BASE BALL

Scranton Won One and Lost One to Springfield Saturday.

BUFFALO ALSO DEFEATS OUR PETS

The Bisons Had No Very Difficult Time in Doing It Yesterday and Likewise Coming Dangerously Near Passing Us in the Race for the Pennant—Standing of the Clubs. National League Games Played Saturday—Interesting Base Ball Gossip.

While Scranton was fortunate enough in breaking the monotony of the long string of defeats, which she had sustained since entering the Eastern league, by defeating the Springfield club in the second game played Saturday, she also lost two games since our last report, one to Springfield and one to Buffalo. A glance at the subjoined table of percentages will convince any reader that she will have to put up a different article of ball if she wishes to remain second in the championship race.

The percentages of the clubs, number of games won and lost by each, and their standing in the league race, is as follows:

	Won.	Lost.	Per Ct.
Providence	52	28	.650
Scranton	44	37	.543
Buffalo	51	44	.537
Erie	40	36	.526
Wilkes-Barre	40	39	.506
Syracuse	41	43	.488
Springfield	38	44	.463
Binghamton	23	58	.284

WE WIN A GAME.

Umpire Snyder's Eyes Were Very, Very Muddy.

Scranton base ball enthusiasts who, saw the two games Saturday afternoon at the ball park between Tommy Cahill's Amendments to the Constitution and the Scarlet Letters from Springfield were compelled to exercise a large measure of that quality which made Job immortal.

Umpire Snyder robbed the Scranton club of the first game, and he added insult to injury in the eighth inning when he ordered Manager Cahill out of the game because one of his decisions was questioned by Cahill.

The crowd on the bleachers became excited and moved threateningly toward the umpire. Second Baseman Lynch of the Springfields added fuel to the flame by walking into the field with a bat raised and exclaiming, "I will hit the first man that attempts to assault the umpire." Officers Palmer and Jones managed to clear the grounds and the umpire evidently made up his mind that it would be better to let Cahill finish the game.

A most unjust decision in the second inning by Snyder was responsible for four runs. The Scranton club rallied in the seventh inning and batted in four runs but were unable to overcome the lead of the visitors. Blackburn pitched a fine game.

The second game opened with Quarles in the box for the Scranton club. He pitched a remarkable game and installed himself as a favorite with the cranks.

Miller pitched for the visitors and was found safely for fifteen hits. The Scrantons scored two runs in the first inning, three in the second, four in the fifth and one in the ninth. The visitors did not score until the fourth inning and then a run was let in through an error of Phelan's. They made two runs in the ninth.

The Scranton club was somewhat demoralized owing to the manner in which the players were stationed. Cahill at first was out of position, as well as Donovan in right and Rogers in left. The muff of an easy fly by Rogers in the ninth inning was responsible for the two runs scored. Lebane, first baseman, and Hoover, center fielder, with Friel in right will form a team that the other clubs in the Eastern league will find it hard work to overcome. The score:

DISASTER AT BUFFALO.

Tommy Cahill's Statuary Badly Shattered by the Bisons.

BUFFALO, N. Y., Aug. 12.—The Bisons steadily pulled away from the Scrantons in today's game and by continued plugging of the ball piled up sixteen runs while their opponents were accumulating six. Hoffer was found in only one inning and then not to any great extent. Lewees' work at short was notable and "Sleepy" Johnson pulled down a few in center field in good style. Attendance, 2,500.
