### THAT TIRED FEELING AGAIN.

You Will Get It, Gentle Reader, When You Scan This Score.

ALLENTOWN, Pa., July 11.—After holding the heavy hitters of King Kelly's team down to three hits in eleven innings, while his own nine made eight, Hodson today had the satisfaction of seeing the game lost to Scranton through stupid base running and a general lack of ginger. The game that Hodson pitched would have won anywhere in the United States except in a team that felt that tired feeling like Scranton feels it when away from home. The score:

There is great dissatisfaction here in base ball circles, because the State League schedule committee changed the order of games this week after they had been advertised. Pottsville was to play two games in this city on Friday and Saturday, but the schedule makes no provision for a game on Friday by Harrisburg, and requires it to play in Lancaster on Saturday. E. K. Meyers, owner of the Harrisburg club, will insist on playing games here on Friday and Saturday in accordance with an understanding that the schedule for this week should not be changed.

### GLINTS FROM THE DIAMOND.

Eddie Burke is playing the game of his life in left field.

And now Boston, barring accidents, should never be headed.

It is said that Joyce would like to get away from Washington.

Duffy made his one hundredth hit last Monday, being the first player in the country to reach that figure.

The James Boys and the Eureka of Providence will play a game of ball in Hogan park today at 4 o'clock for \$100 a side.

The West Side Stars challenge the Elroyrs to a game of ball on the Little Woods grounds Thursday, July 12, at 10 o'clock. Louis Davies, manager.

Left fielder Jesse Burkett is on the outs with the Cleveland management and wants to get away from that city. New York would gobble him up in a minute, but Manager Tebeau will not let him go.

A challenge is issued to any fire company for a game of base ball and a tug-of-war on the Stova Works grounds on July 23. Address manager of the tug-of-war team, Frank Roebeling, and of the base ball team, Harry Meyer; J. J. Martin, captain.

The Blue Belts defeated the Wyoming Stars yesterday by a score of 25 to 6. Blue Belts' battery, Shepleman and Campbell; Wyoming Stars' battery, McWilliams and Norton. Game bright and Kelly of the Blue Belts' nine occupied the points for the Stars during the last inning, during which five batters were hit with the ball.

The Active of Green Ridge took another game from the Sixties by a score of 21 to 8 yesterday. Green and Young are the Active's; Evans and Manley, battery for the Sixties. The Active challenge the Union Stars of Dunmore for a game on the Stova Works grounds. E. Young, Manager; Gavon, captain. We also challenge any club under 15. First come first served.

The Philadelphia Times says of Tiesadachman's review: Scranton and Philadelphia in the Quaker City. The Colts, as the local State league have been dubbed, to prevent confusion with the National league, got even with Scranton yesterday by winning their initial victory. The team played much better together than they did on Monday, and batted hard. It was essentially a pitcher's battle, in which Knickerbocker of Scranton demonstrated that he is up to the tricks of curving the ball. In fact, so good was his work that it was decided to let him finish out the game instead of allowing Taylor to pitch the last five innings. Flanagan proved a stumbling block to the Colts at the start, but weakened considerably. Ten men were struck out by him, but he gave several bases on long hits. Hard catches by Rogers and Hogan were the features, but Bascom, Clark and O'Brien, for the locals, felled well. Laster's batting was also a feature, and O'Brien hit in the eighth inning, a two-bagger, sent in the winning runs.

### ECHOES FROM MANY TIRES.

Country roads are in fine condition for riding.

A Rochester, N. Y., turpicks company charges 5 cents for wheelmen.

Johnson has grown considerably during the last year, and weighs, when in condition, 165 pounds.

The patronage of cyclists is so profitable to the keepers of places of amusement in New York city that at Kester & Biak's a portion of the garden was reserved for wheelmen. There is a wheelroom regularly attached to the establishment.

It is now stated in connection with the recent circuit that Zimmerman will bring back a number of professionals in the fall for the purpose of holding indoor tournaments that the backers of the National Cycling Association, which inaugurated professional racing about a year ago, are behind the scheme. Still those who are well posted are disposed to doubt the accuracy of the rumor.

Sanger was on the scratch in the two mile handicap at Fort Wayne, with a field of eight ahead of him. It took a mile and a quarter of hard riding to catch the bunch. On the home stretch Sanger was leading by a length and looking back when John Gue Steele, a Chicago lad, flew out and gave Sanger a fierce battle. Steele was little and quick of motion, Sanger large and cumbersome. Steele passed him and in a most exciting finish won by six inches.

A. A. Zimmerman, the American bicyclist, made his first appearance at the Buffalo Velocipedes yesterday. He was timed for \$500 a side against Edwards, the English rider. In the first race, distance one kilometer, Edwards went to the front, closely followed by Zimmerman. On the third lap Zimmerman let himself off and won by several lengths. The final lap, one-third of a kilometer, was covered in 23.5 seconds, making the record. Zimny also won the second race. Wherever he cleared the third.

Arthur W. Porter, the holder of the

world's class A record of 2m 35, who has been under a wide-awake investigation into his amateur standing, has filed an affidavit with Chairman Raymond, of the League of American Wheelmen racing board, to the effect that he bought and paid for his own wheel and never received a cent for riding. The manufacturer of the wheel which Porter rides corroborates Porter's statement in an affidavit.

Buffalo has the reputation of producing some of the fastest cyclists, tandem and quadruples in the country, and now a triple to be added to this list. W. G. Schaeck, a well-known Buffalo amateur, mounted on the Emblem triplet Saturday night. It weighs only 65 pounds, is geared to 90 inches, and runs like a top. Mr. Schaeck will put a fast 8 miler trio on the machine and send them for a mile in two minutes.

### GENERAL SPORTING NOTES.

Jerry Marshall has found a backer to match him against George Dixon at 125 pounds, the men to weigh in at 8 o'clock on the day of the fight. Marshall's backers will put up \$1,000 that he will weigh in under 130 pounds.

Joe Walcott added another to his long list of victories at Boston last night, by knocking out Dick O'Brien, of Lewiston, Me., in the twelfth round in one of the best glove matches ever seen in Boston, and he now stands at the head of his class. The work was not on the part of both men from start to finish. Nearly 3,000 people were wrong-footed by Dick O'Brien, who seemed during every round and a majority went to more favorable to O'Brien, although the colored man did not lack admirers.
