The Fastest Horse in the City Has Record of 2.16 1-2-Many Others That Are Not Much Slower-In the Matter of Blood Local Horses Can Well Lay Claim to Aristocracy-men

The organization of the Gentlemen's Driving club and the series of excellent meets which are now bling conducted by that organization at the Driving park have given an immeasureable impetus to the interest in horses in this We will show you what region, and one question which is every day discussed by the horseman, and not infrequently asked by others, is "Who ownes the fastest horse in Scran

Who Own the Fast Steppers.

This distinction was long in the undisputed ownership of the late lamented Owen Cusick, whose big black gelding Stevie won a world-wide reputation by capturing the famous ten-heat race in Cleveland a few years ago and making a record of 2.18 after s ven miles had been trotted. Stevie, however, has been withrawn from the track and is now in the Washington avenue stable. No Seranton horse ever beat Stevis's time while he was on the track, but now there are several that are as fast, not faster.

One of these is Allen Lowe, a staltion, owned by Walter Jermyn. Allen Lowers by Alcantara, dammed by Happy Medium; second dam, American Star. His first dam is the dam of Maxey Cobb, 3.13 Mr. Jermyn's horse has a record of 2.16) and recently in a trial heat made the mile in 2 II. As can be seen from his pedigree, Allen Lowe is a horse of the pure purple variety in the matter of blood. He is a bay and as handsome as he is speedy.

SOME OF THE OTHER PLYERS

Walter Jermyn owns a bay mare that has a record of 2.23 and a trial time of 2.164. She comes from the best blooded stock. Dr. Wonts has a mare, Augnolia, trial 2 26, by Rider Brooks. He also owns a Wilkes mare dammed by Dauntless, which promises to do

Dr. Hill has a team of bays each of which can beat 2 30; and his gray pa-cer Jim Mears, made a mile at Fleet-wood in 2 17. W. H. Gearhart bas a tylish bay mare, Trillyway, by Hambletonian Prince, which has a record of 2.28, and ought to trot a mile in bet-ter than 2.20 if put into good hands. She made a half in 1 12} at the matines last Saturday, J. J. Jermyn has a black gelding. Fred, sired by Mambrino Fransport, which has a record of 2 34½; and a stallion by Red Wilkes, dammed by Emerson, which has shown a 2 25 clip. This stallion's dam is also the dam of Moquette which holds the 4-year old record of 2 10. Another stallion of his string of watch is expected great things is a 3 year old called Sid Echo, sired

by Sidney and dammed by Ecno. Ambrose Spencer owns a pair of bay pacers which have made 2.40 together. J. L. Crawford has a team of bays that can pace the mile in about the same ime, and a pair of trotters that can do as well. Frank Crane has a 3-year-old by Cheltenham and Hambletonian Prince which promises to be a speedy horse. Dr. Hand has a colt which also

gives promise of remarkable feats. Eli Ager has a fine stable. His best borse is Colden Beil, 2 201, by Hamlin's Almont. Another horse which he is very proud of is a 3-year-old by Mam-brino King, dam, Rhea, by Sultan, It is a "grand individual" and carries a mark of 2 40. He has a 2-year-old out of the same mare by Chimes, and an-other 2-year-old out of Juliet, 2 211, by Mambrino King

Smaching Windows from D, L & W. Railway Trains.

Recently the practice of young fel lows throwing missiles from the curs on the Delaware, Lackawanna and Western railroad on Sundays has increased to an alarming extent. The youths generally board the train above the Lackawanna avenue crossing and enjoy a free ride to Clark's Summit. Some leave at the Notch to witness a base ball game, but the majority disperse about Clark's Summit, where bey commit no end of depredations in obbing orchards, etc. In making the return trip they have a contest in slinging apples and other missiles at padestrians and windows.

On Saturday evening in particular the win lows of James Lyons' house at Tripp's crossing were smashed and the glass burled into the crib where a litthe child was aslesp. John McVanny's nouse received a similar compliment. Coxey's army was a host of gentlemen

In Which Rent and a Dog Are Badly

Mixed Up. Alderman Horan had to adjudicate esterday morning between the elequence of Astorney Vaughan and Lawver Sutcliffs, who appeared respec-tively for John J. Costello and Robert E. Gill. Costello reuted No. 1418 North Main avenue some months ago to Gill for the annual sum of \$210, of

which \$40 is now in arrears. When the house was let the landlord had a dog upon the premises with which the defendant was quite charmed and besought Costello to leave it at the old home. After a couple of months Gill wrote Costello that he was no longer enumored of the canine. Thereupon the dog was removed and following this came a suit against Costello for two months boarding of doggie. Al derman Bailey fixed 86 as the price of the two months board.

Costello then appealed. All this was apparently waded through yesterday nd the alderman gave judgement for \$40 and costs in the main action. Notice of appeal was given,
