

Teachers of Cookery

have critical audiences. Their cooking must be perfect. They can't afford to make any failures and in their work they must use the best.

"I have used Cleveland's Baking Powder exclusively for several years, because I have found it what it claims to be, pure and wholesome. The results have been uniformly satisfactory."

Mary J. Lincoln,
Author of the "Boston Cook Book."

"I prefer to use Cleveland's Baking Powder because I consider it perfectly wholesome and it has always given uniform results."

Carrie M. Dearborn,
Late Principal Boston Cooking School.

"I am convinced Cleveland's is the purest baking powder made, and I have adopted it exclusively in my cooking schools and for my daily household use."

Sarah T. Rorer,
Principal Philadelphia Cooking School.

All leading teachers of cookery and writers on Domestic Science use and recommend

Cleveland's Baking Powder.

It's "Pure" and "Sure."

HELD SECRET SESSION
Citizens Sunday Observance Committee Getting Down to Work.

NOTHING FOR PUBLICATION

That is, in effect, what the Committee told a Tribune Reporter Last Night--An Outline of the Plan That Will Be Followed Obtained From Another Source--When Work Will Begin to Enforce Law.

There was a meeting yesterday afternoon of the recently and preliminarily organized citizens' committee which proposes to continue Sunday observance prosecutions abandoned by Rev. F. A. Dony and to also deal with grosser violations of the Sunday laws.

At 4 o'clock many members of the committee gathered at the appointed place and retired to the reception parlor, where they remained for some time.

ASPHALT OR VITRIFIED BRICK?

That is the Question Which is Now Agitating the Property Owners on Washington Avenue.

The meeting of the paving committee of select council this evening will be attended, probably, by a large number of property owners who are contending among themselves on the superiority of asphalt or vitrified brick as a pave for Franklin avenue between Spruce and Vine streets.
