SHOULD BE ENLARGED Lockawanna Hospital is in an overcrowded Condition. PATIENTS REFUSED ADMISSION Others Have to Be Discharged Before They Are Fully Recovered in Order to Make Room For Other Sufferers.

It does not seem just nor consistent with the well known generosity and public spirit of Scranton people, that the Lockawanna hospital is compelled to refuse to accept more patients who might be brought there for treatment.

IN CASE OF AN EMERGENCY. In this connection it would be a most pertinent question to ask what would be done with fifty, thirty, or even twenty persons injured in a railroad accident or a mine catastrophe?

WHAT BOARD OF CHARITIES WILL DO. The State Board of Charities is cognizant of the fact that the Lockawanna hospital is maintained at comparatively less expense than any similar institution in the commonwealth.

Go to Poyntelle, Excursion Rates One Dollar. New York, Ontario and Western railroad will run excursions Wednesday and Saturday.

DEATH OF SQUIRE PRITCHARD. Very Well Known Resident of Lackawanna Passes Away. William Pritchard, well known throughout the valley, died in Lackawanna at 11 o'clock on Wednesday night, aged 69 years.

When the fire alarm sounded from box 15, located at the corner of Lackawanna and Penn avenues, at 8:25 last night the streets became densely crowded with people and the throng grew until at least 5,000 persons gathered around.

Chief of the Fire Department Ferber Believes It Was of Incendiary Origin. When the fire alarm sounded from box 15, located at the corner of Lackawanna and Penn avenues, at 8:25 last night the streets became densely crowded with people and the throng grew until at least 5,000 persons gathered around.

The flames soon burst through the wooden ceiling and crept through the roof. The burning paper was what caused the volumes of smoke to issue forth. The Crytals, Nay-Angs, Phenix and Hook and Ladders responded promptly and a line of hose was brought up the stairway and turned on the fire, extinguishing it in ten minutes.

THE EVENTS OF TODAY. Horses That Will Participate in the Matinee of Gentlemen's Driving Club.

SOME FAST TIME IS EXPECTED. Among the Events Promised Are a Double Team Race and a Road Race—Centaur's Tips in the Different Races—Ho Picks George Maddocks, Magnolia and Keeley, as Probable Winners of Events.

In point of attendance as well as from a racing standpoint, today's meeting of the Gentlemen's Driving Club should be the most successful yet held. Four events including a double team race and a road race are carded, and have been filled to the extent of eighteen entries.

- First race—Road race to wagon. 1. Nellie, m. m. John Benore. 2. Harry B. m. g. J. A. Swartz. 3. George Maddocks, b. g. Walter Jermyn.

From the fact that the tips furnished THE TRIBUNE last week by "Centaur" were correct, excepting in one race, the following selected ones, two and three horses for today may be expected to finish very nearly as named:

- First race—1. George Maddocks. 2. Harry B. m. g. John Benore. 3. Jim Mears and Johnny Hill & Schadt.

The 3:00 class may develop the prettiest contest of the season. Both John Kummerer and George Hallett have come up by their drives in Windsor Boy and Keeley. It looks like a strong thing for Keeley, as the horse is said to rest off a mile in 2:30 without trouble, but absolutely nothing is known of Windsor Boy beyond the smile of Mr. Kummerer when the horse is mentioned and the smile is ominous.

CONTRACT WILL STAND. Poor Board Refused to Reconsider Its Action on the Hunt & Connel Bid.

THOSE WHO SOUGHT RELIEF. Mrs. Ellen Murray Sent to Pittsburg to Which Place Her Husband Preceded Her to Answer a Charge of Horse Stealing—Mrs. Mary Hoban Wanted Her Children Forced to Support Her.

The poor board had its usual little tilt at the regular meeting yesterday afternoon. At the last meeting of the board a contract for painting, gas and steam fitting, in the old women's building at the farm, was awarded to Hunt & Connel, on a proposal including the three jobs.

The case of David Thomas, the 6-year-old son of Thomas J. Thomas, of Providence, was brought to the attention of the board by Mr. Shotten. The boy is subject to epileptic fits and it is feared his mind may become affected unless he is properly cared for.
