**WILL RAISE SALARIES**

School Board Has That Intention as Regards Principals.  
**BUT A WEEDING OUT WILL PRECEDE**  
Controllers Believe That Some of Present Force of Male Principals Are Receiving Quite Sufficient Compensation for Kind of Service They Are Rendering—Teachers Must Choose Between Teaching All the Time or Not at All.

"Our principals will have to choose between teaching all the time or not teaching at all," said a prominent member of the board of control yesterday. "While it is true," he continued, "that the committee did not go into details concerning this matter, in its report on salaries for the coming year, it must not be thought that we did not give the question serious consideration. It is a very delicate subject but one which must be met squarely and handled without gloves."

"I believe and it is the general opinion of the board that the position of principal of the more important schools is worth more in the way of salary than is now attached to it. And moreover the board intends that year after next principals in those schools shall receive a better compensation. At present it would be unfair to the school district to give a raise in salary, for the reason that we would be paying many of the principals more than they are worth. We believe that the present force of male principals, with exceptions of course, is receiving quite an unfair compensation for the kind of service they are rendering."

"We now I am giving you the sense of the board as I take it from conversations with members outside the meeting room—we do not object to a teacher endeavoring to better himself by some better or professional pursuits, but we do object to him making that business paramount to the profession we engage him for. Law students, lawyers, real estate agents and the like can not give the time to the school room they should and which we and the public demand. Consequently we will have to bring about a sweeping reform in the matter."

"It is the intention of this board to get the very best teachers that the school district can afford and to pay those teachers all they can earn. In securing teachers we will not confine ourselves to this region if we find it expedient to go elsewhere for material."

**MAN'S INDIVIDUAL RELIGION.**

Compared with Christ's Religion by Rev. D. E. Post.  
Rev. D. E. Post, of New York city, occupied the pulpit of the Penn Avenue Baptist church yesterday, before the Sabbath in the vacation of Rev. Warren G. Partridge, who is on the Massachusetts coast.

Mr. Post has a quiet, unassuming and earnest delivery without an overabundance of isms, and evidently speaks as he feels. His sermons are generally well planned, and his morning and evening sermons were short, but sufficiently lengthy to earn for the speaker the sympathetic and approbative attention of his hearers. His evening lecture was from the text, "Seek ye first the kingdom of Heaven."

"Christ is the end of the law and righteousness to all those who believe, and the individuality of man in his religion is selfishness. The religion of Jesus Christ affects the heart wholly and properly and helps us to lay hold of that which is proper for us to apprehend; it gives us an aspiration outward and away from ourselves and lets us bring sin and the world under our dominion. The world about us belongs to God, yet is ours to possess."

"This religion enables us to go to eternity as we desire to go—not to God's prison house, but with pleasant anticipations, and only through Christ's religion can we have the consciousness that these anticipations will be fulfilled. It teaches us to lay hold of the world within us, the world about us and the world beyond us. Is there any other religion that enables us to do this?"

"If we need an argument it is to 'seek ye first the kingdom of heaven'; seek it with the same assiduity you would seek worldly things; relinquish all else if necessary."

**YACHT RACING FOR SCRANTONIANS.**

The Press Club Will Give Its Patrons a Taste of the Popular Fad.  
It almost surpasses belief to state that Scrantonians are to be treated to yacht races at their very doors. Such is the case, nevertheless, on Saturday the managers of the Press club regatta announced that arrangements had been made for a race between Attorney C. Smith's fast clipper yacht Flying Cloud and the Mystic, a twenty foot center-boarder owned by Captain J. H. Greenhalgh and manned by a crew from the Passaic Boat club, of Newark, N. J.

This race will be one of the most interesting events of the regatta at Lakeland on Aug. 14, and in itself should be sufficient to attract a large crowd.

**THE DOCTOR WAXED WROTH.**

Didn't Like So Much Notoriety and Embarrassment Showed It.

Dr. Haggerty saw it and had Niland arrested on the charge of obstructing the sidewalk.

Alderman Fitzsimmons, before whom Niland was escorted by Constable Ryan, fined Niland \$5 for the offense.

**DEATH OF OWEN CUSICK.**

Accident He Suffered on July 19 Resulted Fatally—Sketch of His Career—Successful in Business.

The busy life of Owen Cusick, the Lackawanna avenue hotelkeeper, undertaker and hatter, was ended in death last Sunday afternoon at 4:30 o'clock. On Thursday evening, July 19, Mr. Cusick was thrown from his carriage on North Washington avenue, near Lynch street. Mr. Cusick and John M. Casey, of the St. Nicholas' hotel, were enjoying a drive and a wheel of their carriage was broken by a collision with another vehicle. The horse attached to it becoming frightened at a passing car and running into them.

Mr. Cusick clung to the reins, endeavoring to prevent his own horse from running away, but the animal dashed madly about, impelled by the falling weight of the broken carriage. Mr. Cusick was thrown to the sidewalk and his head struck the edge of the curb, causing concussion and laceration of the brain. He did not regain consciousness until three hours afterward at his home.

Dr. Collins was called and after a casual examination was inclined to the opinion that Mr. Cusick would recover. But when he made a thorough examination the next day, he had serious doubts, but entertained hopes of his patient's recovery.

At various times Dr. Dolan called Dr. N. Y. Love in consultation, and every remedy known to medical science was employed to save Mr. Cusick's life, which had become apparent to the physicians was slowly ebbing away.

Mr. Cusick was born in Ireland forty-six years ago. When he was nine months old his parents left him in the care of his grandmother and sailed for this country, and when he was six years old she purchased his passage and sent him to this country alone. He was a bright child and made a successful voyage without any trouble. At the age of 19 he purchased a team and engaged in the hauling business, shortly afterward becoming proprietor of a hotel in Bellevue.

He was married twenty years ago to Miss Mary Spillman, of Archbald. A family of twelve children were born to them, two of whom died. Ten bright children are now left, the oldest 18 years old and the youngest two months. They are: Mary C., Tessie L., John, Patrick, Annie Elizabeth, Eugene, Ambrose, Emily, Bartley and Morris.

Mr. Cusick was known throughout Lackawanna and Luzerne counties as a successful businessman and a charitable friend to those in distress.

His generosity was sincere and so great from the public. Apart from his family his death will not be deplored greater than among the poor families of this valley. Still he accumulated a fortune. He conducted the hotel at 430 Lackawanna avenue for the past sixteen years, and at a flourishing business. Besides, he was the proprietor of the extensive livery and undertaking establishment at 217, 219, 221 and 223 Washington avenue.

The lots on which the livery stands are among the most desirable real estate locations in Scranton. Mr. Cusick refused an offer of \$8,000 for them long before his death. He also owned other valuable property.

In the Democratic county convention held in 1888 Mr. Cusick was nominated for clerk of the courts. A long contest followed the election and Mr. Cusick's opponent obtained the office.

The funeral will depart from his late residence tomorrow morning, at 9 o'clock to St. Peter's cathedral, where a solemn high mass of requiem will be sung, after which interment will be made in Hyde Park Catholic cemetery.

**PREPARING FOR THE EXCURSION.**

Details of Big Event of Aug. 13 Are Well in Hand.  
There was a largely attended meeting last night at College hall of those interested in the success of the excursion of the congregation of St. Peter's cathedral to Mountain park on Aug. 13. John Maguire presided. Reports from a number of committees were received showing that the arrangements for the excursion are all well in hand and that everything is being done that will insure the pleasure and comfort of those who attend.

A committee from the Young Men's institute, which has charge of the games, was present and reported the games decided upon and other details connected therewith. The chairman was instructed to appoint a committee to look after the children who attend the excursion and to exchange tickets at the depot.

Suit for Wages.  
William Hepler, until recently a driver for the Sower's Packing company, brought suit against his late employers on Saturday before Alderman Wright. He claimed \$14 wages he claimed was due him. The controversy arose out of the fact that when Mr. Hepler and his employers parted company, the former claimed that he was employed by the month and entitled to a month's salary, while the company declared that Mr. Hepler had been paid by the week and that he was entitled to his due him. Mr. Hepler proved that he had been paid by the month and received judgment for the amount he claimed.

**CHURCH DEDICATION**

Ceremony Conducted by Rev. Dr. Pope, of Hyde Park.

**NEW PAUL'S AT PRICEBURG**

Number of Visiting Clergymen and Choirs of Various Churches Participated in the Dedicatory Exercises. The Pastor Will Be Rev. Eugene Weisskopf, Formerly of Petersburg, Details of the Ceremony.

Surrounded by ceremony of song, prayer, praise and divine teachings the new St. Paul's German Evangelical church was dedicated at Priceburg yesterday by Rev. Dr. Pope, of Hyde Park, assisted by a number of clergymen from Scranton and vicinity. An unique feature of the dedication was the participation in the ceremonies by a number of choirs, one representing the Methodist Episcopal church.

The congregation of St. Paul's was organized at least a year ago, and since then they have had John Knopka, of Archbald, as their visiting clergyman, meanwhile raising a fund to build the church dedicated yesterday. The value of the edifice and ground is about \$2,000, the major portion of which has been subscribed. Rev. Eugene Weisskopf, formerly of the German Evangelical church at Petersburg, this city, has been engaged to be the pastor of the congregation.

At 2:30 o'clock the professional left the residence of John Miller, one of the board of trustees, hearing the Bible and communion service. In addition to choirs from the Methodist Episcopal church of Priceburg and Taylorville and from the Methodist Episcopal church of Priceburg, the professional included a number of St. Paul's congregation and the following clergymen: Rev. Dr. Pope, Hyde Park; Rev. Eugene Weisskopf, pastor; Rev. Mr. Lang, Scranton; Rev. Mr. Heck, Taylor, and Rev. Mr. Kiesling, Scranton.

CHURCH KEYS DELIVERED.  
The professional halted in front of the church where the congregation sang the appropriate selection, "Open unto Me the Beautiful Gate," and the keys of the edifice were relinquished by Contractor Rice and accepted by the pastor. Rev. Mr. Weisskopf delivered a brief address after which the congregation entered the well-lighted and handsomely finished auditorium, while the organist played a preliminary.

The dedication was conducted by Dr. Pope and the sermon preached by Dr. Kiesling. Each of the other clergymen and Rev. Mr. Higginson, of the Priceburg Methodist Episcopal church, made brief addresses. Mr. Higginson's remarks were particularly well received. A letter of congratulation and encouragement was read from the organizing pastor, Rev. John Knopka, of Archbald. The service was interspersed with vocal selections by the various choirs.

Trustees John Miller, George Rice, August Schmitt and Mr. Pockerott will meet this week and prepare a

**MASONIC RE-UNION AT FARVIEW.**

A Very Notable Gathering Will Assemble Next Thursday at That Mountain Resort.

A great event in Masonic circles will occur next Thursday at Farview. The members of the order in northeastern Pennsylvania and southern New York assembled for a reunion, and distinguished speakers will deliver addresses. Colonel Edward M. L. Enlers, of New York, grand secretary of the order, and C. M. Wickwire, of Waterbury, N. Y., president of Central New York Masonic association, will speak, and their reputation for eloquence will attract thousands to hear them.

The reunion was planned by the lodge of local towns and the idea spread so that great interest was manifested and its success assured.

It is anticipated that large numbers of citizens not belonging to the order will be present from New York state and that representatives of the Delaware, Honesdale, Carbondale and Wilkes-Barre will be present to extend a welcome greeting.

The Scranton gentlemen on the committee in charge of the excursion are Attorney R. A. Zimmerman, C. S. Seaman and W. L. Carr. A special excursion train will leave the Delaware and Hudson Canal depot on Thursday morning at 9 o'clock, and tickets will be good on any regular train thereafter during the day going and returning. The fare charged will be \$1 for return trip.

The New York Masons and their friends will reach Carbondale on the New York, Ontario and Western railroad, where they will be transferred to the Gravity road. The assemblage bids fair to run into the thousands and undoubtedly the occasion will be a most pleasing one.

The Mozart band and orchestra, of Carbondale, have been engaged to furnish the music and refreshments of every variety will be provided.

**THINK THEY WERE CHLOROFORMED.**

One Hundred and Thirty Dollars Taken from Under John Swartz's Pillow.  
John Swartz, a Delaware Lackawanna western switchman, residing at 1310 Luzerne street, awoke at 7:30 o'clock Saturday morning, just three hours too late for work. His wife also awoke herself and was with some difficulty awakened. Both felt a queer feeling like drowsiness or stupor and imagining that something was wrong began an investigation of the premises.

The first discovery they made was that \$120 belonging to the Switchman's Mutual Aid association, of which Mr. Swartz is treasurer, was missing. It was kept under the pillow in a bag. Further investigation proved unmistakably that some intruder had been in the house during the night and it is thought that Mr. and Mrs. Swartz were chloroformed by the thief.

An unique feature of the dedication was the participation in the ceremonies by a number of choirs, one representing the Methodist Episcopal church.

The congregation of St. Paul's was organized at least a year ago, and since then they have had John Knopka, of Archbald, as their visiting clergyman, meanwhile raising a fund to build the church dedicated yesterday. The value of the edifice and ground is about \$2,000, the major portion of which has been subscribed. Rev. Eugene Weisskopf, formerly of the German Evangelical church at Petersburg, this city, has been engaged to be the pastor of the congregation.

At 2:30 o'clock the professional left the residence of John Miller, one of the board of trustees, hearing the Bible and communion service. In addition to choirs from the Methodist Episcopal church of Priceburg and Taylorville and from the Methodist Episcopal church of Priceburg, the professional included a number of St. Paul's congregation and the following clergymen: Rev. Dr. Pope, Hyde Park; Rev. Eugene Weisskopf, pastor; Rev. Mr. Lang, Scranton; Rev. Mr. Heck, Taylor, and Rev. Mr. Kiesling, Scranton.

CHURCH KEYS DELIVERED.  
The professional halted in front of the church where the congregation sang the appropriate selection, "Open unto Me the Beautiful Gate," and the keys of the edifice were relinquished by Contractor Rice and accepted by the pastor. Rev. Mr. Weisskopf delivered a brief address after which the congregation entered the well-lighted and handsomely finished auditorium, while the organist played a preliminary.

The dedication was conducted by Dr. Pope and the sermon preached by Dr. Kiesling. Each of the other clergymen and Rev. Mr. Higginson, of the Priceburg Methodist Episcopal church, made brief addresses. Mr. Higginson's remarks were particularly well received. A letter of congratulation and encouragement was read from the organizing pastor, Rev. John Knopka, of Archbald. The service was interspersed with vocal selections by the various choirs.

Trustees John Miller, George Rice, August Schmitt and Mr. Pockerott will meet this week and prepare a

**MASONIC RE-UNION AT FARVIEW.**

A Very Notable Gathering Will Assemble Next Thursday at That Mountain Resort.

A great event in Masonic circles will occur next Thursday at Farview. The members of the order in northeastern Pennsylvania and southern New York assembled for a reunion, and distinguished speakers will deliver addresses. Colonel Edward M. L. Enlers, of New York, grand secretary of the order, and C. M. Wickwire, of Waterbury, N. Y., president of Central New York Masonic association, will speak, and their reputation for eloquence will attract thousands to hear them.

The reunion was planned by the lodge of local towns and the idea spread so that great interest was manifested and its success assured.

It is anticipated that large numbers of citizens not belonging to the order will be present from New York state and that representatives of the Delaware, Honesdale, Carbondale and Wilkes-Barre will be present to extend a welcome greeting.

The Scranton gentlemen on the committee in charge of the excursion are Attorney R. A. Zimmerman, C. S. Seaman and W. L. Carr. A special excursion train will leave the Delaware and Hudson Canal depot on Thursday morning at 9 o'clock, and tickets will be good on any regular train thereafter during the day going and returning. The fare charged will be \$1 for return trip.

The New York Masons and their friends will reach Carbondale on the New York, Ontario and Western railroad, where they will be transferred to the Gravity road. The assemblage bids fair to run into the thousands and undoubtedly the occasion will be a most pleasing one.

The Mozart band and orchestra, of Carbondale, have been engaged to furnish the music and refreshments of every variety will be provided.

**THINK THEY WERE CHLOROFORMED.**

One Hundred and Thirty Dollars Taken from Under John Swartz's Pillow.  
John Swartz, a Delaware Lackawanna western switchman, residing at 1310 Luzerne street, awoke at 7:30 o'clock Saturday morning, just three hours too late for work. His wife also awoke herself and was with some difficulty awakened. Both felt a queer feeling like drowsiness or stupor and imagining that something was wrong began an investigation of the premises.

The first discovery they made was that \$120 belonging to the Switchman's Mutual Aid association, of which Mr. Swartz is treasurer, was missing. It was kept under the pillow in a bag. Further investigation proved unmistakably that some intruder had been in the house during the night and it is thought that Mr. and Mrs. Swartz were chloroformed by the thief.
