MR. BARTL'S REPORT

Work Done to Make the New High School Building Safe.

MEETING OF THE BOARD OF CONTROL

City Threatens Suit if Assessments Are Not Paid—Recommendations of the Building Committee—Controller Evans Objects to the Site Selected for the New No. 10 School Building.

The board of control held a meeting last evening for the transaction of regular business. Two communications from City Solicitor Torrey were read. The first stated that the city treasurer had certified to Mr. Torrey for collection the assessment for grading Van Buren avenue, school No. 1, the amount of \$29.17, with interest from July 10, 1891. Unless the same shall be paid, the city solicitor threatens to bring suit. The other communication was in reference to a bill of \$18.17 for grading on Madison avenue, and was accompanied by a similar threat of legal procedure unless the amount is paid.

The members treated the matter very philosophically. Mr. Wormser and others stating that while the board had been in the habit of paying such claims for the sake of encouraging public improvements, yet it was under no obligation to do so. The claims were referred to the building committee.

That Peter Cavel was appointed janitor at No. 28, the position made vacant by the death of James Kelly, at a salary of \$35 per month. That L. L. Williams be employed as architect of the two room building to be erected on the lots recently purchased in the Nineteenth ward.

The following bids were received for the construction of a retaining wall at No. 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44, 46, 48, 50, 52, 54, 56, 58, 60, 62, 64, 66, 68, 70, 72, 74, 76, 78, 80, 82, 84, 86, 88, 90, 92, 94, 96, 98, 100, 102, 104, 106, 108, 110, 112, 114, 116, 118, 120, 122, 124, 126, 128, 130, 132, 134, 136, 138, 140, 142, 144, 146, 148, 150, 152, 154, 156, 158, 160, 162, 164, 166, 168, 170, 172, 174, 176, 178, 180, 182, 184, 186, 188, 190, 192, 194, 196, 198, 200.

The report of the building committee was adopted, as was also a resolution offered by Mr. Wormser that Architect Williams be informed that the cost of the new building for the Nineteenth ward must not exceed \$2,500.

NEW HIGH SCHOOL FOUNDATION. Civil Engineer E. A. Bartl, who superintended the work of securing the high school plot, also sent in his report, giving a detailed account of the operations of the Lackawanna Iron and Steel company in the premises. The outlets in the big vein were first closed with heavy dry walls and such substantial masonry supplied as was necessary.

At a meeting of the board of control, held last evening, the report of the building committee was adopted, as was also a resolution offered by Mr. Wormser that Architect Williams be informed that the cost of the new building for the Nineteenth ward must not exceed \$2,500.

TRYING HAND'S CASE

It Occupied the Attention of Court All Day Yesterday.

LUDWIG WEHLAU ON THE STAND

The German Physician Gives Testimony That Evidences His Medical Learning—A Small Strip of Moosic Land Causes a Big Law Suit—Robert Tinsley and John Walsh Are the Litigants.

The trial of the case of Dr. D. B. Hand against the Central Telephone company, was resumed before Judge Archibald in court room No. 2, yesterday morning. A message specialist, Mrs. Capwell, was placed on the stand. She had examined the arms of Dr. Hand and found that one of them was not properly developed. On cross-examination she admitted that she could not tell the difference between a paralyzed arm and one that had been affected by being carried in a sling.

Assistant City Clerk Evan L. Morris testified that the defendant company had been granted no license by the city. Richard O'Brien, however, had secured the right to erect poles and maintain the telephone system. For the maintenance of the Ginev fire alarm system a contract exists between the company and the city.

Dr. L. Wehlau was kept on the stand for a long time. He treated Dr. Hand prior to and after the accident in 1889 and his evidence was therefore of considerable importance. He was subjected to a severe cross-examination at the hands of Major Warren and bore the test well. During the trial it has been developed that Dr. Hand suffered from blood poisoning with a medical student, the cause of which was a dissecting wound, and that he was hurt while being thrown from a horse while in California. Dr. Wehlau, however, did not attribute the plaintiff's present condition to those causes. Dr. Wehlau has a long record of medical information on hand and is consequently interesting as a witness.

LAWYER FOR LAND. The case of Robert Tinsley against John Walsh was called on No. 1 before Judge Edwards yesterday forenoon. Hulslander and Young represent the plaintiff and Judge Stanton the defendant. The plaintiff owns three lots of land in Moosic having a frontage of 100 feet and a depth of 300 feet. Walsh owns lot of the east of Tinsley. The latter built a rear fence, but Walsh claimed it was on his land and moved it back, placing it diagonally across Tinsley's lots. Both claim the ownership to the piece of land cut off from Tinsley. The strip in dispute is 10 feet wide at one end and 40 feet at the other. Both claim a deed for the same. The case occupied the attention of the court the entire afternoon and the trial will be resumed this morning.

COURT HOUSE NEWS NOTES. Judge Edwards yesterday approved the charter of the Scranton Theatrical company. The will of James Kelly, late of the city of Scranton, was admitted to probate yesterday. In the matter of the incompetency of Charles Wood, Thursday, Sept. 20, was fixed for the hearing. In the estate of Dortha Thamm, late of the city of Scranton, letters of administration were granted to John Charles Miller. Court yesterday allowed the transfer of the license of Fahy & Dougherty, doing business at the corner of Spruce and Washington streets, to be made to John L. Gibbons. A rule was granted in the case of S. P. Mott, assignee of the Hyde Park bank, to show cause why a new trial should not be granted, rule returnable at argument court.

E. E. Hendricks, Mayor of Carbondale, yesterday began ejectment proceedings to evict J. J. Williams, J. W. Aitken and J. D. Stocker from the occupancy of a piece of land in Carbondale known as the "Dart Tract". S. S. Yeager, of Madison township, yesterday made a voluntary assignment to William L. Carr for the benefit of the former's creditors, and court appointed John Hunsinger and Milo Lyman as appraisers of Mr. Yeager's estate. In the case of Jasper Slossmaker against the Delaware, Lackawanna and Western company, Judge McPherson has granted a writ of mandamus to compel the company to grant a new trial should not be granted. The rule is made returnable at argument court.

Clerk of the Courts J. H. Thomas yesterday granted marriage licenses to Daniel Morrison and Frankie Zoric, both of Scranton; John E. Boland and Maggie A. DeWitt, Archibald; Claude Kilian, Scranton; and Nellie Brannon, of Wimmers; Gordon Miller, Scranton; and Martha Denney, Madisonville; William Farroll and Mary A. Kelly, Scranton.

BASE BALL MEN IN COURT. Director Martin seeks the Assistance of the Law. On the representation of A. L. Martin, one of the directors of the Scranton Base Ball association, Judge Edwards yesterday granted a rule to show cause why a writ of quo warranto should not be issued against it to show by what authority certain members of it now exercise the privileges of directors of said association.

Mr. Martin sets forth in his statement that W. A. St. John, William Batta, E. R. Robinson, Patrick Jordan, Jr., and Alexander McKee, without legal notice or authority, organized themselves into a board of directors and that they are now acting illegally in such capacity. The rule is returnable June 13.

To the Fire Department. The officers and members of the Scranton Fire Department are requested to meet at Franklin Engine house on Tuesday at 8:30 p. m. for the presentation of the late William Davis of said company. GEORGE R. SEYMOUR, Acting Chief.

LA MASCOITE AT FROTHINGHAM.

Sung in a Splendid Manner by the Mack-Kenny Company.

STRIKE IS ENDED AT LAST.

Bricklayers Obtain an Advance of Five Cents an Hour on Pressed Brick Work.

At a conference held yesterday morning between committees representing the striking bricklayers and bosses, it was decided that the men would return to work. The meeting was held in the office of General Schroeder in the commonwealth building. The following notice was issued from the Union:

The arbitration committee of the Bricklayers' Union, No. 18, met the bricklayer contractors of this city today and have agreed upon terms for the settlement of their grievances for one year, to the effect of May, 1895. Approved by the president of the Union, WILLIAM JOHNSON, President.

The workmen and contractors had held a conference Saturday at the rooms of the Builders' exchange, where the ultimatum of the builders was announced that the men should return at the old 35-cent scale. A compromise was offered by the men and refused by the contractors, involving a rate higher than the old one but less than the rate demanded by the men when the strike occurred. The strike in the morning adjourned without any agreement, but to reconvene in Mr. Schroeder's office, where the men signified their willingness to return to work.

The future rate will be the same as the old one, 35 cents an hour, except that 5 cents per hour additional will be paid men laying pressed brick. A number of the men will begin work at once on the new Robinson building on the South Side. Mr. Schroeder has a number of Philadelphia bricklayers at work on the brick foundation pillars for the new Mears building at the corner of Spruce street and Washington avenue. As long as they give satisfaction they will be retained.

The result of the strike is almost a complete victory for the contractors. Nothing was gained by the men except the additional 5 cents per hour on pressed brick. It is quite likely that this item could have been obtained without resorting to the striking methods. The men have been out about five weeks.

FAVOR SUNDAY OBSERVANCE. Passed by the Presbyterian Cleric at Its Meeting.

At a meeting of the Presbyterian cleric held in the city of Scranton, the following resolution was adopted: Resolved, That the Presbyterian cleric, composed of all the Presbyterian pastors of Scranton and vicinity, hereby unanimously declares itself as heartily in sympathy with the Christian citizens, through the committee, to enforce the legal observance of the Sabbath. In order to make this sympathy practical at the present time we hereby earnestly petition the city mayor, to see that the law touching the protection of the Christian Sabbath shall be faithfully executed in the city of Scranton; also that he will accept fairly and cordially the aid which these Christian citizens, by their committee, may be able to bring to him, in order to secure our city against the unwarrantable disobedience to the Sabbath law which is now so prevalent and that a committee, consisting of Rev. C. E. Robinson, D. D., Rev. S. C. Logan, D. D., and Rev. Mr. McLean, be appointed to wait on his honor in this behalf; also that this action be brought to the citizens' committee.

MEETING AT COLLEGE HALL.

Committee Appointed on Constitution and By-Laws.

The young men of the Cathedral parish whose purpose is to organize into a body where the members meet for moral, intellectual and physical benefit, assembled last night in College Hall. D. J. Reedy was chairman of the meeting. Secretary John F. Doyle read his report in regard to procuring copies of the laws from different societies throughout the country formed on the plan which this one intends to follow. In order to adopt a constitution and by-laws the following committee was appointed: R. J. Beaman, George J. McDonald, John J. Gordon, William McCormick and John F. Doyle. The above committee will report at the next meeting and then it is expected that permanent organization will be effected. There is no limit to the territory from which members applying for admission to this society may be taken. A desirable candidate will be welcomed, no matter where he lives. Several new names were added to the list awaiting for membership. The meetings will be held hereafter, each Tuesday night, tonight excepted.

WANT BIG DRAZES. Property Owners May Prevent the Grading of Parker Street.

The board of viewers appointed to assess damages in the matter of the proposed grading of Parker street, met in the office of City Engineer Phillips last evening for the purpose of listening to the property owners concerned. Quite a number of the latter were present. City Engineer Phillips was also there and explained the maps as occasion required.

The damage claims put in by the property owners aggregated \$1,900, to which it is estimated \$49,500 should be added for court expenses. Those two items present a serious obstacle in the way of the proposed improvement, and it is therefore more than likely that the street will not be graded as intended.

More Aid for Striking Miners. The following additional contributions have been received since the last report by Messrs. Metcfe and McDermott for the striking miners in the soft coal region: The children's sake, \$2; George McDonald, \$2; Cash W. C., \$5; Cash, \$1; John R. Farr, \$2; Joseph T.
