DESPERATE FIGHT AT SMITHVILLE

Valinski Wynack Sustains Injuries That May Prove Fatal.

HIS WIFE CAUSED TROUBLE

Wynack Thought She Was Unfaithful to Him and Wanted to Take Her Home from Zendo's Boarding House—Set Upon by the Proprietor and Boarders and After Being Beaten Into Insensibility Was Thrown Out of the House.

Special to the Scranton Tribune.

PITTSBURGH, June 19. VALINSKI WYNACK, of Smithville, is in a critical condition as a result of a beating he received last night at the boarding house of Kosmer Zendo. Three of the men who assaulted him are under arrest.

Valinskie with his wife boarded with Zendo, but learning of undue familiarity on the part of his wife with several of the boarders, Wynack secured correct, by asking her to return to her home. The request was a signal for a fight that was terrific while it lasted. Finally half a dozen of the men sprang upon Wynack. With the rage of a madman suffering from disgrace and humiliation, he defended himself until overpowered by the large odds against him.

Wynack fell prostrate on the floor. His assailants not content with the beating given him kicked him until every inch of his body was black and blue. After having done so they threw him out of the house, where he lay placed in position, and the crossing over the railroad at the lower end of the line are being put in. The trouble over the gravity crossing of the Delaware and Hudson company is said to have been settled, but as yet no effort has been made to cross. Every evening a trip of coal cars is locked to the rails directly in front of the street railway. This would not seem to indicate that the Delaware and Hudson company will not interfere.

An adjourned session of the school board was held on Monday evening for the purpose of hearing the report of the building committee, with reference to the improvements at the municipal building in the Second ward. It was the sense of the board that whatever would best serve the purpose, an addition to the old building or the erection of an additional one on the same lot, would be done. The secretary was then directed to advertise for proposals for both plans, and whatever will be the most practicable and least expensive will be adopted. The sanitary condition of the graded building was also considered and steps will be taken to remove or change the closet system now in use. The present condition of the school from a sanitary point of view is far from satisfactory, and so many complaints have been heard concerning it that the board feels justified in making a change for the better. This matter will be further considered at the next meeting of the board.

The people of this place were startled yesterday morning at 10 o'clock by the explosion of a magazine containing a quantity of giant powder which was located near No. 5 mine of the Delaware and Hudson company. The powder was part of a lot being used by Contractor Duggan, who is blasting rock in the mine. What caused the powder to explode is not definitely known, but it is supposed to have been overheated by the fire in the building. The concussion caused by the explosion was so great that houses more than half a mile away were shaken by its force. Some of the houses nearby were badly damaged, particularly those of Henry Simon and Philip Burhan, and nearly every home on the hill had glass, dirt and like articles broken. The house which the powder was stored was blown to atoms. Fortunately there was no one near the building at the time.

DEATH OF GEORGE D. COUCH.

Well Known Carbon-dale Citizen and Had Many Friends Here.

Yesterday morning at 10:30 o'clock occurred the death of George D. Couch at Carbon-dale. He had been in poor health for some time, but the immediate cause of his demise was pneumonia.

Mr. Couch was born in Herriek and was 48 years of age. He occupied the position of teller in the First National bank for many years and up to the time of his death. Previous to Mr. Couch coming to this city in June, 1887, he had been a resident of this city and is especially well-known among the bankers here.

In addition to his late business Mr. Couch was treasurer of the Odd Fellows' Hall association, treasurer of the First Methodist church, treasurer of the building committee of the Hotel Anthracite just completed at a cost of \$100,000, recently the treasurer of the Young Men's Christian association, secretary of the local board of underwriters; an active member of the Odd Fellows, Masonic, Heptasoph and Arcanum fraternities, in which he has held many offices; a member of the Maplewood Cemetery association, until recently a director in the Rock-cliff Water company, and of a lumber company in Scranton. In addition to all these duties he conducted a large and prosperous insurance business and had lately opened a branch office in this city.

Mr. Couch is survived by a widow and three children, Frank, Helen and Fred. The funeral will occur Thursday afternoon at 3 o'clock, from the residence on Washington street. Interment will be in Maplewood cemetery.

DOCTOR OF ALCANTARA.

Sung in a Splendid Manner at College Hall by Amateurs.

A cultured and discriminating audience witnessed the presentation at College hall last night of Echnberg's successful comic opera by a company of Scranton amateurs. The title of the opera is "The Doctor of Alcantara," and the plot requires that the performers must possess in order to please, good voices and merit of more than ordinary character.

Miss Julia Allen as Inez, the Maid, was superb. Although she was suffering last night from illness, her work, nevertheless, was of a high order.

Miss Gertrude McEneaney showed herself to be capable of acquitting a trying role with credit, and special notice is deserved of the part of Will F. Burke as Doctor Paracelsus and Edward Walsh as Carlos.

The singing of the chorus was delightful in the last act and well deserved applause, and the splendid effect of the music was enhanced by the rendition of the orchestra, in charge of Professor W. P. Schilling. The piece will be repeated this evening.

THEY WERE NOT CONSULTED.

Absence of Central City Druggists from the Association Meeting.

The call issued by President J. J. Davis, of the Scranton Druggists' association, for a meeting yesterday afternoon, did not result in a session, nor was it apparent to members for what purpose the meeting had been suggested.

The central city druggists were conspicuous by their absence at the hour the meeting was supposed to occur. They were not consulted as to the arrangements or purposes of the session, and were any of the association's members, save the first, who asked that a special call be issued.

Secretary Matthews, of Matthews Brothers, said he was entirely in ignorance of what the call was for, and

IT IS NOW CAPTAIN H. B. CHASE.

Result of Company C Election Conducted by Major Mattes.

The vacancies in the offices of company C, Thirtieth regiment, caused by the resignation of Captain James Moir, were filled by an election conducted at the armory last evening by Major C. C. Mattes, commander of the First battalion. Following is the result of the election: H. B. Chase, captain; Frank Robinson, first lieutenant; W. A. Rane, second lieutenant.

Each of the new officers had previously filled the commissioned position, a grade below their present office, except in the case of now Second Lieutenant Rane, who was first sergeant of the company. After the election the newly elected tendered a "spread" to the man at Ziegler's cafe.

It is understood that the vacancy in the office of first sergeant, caused by the election, will be filled by Captain Chase by graduation appointments of the non-commissioned staff.
