VERY SERIOUS OFFENSE

Arthur Long and William Phillips on Trial for Robbery.

WILLIAM HILLS THE VICTIM

Between Ten and Fifty Dollars Taken from Him—Ten Year-Old Boy Pleaded Guilty to Burglary and Sentence Was Suspended—Woergle Said It Was a Mistake, but the Jury Couldn't See It That Way.

Arthur Long and William Phillips, two young men who reside in the northern part of the city were put on trial before Judge Gunster yesterday charged with the serious offense of having on the night of April 28 last, attacked William Hills in Green's lane and relieved him of a sum of money ranging from \$10 to \$50.

The accused are defended by Attorneys Joseph O'Brien and C. S. Woodruff and Attorney Geo. S. Hora is assisting the district attorney in the prosecution of the case.

Much of the afternoon was consumed in selecting a jury according to the rules of over and terminer court and Mr. Hills then went on the stand and consumed the remainder of the time of the session with a description of the manner in which he was robbed.

A verdict of not guilty was returned in the case of John and Bridget O'Hara charged with malicious mischief by Mrs. Annie McGilligan, and the costs were equally divided.

Mrs. Mary Jones was found not guilty of having assaulted Mr. Michael Lyman, and the prosecutor was told to pay the costs.

SMALL BOY BURGLAR. William Desmond, a boy 10 years of age, pleaded guilty to having burglarized Jones, Simpson & Co.'s store at Archibald, and at the request of the prosecutor, W. H. Blake, sentence was suspended. Verdicts of not guilty were returned in the cases against Joseph Badinga, Joseph Biddons and Adam Wilkalis.

John Woergle, of Providence, was arraigned before Judge Gunster in the main court room on a charge of larceny and receiving. Mrs. Elizabeth Newby is the prosecutrix. The defendant's counsel was A. A. Vosburg and District Attorney Kelly represented the commonwealth. The story of the prosecutrix was that several months ago she one day entered the house of a Hungarian woman, who was one of her neighbors. Mrs. Newton had been three days at an all night without sleep on account of the illness of one of her children, whom she was nursing, and was worn out by fatigue. Her neighbor induced her to lay down and sleep, and while she slept her pocket book, containing a considerable sum of money, disappeared from her pocket.

Woergle was suspected of the crime, but denied that he was guilty. On his arrest, however, a pocket book, which Mrs. Newton recognized as her property, was found on his person. It was stoutly maintained by Woergle that he was not guilty of the theft, and that Mrs. Newton was deceived by the fact that his pocket book strongly resembled that which was taken from her. The jury found him guilty. In the case of J. W. McLain, charged by William Hess with defrauding creditors, Judge Edwards directed a verdict of not guilty, but the jury said that Mr. McLain should pay the costs.

MUST PAY ALL COSTS. Michael Matijewicz was put on trial before Judge Edwards charged by Maria Woybela with assault and battery. Immediately afterwards Matijewicz appeared as prosecutor in a case of assault and battery against Joseph Parystok. Matijewicz resides at Erieburg, where he conducts a hotel, and both cases are the outgrowth of an all night party to which he had invited several persons from his hotel. In each case verdicts of not guilty were returned and Matijewicz directed to pay the costs.

Forty witnesses were examined yesterday.

PASSENGER CAR WRECKED. Accident on the C. R. R. of N. J. at the Steel Works Switch. Passenger train No. 18 on the Central railroad of New Jersey, which leaves this city at 5 p. m., met with an accident yesterday across the river from the south works of the Lackawanna Iron and Steel company.

A switch engine on the D. L. & W. railroad had left the steel mill yard with a trip of five cars loaded with steel rails. At that time the rain had been falling and the rails were slippery. The switch engine had crossed the tracks of the Jersey Central and was climbing the grade that leads to the main line. The engine was not able to haul the trip up the grade, and the cars began to run backward.

The passenger engine on the Central had passed the crossing except the rear car and into this the uncontrolled cars ran. The result was the derailment of the rear coach and a general shaking up of the passengers, of whom there were about a dozen. A wrecking crew reached the scene a few minutes later and the wrecked car was detached and the train resumed its journey toward Manch Chunk. None of the passengers were injured, and the damage did not exceed \$50.

AT WONDERLAND.

Golden Giant Presented Twice Yesterday by a Very Clever Company.

The charming melo-drama, "Golden Giant," was on the boards at Wonderland yesterday afternoon and again at night. It will be given again tonight, and a change of bill will be announced for Friday and Saturday.

Robert Cummings, as Jack Mason, the scoundrel, showed himself to be an actor of much force. The work of the rest of the cast was of a high order, and the play on the whole deserved a crowded house.

The scene at the ending of the second act where the dislocation of "Lend-thee" between Jack Mason and Alack Warwick on account of an affair between Mason and the latter's sister, was a fine example of the deeply pathetic.

Marriage of Miss Annie Scholl to Henry Pfeiffer.

The marriage of Miss Annie Scholl to Henry Pfeiffer, of West Side, last evening, proved to be one of the most brilliant events of the season.
