St. David's hall on North Main ave ue contained a large representation of the Christian Endeavor societies of this side at the rally held under the anspices of the Caristian Endeaver unions of the West Side last night D. W. Mor gan presided. The meeting was a very enthusiastic one, and the work of the union, together with the good work of he various committees, were freely iscussed. The principal of jet of the societies was to hear a report from Delegates R.v. George E. Guild, of the Providence Prespyterian church, and William B. Letchworth, of the Washburn street church, regarding the work done at the recent convention seld at Cleveland.

Mr. Letchworth gave a very lengthy discourse, speaking of the songs and the great increase in membership and work of the union during the past de-

cade. He said:
"I fall back to 1 000 before Christ and find the twelve tribes of God coming up to the holy city to offer their secrifices. After they had brought their nities unto Gol there was great prosperity among them. God blessed them spiritually. It took 3,000 years to mol-erate the songs of Ziou. At Glav-land in 1894 we had joyrut songs of redemp-tion, and as I looked about the city and saw the thousands of Christian Endeav-or flags floating in the breeze, I felt that our welcome was general The prosperity of the people was seen as we attended the different churches of God. The city was filled with a happy people, wearing badges denoting MANUFACTURED AND FOR SALE TO their faith and loyalty to the Christian Endeavor society. God's wish is not dependent upon any one man. The worker is known by his deeds. The Welcome given showed the truth of the motto of 1999, which says: "'One is your master. Even Christ, and all are your brothren.' Governor Mc Kinley who was present said: 'It is a mighty eause, and I bring you the welcome of the state."

He had been impressed by the Look out committee, stating it was the most important ever raised. Every citizen, he's it, should be on that committee. Look out for breakers, tempation, ain, the enemy, your associates and yourselves. Keep on the watch! I am impressed with the greatness of a poliical man who can stop to his business tical man who can stop in his business career to talk to young Christians. There are now 33.697 societies with a membership of 2.023.800. President Clark, who being unable to attendowing to illness, sent the words: "Strike! In the name of the Lord Strike! for Caristian citizenship.

The rally showed that the Christian Endeavor society is still in the lead, and rapidly developing into the standard Christian organization of the day.

AN EASTERN LEAGUE BERTH

There is a Probability That Scranton Will Occupy It Before the End of the Week.

There is a strong probability that before the end of the week Scranton will

be in the Eastern league. Buffalo; John Depinet, Erie; W. H. Draper, Providence; Toomas E Burns,
Springfield; George Kuntzsch, Syrscuse, and E F. Bogert, Wilkes-Barre.
There were also delegates present from pose of the fellow he ran swiftly to the Harrisburg, Scranton, Johnstown and Toronto, who formally applied for the vacant franchise. After some discussion it was voted to place the matter in the hands of Messra, Powers, Burns,

Eastern league next year, which would result in a terrible catastrophe if a probably mean the withdrawal of train happened along. probably mean the withdrawal of Binghamton and one other city.

As there has been some wild talk about Providence taking Washington's place in the National league, a reporter asked Mr. Draper for his views on the matter. He said: "Providence does not want to enter the big league We are satisfied where we are, and ion't care to take any chances."

Other delegates seemed to be doubtful about Scranton's admission. There is an idea that the Eastern league would like to secure Mike K-lly's Al lentown team to take Troy's place. It is thought that if Johnson and Kelly send in an application it might be fav-orably acted upon,

Manager Martin Swift and Secretary W. L. Betts, of the Scranton club, represented that organization at the meeting of the Eastern league. They returned last night at 12.05 and Mr. Swift was seen later by a TRIBUNE re-porter. He said that the sentiment of the meeting was in favor of Scranton obtaining the Troy franchise, but declined to state if, in his opinion, Scranton would be the choice.

As the circuit committee has at least wo members who are known to favor Scranton, there is a very strong probabillty that this city will be selected. The city that accepts Troy's franchise have to pay the back dues now owed by that defunct organization. President Powers and other State

league officials will be in the city today to discuss the matter with the local baseball men. If satisfactory arrangements are made Scranton will go into the Eastern league. Wherever the Troy franchise goes to the club that receives it will start in

the Eastern league on Thursday, play ing its first gam- at Springfield with the club representing that city. The Troy club is being kept together

by the E stern league until the fran-chise is disposed of. It played yester-day and Saturday at Providence, the regular games scheduled for the two clubs at that place. Donnelly, the short stop of the Troy club and Pitcher Gruber, have gone to

Springfield, they having been sold before the Troy organization disbanded. A special meeting of the State Base Ball league has been called at the Wyoming House in this city for Tuesday evening to take action in the matter of the division of the gate receipts.
