CITY NOTES.

John M. Ward, of New York city, is visiting his uncle, Judge Ward.

Dreary Sheriff Gaffney, yesterday sold the stock of notions of Anna J. Thomas, of Carbondale, for \$34.54.

The gentlemen's driving club will hold its first meet at the Driving park Saturday afternoon at 3 o'clock.

The Scranton Glass company's factory at Green Ridge shut down last Saturday for the annual summer vacation.

The Scranton Callonian club entertained a number of the delegates to the recent convention at Fairview yesterday.

The employees of the Elty Creek and Clinton collieries of the Delaware and Hudson Canal company were paid yesterday afternoon.

The Penn Avenue Baptist church and Sunday school go to Lake Ariel, Saturday, July 7. Tickets 50 cents; children 30 cents. Train leaves at 8:30.

The Oxford, Dodge and Bellevue collieries were paid yesterday. The employees of the Hampton and Sloan collieries and of the machine shops will be paid today.

The will of George D. Couch, late of Carbondale, was admitted to probate yesterday by Register of Wills Koehler, and letters testamentary granted to Lydia J. Couch.

Rev. G. L. Maise, pastor of Zion Evangelical church on Copouse avenue, will deliver a sermon next Sunday evening. The choir will prepare for the same on Friday evening.

A party of local coal men will leave this city this morning for Richmond to inspect the new coal works at that place. They will leave this city on a special car attached to the 10:55 a. m. train over the New York, Ontario and Western railroad.

Richard Pritchard, an old man who resides on Linden street, suffered a sun stroke Wednesday morning while walking about town. He was removed to his home here by Dr. B. Hand attended him. Yesterday Mr. Pritchard had almost entirely recovered.

George Davis, aged 24, of Moosic, and Mary James, aged 18, of the West Side, took out a marriage license yesterday. They called upon Alderman Fitzsimmons and requested his honor to make them one. The alderman raised his hand over them and pronounced the words of the ceremony. They departed with happy smiles.

The first party from the Young Men's Christian association took possession of the cottage at "Point O Woods," Great South Beach, yesterday. A second party will go down on Saturday. From the inquiries and applications for rooms it would seem that the association had struck a popular feature when it secured the pleasant cottage.

There was only one new patient received at the Lackawanna hospital yesterday, and that was the man, Fadden, of whom mention was made in Monday's issue of THE TRIBUNE as having been found playing in the Lackawanna river at Love road. The officials at the hospital say that he is demoralized without a doubt, but that it is only temporary.

A piano recital will be given at 108 Tenth street, Hyde Park, this evening by the pupils of Miss Anna R. Williams, and Mrs. Charles Metzgar, violinist, and Mrs. Charles Metzgar, soloist. The program will be rendered by the following pupils: Misses Bertha Carson, Jessie Wert, May Pinnell, Sadie Colett, Jessie Bevan, Effie Fellows, Anna Merriman, Jessie Phillips, Grace Hinman, Nettie and Beattie Meers, Nellie Williams, Mary Phillips, May Edwards, Nellie Donnelly, Lavinia Phillips, Lois Fellows, Lizzie Houser, Nellie Fellows, Harriet Ward, Grace Chamberlain, Mabel Christ and Master Robert Carson.

Open All Night at Lehman's Spruce street.

NO MORE TROLLEYS

Scranton Rapid Transit Company Wanted to Build Two New Lines.
COUNCIL REFUSES FRANCHISES

The Mayor's Recommendation Not to Allow an Exonerator is Upheld by Only Three Members—Franchises Asked for Two New Trolley Lines in the North End—Linden Street Bridge Ordinance Again Delayed.

The Scranton Rapid Transit company received its second knock out at last night's council meeting when the railway committee again reported adversely on the ordinance providing for the granting of two franchises to the Rapid Transit company.

The routes, one from Peterburg into the city and the South Side route, both of which were held by the Scranton Traction company until annulled recently by the mayor. The first adverse report was made last month but Mr. Connell, of the Twelfth ward, at the last meeting succeeded in having the matter again referred to committee.

After the majority's adverse report was submitted last night, a minority report was presented by M. E. Clark, of the Sixth ward. The report alleged that the Scranton Traction company furnished the public with poor service, charged two fares within the city limits in violation of the law and failed to keep the pavement within the track in proper repair. The minority report further stated that the granting of franchises to a new company would injure the business of the old company and the satisfaction of the people and that the franchises asked by the Scranton Rapid Transit company were in accordance with the wishes of the public. Other reasons were cited why the ordinance should pass.

TRACTION COMPANY SCORED.

After a motion to adopt the adverse report Mr. Connell moved to substitute the minority report. He said the Scranton Traction company had produced valuable franchises free of cost and had only given a poor service in return.

The motion to adopt the minority report was lost by the following vote: Ayes—Thomas, Clark, Rocha, Wagner, Burns and Connell.

Nays—Boss, Finn, Kelley, Williams, Schwick, Manly, McCann, Fellows, Kallow, Westphal and Lauer.

Members Wagner, Connell and Thomas afterwards changed their votes to "nay," and the majority report was adopted.

The license committee reported favorably on the pole tax ordinance, which was received without opposition and ordered printed. It provides that each pole supporting electric wires shall be taxed 50 cents, and that all shall be painted a uniform color. The ordinance is similar to the Browning measure, which was defeated last spring.

A communication was received from Mayor Connell which stated that he did not recommend the application of Mrs. Katherine Ruane, of the Twelfth ward, for tax exoneration. Mr. Rocha said he could not agree with the mayor, but advocated the exoneration, which was for a small sum. He said corporations had been exempt from taxation and he thought councils should do by an individual as they had by rich companies.

LAUER UPHOLD THE MAYOR.

Mr. Lauer upheld the mayor's recommendation, and said the clause in the communication that the exoneration would be illegal was true and the recommendation should be concurred in.

President Cullen, Mr. Thomas and Mr. Lauer, only voted in accordance with the mayor's communication. Bids for constructing the sewer systems in Carbon, Jordan, Mineral and Sixty streets were referred to committee.

The following bids were received: John Ferguson, \$1,100 per lineal foot; Flanagan & O'Hara, \$1,500; Vincent H. O'Hara, \$1,400; Howley Bros., \$1,500.

A resolution was adopted directing that a competent engineer be engaged to pass upon the proposed plans for the bridge. A resolution providing for a change in the line of a street from the Sixth street and North Main streets between the termini of the proposed Linden street and the present Swinland street bridge, was referred to committee.

An ordinance permitting the North End Railway company to build new trolley lines was referred to committee. The routes proposed are from Main avenue in Providence along Market street to Dickson avenue; also, a line beginning at the intersection of Penn avenue and Delaware street to Sunset avenue, to North Washington avenue, to Olyphant road, to city line; also, on Columbia avenue from Washington avenue to the boulevard.

A SOUTH SIDE SEWER.

An ordinance creating sewer district No. 17, in the Eleventh, Twelfth and Nineteenth wards, passed first and second readings. The ordinance providing for the purchase of fire department horses in addition to the number provided for in the recent appropriations created a discussion which resulted in laying the measure over until the next meeting. The funds with which the additional horses are proposed to be purchased are the amounts in excess of the actual cost of the first batch of animals purchased.

The Linden street bridge ordinance, which was taken from committee at the previous meeting, came up for first reading, but was laid over for one week.

An ordinance providing for better regulations in keeping sidewalks clear of snow and refuse and making owners responsible passed third and final reading. An adjournment was made until next Thursday evening.

WILL OF MRS. EMMA SIVELY REED.

She Made Requests to Religious and Charitable Institutions.

The will of the late Mrs. Emma Sively Reed, of Quincy avenue, was admitted to probate yesterday and letters testamentary granted to Almida Norton and Attorney George S. Horn.

Mrs. Reed gave to her daughter, Almida Norton, known as Meda Reed, the building and land on the northwestern side of Quincy avenue between Linden and McIntire streets, together with the household goods, furniture, stock of goods in her store and book account. To her brother, Charles H. Sively, and sisters, Mary Steinman, Sarah Jane Marsh and Hannah Jennings, share and share alike the coal and other minerals under lands at Dunwoody which were owned by Mrs. Reed.

She also bequeathed to her brother and sisters the sum of \$1,000 each at the same amount to her sister in law, Mrs. Louisa Jones, of Trenton, N. J.; to her niece, Emma S. Scott, to the

JOHN R. JONES IN THE FIELD

His Clean-Cut Announcement is Made Openly Without Blazonry, Fearlessly Without Effrontery, Confidently Without Egotism—Successful Career as a Student and Lawyer—Valuable Services Rendered His Party.

PROSPECT OF A BEEF FAMINE.

The Supply of the Western Dressed Article is Running Very Low in This City.

Three cars of meat were shipped Saturday and Sunday from Kansas City, Omaha and St. Louis for Scranton wholesale dealers, but unless the strike is settled and the cars reach here by Monday Scrantonians will find considerable difficulty in supplying their tables with fresh beef.

From all the facts obtainable it is a reasonable conclusion to predict that next week the succulent prime rib roast will be conspicuous by its absence and that the inevitable epidemic will start to death or else eat aged spring chickens, old cow or crow.

The fifty dressed cattle which were in the cold storages early this week are now in the refrigerators of the various retailers, and this supply, together with the few beves secured from the near country districts, is all that has prevented a complete beef famine. This stock will be exhausted before Monday, after which the only available supply will be the cows, unfattened steers and young bulls of the farmers, none of which will cut up into very savory morsels.

The larger retailers have not raised their prices, but the smaller dealers have added from 2 1/2 to 3 cents per pound. It is probable that next week the big shops will ask the same advance, or else be compelled to offer customers a tough and unweary quality of beef.

Several retailers who were out into the country yesterday found that the farmers are aware of the scarcity of the western supply and want a high price for their good stock. At this season of the year prime native beef is scarce.

Private advices from the west to the cold storages contained the information that there was no prospect of shipping any stock this week. The wholesalers were further advised to hold any stock for high prices. The instructions came too late, as all the western beef in the city had been sold and none has arrived since Sunday.

It cannot be denied that the strike has materially affected the price or supply of grain, produce, etc., except California fruit, none of which has been received here.

The wholesalers assured a TRIBUNE reporter that as soon as the embargo is raised, Scranton will get meat as quickly as New York, Philadelphia, Boston and other eastern cities.

Several retailers, however, expressed the opinion that no live stock was coming into Chicago and when the strike is settled it will take a week or ten days to secure the cattle, and that two or three days more will ensue before the dressed product can be delivered in the eastern markets.

TO BRUSH UP ON ANATOMY.

Doctors Have Organized the Scranton Anatomical Society.

The Scranton Anatomical society has been organized with the following members: Dr. N. L. East, Dr. P. E. Gunster, Dr. S. P. Longstreet, Dr. L. Weblau, Dr. D. B. Hand, Dr. A. H. Bernstein, Dr. W. E. Allen, Dr. George Reynolds, Dr. A. J. Kolb, Scranton; Dr. S. Lynch, Clark Summit; Dr. George C. Brown, Pleasant Valley, and Dr. C. C. Mackey, Waverly. The society yesterday adopted a charter through Attorney F. E. Foley.

"The Anatomical society will be in a measure a school for physicians and surgeons," said one member of the society to a TRIBUNE reporter yesterday. "A perfect knowledge of anatomy is most essential to the physician, yet we are becoming more and more rusty in regard to it as the years roll by that separate us more widely from the date on which we were graduated. To enable us to brush up our knowledge of anatomy this society was formed."

"We will obtain suitable quarters for meetings where subjects will be dissected and discussed by the members."

This is a Elix Season.

Having bought the remaining stock of a leading manufacturer of Telford silk, although worth \$1.25 a yard, we will place them on our counters Saturday morning for only 75 cents. This is the greatest bargain in silk ever offered to the ladies of Scranton. Remember they are all good in new styles and were never offered for sale before in the city. Price good until goods are all sold.

Mrs. Shellenbeger Granted the Benefits of the Petition for the Poor.
Mrs. Georgiana Shellenbeger was yesterday allowed by the court to take the benefits conferred by the woman's separate earnings act.

Mrs. Shellenbeger's petition sets forth that she is the wife of Eugene Shellenbeger, but wants to do business in her own name, and therefore asks to be allowed separate earnings.

The petition, by order of the court, was recorded in the office for the recording of deeds, and Mrs. Shellenbeger granted the benefits prayed for by her.
