights at Hogan park so that basket ball can be played out of doors in the evening.

The Oak Hill Base Ball club challenges the Cory Hollow Blues to a game of ball for this week, to be played on the Blues' grounds.

The colored men of the city have organized a base ball team and would like to cross bats with the Young Men's Christian association.

The Scranton Axle Works teams has organized for another season and will be out with a challenge in a few days against all comers, Eureka's preferred.

Ladies will be given complimentary tickets for the game Saturday afternoon between the Young Men's Christian association and Wyoming seminary base ball teams.

The St. Thomas college organized an athletic club Monday night; it will be a branch of the Xavier Athletic club of New York, which A. F. Sweeney, the champion high jumper of the world, is a member. This club will probably absorb the Excelsior Athletic club of this city.

A new Fourth of July schedule has been arranged so as to have both games played in Scranton with Hazleton, Reading both games at home with Allentown, Harrisburg both games with either Easton or Pottsville, as may be mutually arranged, and Allentown playing off its games with the club not coming under the above arrangement.

MISCELLANEOUS SPORTS.

The Haledale and Great Bend Trotting association will have their opening trot at the Keystone Driving park, Great Bend, on Tuesday and Friday, June 21 and 22. The result of the Derby race was received by the United Press from the New York office of the direct United States Cable company at 10:25.15 clock yesterday morning; just one second after it was filed in London.

Springfield, Mass., will hold no Grand Circuit trotting meeting this year, because of the trouble experienced last season over pool selling. The Grand circuit dates, as far as arranged, are as follows: Saginaw, July 9 to 14; Detroit, July 16 to 21; Cleveland, July 23 to 27; Buffalo, July 31 to Aug. 11; Rochester, Aug. 13 to 18; Aug. 21 to 24 is open, and will probably be taken by Boston, Poughkeepsie or Albany; Hartford, Aug. 24 to 31; New York, Sept. 3 to 5; Philadelphia, Sept. 11 to 14.

Thomas Reed of Pine Brook, has issued the following challenge: "I will play any man in the United States to a game of quoits, ten yards distance, on clay ends, to a two inch pile, five points apiece. Will give any man in Lackawanna county ten start in sixty-one points. Will play Corby Sunshine and will give twenty start in sixty-one points, on clay. Will give any man in Lackawanna county ten start in sixty-one points. Will play for \$50, \$100 or upwards. Will play John Rickaby, champion ball player, and give twenty start out of sixty-one points. Will play at Hogan park, winner to get good money."

In an article on yachting the London Field says: "The contention that the Vigilant was not a fair vessel to match against the Valkyrie, on account of her heavy construction, will be disproved by the fact that she is being strengthened for her Atlantic passage. We believe that the committee of the Royal Victoria Yacht club is not a member of parliament, but we are sure that the defending yacht for the Victoria gold cup should be built capable of sailing the Atlantic on her own bottom. The class was not adopted, owing to the difficulty of determining the fitness of build for the purpose. With reference to the difficulty of the Vigilant going days for set matches, a British yachtsman advises that she would not be a class in events, as the Navahoe did. If she cannot beat the particular craft in such matches, how on earth can she do so in dual contests, which do little or no good to the general cause of yachting?"
