NEWS OF WEST SIDE

Board of Trade Holds a Highly Interesting Meeting.

MATTER OF PARKS CONSIDERED

Believe That the Round Woods and Tripp's Woods Should Be Secured by Councils for Public Breathing Places—Mrs. Harris Removed to Her Home in Texas by Her Son. Other News Notes.

The West Side office of the SCRANTON TRIBUNE is located at 113 North Main avenue, where subscriptions, advertisements and communications will receive prompt attention.

A regular meeting of the West Side board of trade was held last evening in Clark's hall on South Main avenue. D. M. Jones, president, H. D. Jones, of the streets and bridges committee, reported in the matter of paving Ninth and Robinson streets, that progress had been made and that it is sure to go through. T. H. Dale learned that a plot of ground on South Main avenue had been purchased by a manufacturing company, and if needed any assistance it would call upon the board. In the matter of obtaining a park on the Tripp property Charles E. Daniels said that he was speaking to some of the trustees and they said it could be purchased at a nominal price. On further discussion the Round Woods was found to be the more favorable.

Mr. Dale remarked that in a growing city it is advisable to procure as many parks as possible. In regard to the question of a viaduct, it was said that the sooner the viaduct was obtained the better. On the widening of Price street progress was reported by Mr. Dale.

The following resolution was offered by Mr. Dale:

Resolved, That this board heartily approves the project of procuring the Tripp park for the accommodation of that portion of the city, but at the same time we renew our expression that for Hyde Park no place is as suitable as the Round Woods.

An amendment was made to the by-laws by Mr. Dale, reducing the monthly dues from 50 to 25 cents. The matter was laid over for one month. The secretary was notified to send the members a circular requesting them to attend, after which the meeting adjourned.

The party left on the Delaware, Lackawanna and Western train at 1:50 p. m., yesterday.

NORTH END.

Lectures of Rev. Dr. Hawhurst on the Passion Play.

The lecture by Rev. Dr. Hawhurst last evening at the Park Place church upon the passion play at Ober Ammergau was attended by a large number who evidently appreciated the interesting remarks made by the speaker deduced from his experiences when he attended the last passion play.

The views were exceedingly fine and well maintained. Various new points in the history of Christ must have been gathered by the audience, and the stereoscopic views gave additional force to the valuable explanations rendered by the lecturer. There is no doubt that the series of lectures must prove a great educational boon, and the audience of last evening testifies that they are duly appreciated.
