

The Brooklyn Bridge For Sale.

Not in blocks of five, but two blocks for five. Not the bridge that spans the East river between the cities of New York and Brooklyn, but the one that adorns our north window. The white bridge, as unique in its way as the White City; made not of steel, but Castile Soap—7,000 cakes being used in the construction. The Soap is a pure Castile, so pure that it will float; and in order to introduce it to the people of Scranton in a fitting way, we have had this beautiful bridge constructed. It is a work of art, a thing of beauty, and worth coming to see. Don't fail to bring the children along. The Soap will be sold

2 Cakes for 5 Cents.

Don't fail to lay in a good supply, and as our reserve stock is limited, it will be impossible for us to let the bridge remain long intact.

AGONIZING ECZEMA

Feet Sore and Thumbs Useless. Doctors and Medicine no Avail. Terrible Suffering. Cured in Four Weeks by CUTICURA.

I have a boy, fifteen years old, who had the eczema so offensive that I could not stay in the room with him. The poor boy suffered terribly. His feet were terribly sore; he could not wear any shoes, and had therefore to stay at home from school. When he put on dry stockings in the morning, they were so stiff and so stiff with moisture, and very offensive even in the coldest weather. The disease began to spread over his body, especially his hands and fingers. The thumbs on both his hands became stiff and as useless as two withered sticks of wood. It would be useless for me to try to tell the suffering this boy endured. I took him to two different doctors; both gave him lots of medicine, but all to no avail. He grew weaker. I therefore despaired of ever having him cured. One day I saw the great benefits promised to those who would use CUTICURA REMEDY. I went right away to the drug store and bought them. However, I used them according to the directions, but today I say truthfully to all the world, that my son is entirely cured, thank God and thank the discoverers of CUTICURA REMEDY. They cured him in four weeks as sound as a gold dollar. JOHN SAVAGE, Fishkill Village, N. Y.
