ANOTHER VICTORY FROM READING. Locals Had No Difficulty Defeating Boys

in Faded Blue. Still Scranton keeps adding to its string of victories By defeating Reading vesterday it won its twelfth consecutive game, which is quite a remarkable record.

The victory was comparatively easy and the Scranton players did not have to exert themselves much to win it.

Yerkes was again sent in to pitch for to home team, but in the first inning he showed that he had a lame arm and Flanaghan was substituted for him in the second. Although Flanaghan was somewhat indisposed, he pitched winning ball. During the inning that Yerkes pitched he was found for two singles. During the remainder of the game only four singles and two doubles were made off Flanaghan. He gave three bases on balls and struck out five men

presented a somewhat patched up team. Torreyson was sick and Fox took his place at second, while Dusty Rhodes tramped around among the daisies in right garden.

Jones was the Reading twirler and he was found safely twelve times by the local batamen. Ten of these were singles and the others two-baggers. The bardest hitting of the game was done by Scranton in the third inning. when singles were made by Wetzel, Hogan, Patchen, Rogers and Westlake, which resulted in three runs for the home team. Three singles and a double were made in the eighth which netted three more runs.

The only runs Reading secured were made in the sixth as the result of a two-base drive by Fox and Goodhart's force hit. Score in detail: SCRANTON.

JOHNSON IS NOW PRESIDENT.

He Succeeds Myers as Head of the State League. PHILADELPHIA, July 26.—The State Base Ball league meeting did not ad-journ until nearly 2 o'clock this mornog. A rule was adopted that all the clubs except Philadelphia are to pay the visiting team half the gate receipts with a \$50 guarantee, and one of \$25 in case of rain. In the case of Phila-delphia it was decided that visiting clubs shall receive only 35 per cent. of LLENTOWN and the gate receipts as the home team has to pay such a high rent for the

grounds. E K Myers resigned as president of the lengue, and A. B. Johnson, owner of the Allentown team, was elected to

## GLINTS FROM THE DIAMOND.

An effort is to be made to arrange for an exhibition game between Scranton and Wilkes-Barre in the near future. The disbanding of the Troy club may result in Scranton going into the Eastern

League if the 50 per cent, of the gate re-ceipts scheme is not amended. It is doubtful if Charley Campau will

ever play ball again. In the came in the Southern league on the Fourth of July be injured his right leg, tearing a ligament oose from the knee cap. The tie for first place between Scrauton and Allentown still continues. It is one of the most notable races in base ball of recent years and is being watched with interest by admirors of the national game.

Reading has signed Pitcher Southard, who has been at his some in this city for the past few days. He pitched for St. Joseph, Mo., during the early part of the season. He is a south paw and has good curves. Reading has also signed Wallace, the Franklin pitcher, whom Manager Swift was urged to sign some time ago.

At the meeting of the Stote League at Philadelphia Wednesday night it was decided that visiting clubs shall receive 50 per cent. of the gate receipts or a \$50 guarantee. This action does not find favor with the members of the Scranton and at a meeting to be held

association and at a meeting to be held next Tuesday night by the stockholders, the matter will be considered.

That play of Anson's in one of the Chicage games is likely to furnish considerable discussion for some time to come or with New Yorney gives. able discussion for some time to come or until Nick Young gives final judgment. From present testimony McQuade is the only umpire to allow it. Emslie having declared Tucker out twice last year for the same thing. Anson, it will be remembered, jumped from one box to the other to hit a ball which was intended to give him his base. McQuade decided that Anson did perfectly right in jumping over the plate. When asked if a batter were to step over any of the other three lines what his decision would be he said: "Out." "Then if a batter steps fourteen inches "Then if a batter steps fourteen inches across the plate from one box to the other he is not out?" "No." was the reply. It singles and two doubles were made off Flanaghan. He gave three bases on balls and struck out five men. At the bat he had two singles and made one of Scranton's seven runs.

The boys in the faded bine from Reading presented a somewhat back to the plate—in fact, take any posi-tion as long as he keeps his feet inside the batter's lines, -- Philadelphia Bulletin,

# WHIRLS OF THE WHEEL.

Charles B. Brook, the colored rider, has withdrawn his suit for \$5,000 damages, instituted against the Atalanta Wheelman, of Newark, for refusing to accept his

entry in their recent road race. The class B men find thomselves in a pre dicament. The manufacturers only want to hire the very best of them and these few cracks win all the prizes. Hence there is nothing left for the medium pace riders. The latter would welcome professional rac-

An earnest effort is being made by President Luscomb and his colleagues to increase the membership of the League of American Wheelmen. The chief consuls of the various divisions have been instructed to begin recruiting proceedings at come in order to enroll all wheelmen in the once, in order to enroll all wheelmen in the

Chicago will have a big circuit race meet on Aug. 2, 3 and 4. There will be no other meets of any importance on those dates, and the presence of all the cracks is counted on. One of the features will be the one mile unpaced, flying start, for class B men. It is the intention to establish a record for this, and it will really be the best test of a rider's ability. Sanger, Titus, Johnson, Bliss, Taylor, Bald, Tyler, McDonald, Kennedy and Taxis will take part

The resord breaking tournament of the Waltham Bicycle felub will take place next Saturday. Tyler, who will attempt to lower Bliss' world's record for the mile, is training at the Waltham track, and is reported to be riding very fast. He is confident of his ability to ride the distance in Im. 50s. Nat Butler will try to establish a new two mile record. A. W. Porter will try to regain his supremacy as the will try to regain his supremacy as the fastest Class A mile record breaker, and there will be two or more invitation races.

# GENERAL SPORTING NOTES.

Chicago sporting men are trying to bring Joe Chownski and Steve O'Donnell ogether in that city, but it is doubtful if

the authorities will allow it. The Ariel club has secured Jerry Marshall, the featherweight, who has been so hot after Dixon lately. He will box four rounds with Banny Paterson.

The Seaside Athletic club, of Coney Island, will open Aug. 1. The programme embraces a catch-as-catch-can wrestling match, one six and two ten-round boxing

Boxing seems a hard game to kill. Now that it has received a temporary quietus in Boston there are signs of a healthy revival at New Orleans, Coney Island, Buffalo and other places.

A quist movement is on foot in New York city to start a boxing club which will far overshadow the Seaside Athletic club. The details, it is stated, will be ready for announcement in about a week, James J. Corbett, the American pugilist, who salled for New York yesterday, said in an interview in Belfast that he had no intention of meeting Fitzsimmons or anybody else until he has settled accounts with Jackson.
